

guidelines for reporting and disseminating results, and releasing initial NAEP results to the public.

The Governing Board's Nominations Committee fulfills the responsibility of making recommendations for potential candidates to fill Governing Board vacancies for terms of service established by law in various Governing Board categories. Following Nominations Committee action on the recommendations (per delegation of authority from the Governing Board on nominees from the October 2016 call for nominees), the final slate of candidates is submitted to the Secretary of Education for consideration and appointment to serve on the Governing Board, as defined in Section 302, Public Law 107-279; see <https://nagb.gov/about-naep/the-naep-law.html>.

On January 11, 2018, the Nominations Committee will meet in closed session from 6:30 p.m. to 8:30 p.m. The Committee will discuss nominees for the position of Chief State School Officer to complete the term of service (term expires on September 30, 2018) of the former incumbent, Massachusetts Commissioner of Education, Mitchell Chester. The Nominations Committee's discussions pertain solely to internal personnel rules and practices of an agency and information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy. As such, the discussions are protected by exemptions 2 and 6 of § 552b(c) of Title 5 of the United States Code.

During the November 17, 2017 Governing Board meeting, the Governing Board delegated authority to the Nominations Committee to receive, review, and take action on the final slate of recommended candidates for the position of Chief State School Officer. This delegation of authority allows the

timely submission of candidates to the Secretary of Education for consideration and action prior to the March 2018 Governing Board meeting.
