Title: Supplemental Income Questionnaire (For Philippine Claims Only) (VA Form 21P-0784).

OMB Control Number: 2900-0668.

Type of Review: Reinstatement without change of a previously approved collection.

Abstract: Eligibility to benefits may be established based on service in the Philippine Scouts, Commonwealth Army of the Philippines, or recognized guerrilla organizations (38 U.S.C. 107). Title 38 U.S.C. 1521, 1541, and 1542 provide for payment of Pension to eligible veterans, surviving spouses, and

surviving children. A claimant's eligibility for pension is determined, in part, by countable family income and net worth. Income information is requested by this form under the authority of 38 U.S.C. 1506.

VBA uses VA Form 21P-0784 to gather income information that is necessary to determine eligibility for Pension benefits. Entitlement to pension cannot be determined without complete information about a claimant's family income and net worth. Claimants residing in the Philippines have different types of income than claimants residing in the United States, and this form better captures those types of income than other VA Pension forms.

Title: Application for Exclusion of Children's Income (VA Form 21P-0571).

OMB Control Number: 2900-0510.

Type of Review: Reinstatement without change of a previously approved collection.

Abstract: A veteran's or surviving spouse's rate of Improved Pension is determined by family income. Normally, income of children who are members of the household is included in this determination. However, children's income may be excluded if it is unavailable or if consideration of that income would cause hardship.

38 U.S.C. 1521(h) and 1541(g) provide the authority for the exclusion of children's income based on unavailability or hardship. VA Form 21P-0571, Application for Exclusion of Children's Income, is being transferred from Compensation Service to Pension and Fiduciary Service, due to changes in business lines.

VA Form 21P-0571 is used for the sole purpose of collecting the information needed to determine whether children's income is available to the beneficiary, and if it would cause hardship to consider their income.
