SMALL BUSINESS ADMINISTRATION

National Small Business Development Centers Advisory Board

AGENCY: Small Business Administration.

ACTION: Notice of open Federal Advisory Committee meetings.

SUMMARY: The SBA is issuing this notice to announce the location, date, time and agenda for December meeting of the Federal Advisory Committee for the Small Business Development Centers Program. The meeting will be open to the public; however, advance notice of attendance is required.

DATES: Tuesday, December 12, 2017, at 1:00 p.m. EST.

ADDRESSES: Meeting will be held via conference call.

FOR FURTHER INFORMATION CONTACT: Monika Nixon, Office of Small Business Development Center, U.S. Small Business Administration, 409 Third Street SW., Washington, DC 20416; monika.nixon@sba.gov; (202) 205-7310. If anyone wishes to be a listening participant or would like to request accommodations, please contact Monika Nixon at the information above.

SUPPLEMENTARY INFORMATION: Pursuant to section 10(a) of the Federal Advisory Committee Act (5 U.S.C. Appendix 2), SBA announces the meetings of the National SBDC Advisory Board. This Board provides advice and counsel to the SBA Administrator and Associate Administrator for Small Business Development Centers.

The purpose of the meetings is to discuss the following issues pertaining to the SBDC Program:
SBA Update.
Annual Meetings.
Board.
Assignments.
Member Roundtable.

Richard Kingan,

Acting White House Liaison.

DEPARTMENT OF STATE

[Public Notice: 10214]

Notice of Availability of the Final Environmental Impact Statement for the Foreign Missions Center at the Former Walter Reed Army Medical Center, Washington, DC

AGENCY: Department of State.

ACTION: Notice of Availability.

SUMMARY: The U.S. Department of State (DOS) announces the availability of the Final Environmental Impact Statement (FEIS) on the master plan for the long-term development of a Foreign Missions Center, under authorities of the Foreign Missions Act of 1982, on the site of the former Walter Reed Army Medical Center (WRAMC) in the District of Columbia. Actions evaluated in the master plan consist of assignment of federal land to foreign missions for the purpose of constructing and operating new chancery facilities. DOS has prepared this FEIS on Alternative 7 as its Selected Action Alternative for the master plan, consistent with the National Environmental Policy Act (NEPA) of 1969, as amended, regulations developed by the Council on Environmental Quality, and DOS regulations for implementing NEPA.

DATES: Following this thirty (30) day notice in the **Federal Register**, DOS will issue a Record of Decision (ROD) at which time its availability will be announced in the **Federal Register** and local media. Please note that the public review period will close on December 31, 2017.

FOR FURTHER INFORMATION CONTACT: Geoffrey Hunt, Department of State, A/OPR/RPM, Room 1264, 2201 C St. NW., Washington, DC 20520-1264, or (202) 647-7530, or FMC.info@state.gov.

SUPPLEMENTARY INFORMATION: The master plan is intended to guide the development of a cohesive campus by establishing design and land-use planning principles for the construction of new buildings, roadways, open green

space, and utilities, while minimizing environmental impacts. The FEIS analyzes the potential impacts associated with Alternative 7 that could satisfy the purpose and need defined in the FEIS and master plan. Additionally, the FEIS addresses substantive comments submitted by the public and other stakeholders during the public comment period for the Supplemental Draft Environmental Impact Statement (SDEIS).

The SDEIS was previously circulated publicly in April 2017 and Draft Environmental Impact Statement (DEIS) was previously circulated publicly in February 2014. Subsequent to the publication of the DEIS, the total acreage of the land available for transfer from the Army to DOS was reduced from 43.5 to 31.7 acres through the National Defense Authorization Act of 2015. Because of the change in the proposed action, DOS prepared the SDEIS to describe the new preferred alternative, and evaluate any change in potential impacts from the reduction in size of the proposed action.

In addition, DOS is carrying out the Section 106 review process under the National Historic Preservation Act of 1966, through which it consults with interested parties on the potential effect of the proposed undertaking on identified historic properties.

A “chancery” is the principal office of a foreign mission used for diplomatic or related purposes, and annexes to such offices (including ancillary offices and support facilities), and includes the site and any buildings on the site which are used for such purposes. A “foreign mission” is any mission to or agency or entity in the United States which is involved in diplomatic, consular or other activities of, or which is substantially owned or effectively controlled by, a foreign government; or an organization representing a territory or political entity which has been granted diplomatic or other official privileges and immunities under the laws of the United States or which engages in some aspect of the conduct of international affairs of such territory or political entity, including any real property of such a mission and the personnel of such a mission.

The need for the project is based on increased and high demand for foreign mission facilities in the District of Columbia, a lack of large sites for foreign mission development or redevelopment in the District of Columbia, and the need for land to use in property exchanges with other countries. The proposed Foreign Missions Center is needed to primarily address the increasing scarcity of
