

above, the cash deposit rate will be the rate established in these final results of review (except, if the rate is zero or *de minimis*, then zero cash deposit will be required for that company); (2) for previously investigated or reviewed PRC and non-PRC exporters not listed above that have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recent period; (3) for all PRC exporters of subject merchandise which have not been found to be entitled to a separate rate, the cash deposit rate will be the PRC-wide rate of 4.71 U.S. dollars per kilogram; and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter that supplied that non-PRC exporter. These requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these preliminary results in accordance with sections 751(a)(1) and 777(i) of the Act, and 19 CFR 351.213(h) and 351.221(b)(4).

Dated: November 29, 2017.

Gary Taverman,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, performing the non-exclusive functions and duties of the Assistant Secretary of Enforcement and Compliance.

Ningxia Mineral & Chemical Limited (Ningxia Mineral),¹¹ Shanxi Dapu International Trade Co., Ltd. (Shanxi Dapu),¹² Shanxi DMD Corporation (Shanxi DMD),¹³ and Shanxi Industry Technology Trading Co., Ltd. (Shanxi ITT),¹⁴ respectively, requested reviews of themselves individually.

On June 7, 2017, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.221(c)(1)(i), the Department published in the **Federal Register** notice of initiation of an administrative review of the order on certain activated carbon from the PRC with respect to 209 companies.¹⁵ On September 5, 2017, the petitioners withdrew their request for an administrative review for 185 companies.¹⁶ In the list of companies for which the petitioners withdrew their review request, Shanxi Dapu was the only company for which a party other than the petitioners had requested a review.

Partial Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if the party that requested the review withdraws its request within 90 days of the publication of the notice of initiation of the requested review. In this case, the petitioners timely withdrew their review request, in part, by the 90-day deadline. Out of the 185 companies for which the petitioners withdrew their review request, one company requested an administrative review of the antidumping duty order

¹¹ See Ningxia Mineral's submission, "Activated Carbon from the People's Republic of China Request for Antidumping Administrative Review," dated May 1, 2017.

¹² In the *Initiation Notice*, we listed both Shanxi Dapu International Trade Co., Ltd. and Shanxi Dapu International Trade Co., Ltd. because both company names had been requested to be reviewed by various interested parties; however, the former name was a result of a typographical error in Shanxi Dapu's request for review and the correct name of the company for which a review was requested is Shanxi Dapu International Trade Co., Ltd. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 82 FR 26444 (June 7, 2017) (*Initiation Notice*); see also Petitioners' Request for Review and Shanxi Dapu's submission, "Activated Carbon from the People's Republic of China Request for Administrative Review," dated May 1, 2017. We are continuing the review with respect to Shanxi Dapu International Trade Co., Ltd.

¹³ See Shanxi DMD's submission, "Activated Carbon from the People's Republic of China Request for Administrative Review," dated May 1, 2017.

¹⁴ See Shanxi ITT's submission, "Activated Carbon from the People's Republic of China Request for Administrative Review," dated May 1, 2017.

for itself. Therefore, we are rescinding the administrative review of the antidumping duty order on certain activated carbon from the PRC for the period April 1, 2016, through March 31, 2017, with respect to the 184 companies for which all review requests were withdrawn, in accordance with 19 CFR 351.213(d)(1). The review will continue with respect to the remaining 24 companies for which reviews were requested.¹⁷

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. For the companies for which this review is rescinded, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We intend to issue and publish this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4).

¹⁷ For a list of these companies, see Attachment. Because in the *Initiation Notice* Shanxi Dapu was listed twice, the review will continue with respect to 24 companies—not 25.

Dated: December 4, 2017.

James Maeder,

Senior Director performing the duties of the Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
