**D. Capital/Non-Labor Costs: \$0.**

Commission staff believes that the FPLA Rules impose negligible capital or other non-labor costs, as the affected entities are likely to have the necessary supplies and/or equipment already (e.g., offices and computers) for the information collections discussed above.

**SUPPLEMENTARY INFORMATION:**

**A. Purpose**

The FAR requires certain information to be provided by contractors which would enable the Government to make payments under the contract by electronic funds transfer (EFT). The information necessary to make the EFT transaction is specified in clause 52.232–33, Payment by Electronic Funds Transfer—System for Award Management, which the contractor is required to provide prior to award, and clause 52.232–34, Payment by Electronic Funds Transfer—Other than System for Award Management, which requires EFT information to be provided as specified by the agency to enable payment by EFT. This collection of information is mostly imposed on contractors upon award of each contract. Less frequent collection would not facilitate contract payment by EFT as the standard method of payment under Government contracts.

DoD, GSA and NASA analyzed the FY 2016 data from the Federal Procurement Data System (FPDS) to develop the estimated burden hours for this information collection. The burden was

adjusted to reflect that the information required by the clause at 52.232–33, Payment by Electronic Funds Transfer—System for Award Management, is already covered by OMB Control Number 9000–0159, System for Award Management Registration (SAM).

**B. Annual Reporting Burden**

*Respondents:* 3,761.  
*Responses per Respondent:* 1.  
*Annual Responses:* 3,761.  
*Hours per Response:* 0.5.  
*Total Burden Hours:* 1,881.

**C. Public Comments**

*Public comments are particularly invited on:* Whether this collection of information is necessary for the proper performance of functions of the FAR, including whether the information will have practical utility; the accuracy of the estimate of the burden of the information collection; ways to enhance the quality, utility, and clarity of the information to be collected; and ways to minimize the burden of the information collection on respondents, including the use of automated collection techniques or other forms of information technology.

*Obtaining Copies of Proposals:* Requesters may obtain a copy of the information collection documents from the General Services Administration, Regulatory Secretariat Division (MVCB), 1800 F Street NW., Washington, DC 20405, telephone 202–501–4755.
