#### SUPPLEMENTARY INFORMATION:

##### Comments

The information collection notice was previously published in the **Federal Register** on September 29, 2017 at 82 FR 45604, allowing for a 60-day public comment period. USCIS did not receive any comment in connection with the 60-day notice.

You may access the information collection instrument with instructions, or additional information by visiting the Federal eRulemaking Portal site at <http://www.regulations.gov> and enter USCIS-2012-0004 in the search box. Written comments and suggestions from the public and affected agencies should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the

proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

### Overview of This Information Collection

(1) *Type of Information Collection Request:* Extension, Without Change, of a Currently Approved Collection.

(2) *Title of the Form/Collection:* Collection of Qualitative Feedback through Focus Groups.

(3) *Agency form number, if any, and the applicable component of the DHS sponsoring the collection:* No Agency Form Number; USCIS.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* *Primary:* Individuals or households; Business or other for-profit. The information collection activity will garner qualitative customer and stakeholder feedback in an efficient, timely manner, in accordance with the Administration's commitment to improving service delivery. By qualitative feedback USCIS means information that provides useful insights on perceptions and opinions, but not responses to statistical surveys that yield quantitative results that can be generalized to the population of study. This feedback will provide information on customer and stakeholder perceptions, experiences and expectations, provide an early warning of issues with service, and/or focus attention on areas where communication, training, or changes in operations might improve delivery of products or services. These collections will allow for ongoing, collaborative and actionable communications between the Agency and its customers and stakeholders and contribute directly to the improvement of program management. Feedback collected under this generic clearance will provide useful information, but it will not be generalized to the overall population. This data collection will not be used to generate quantitative information that is designed to yield reliably actionable results, such as monitoring trends over time or documenting program performance.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* The estimated total number of respondents for the information collection is 3,000 and the estimated hour burden per response is 1.5 hours.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The total estimated annual hour burden associated with this collection is 4,500 hours.

(7) *An estimate of the total public burden (in cost) associated with the collection:* The estimated total annual cost burden associated with this collection of information is \$0.

#### I. 2017 Allocations

##### A. Background

Congress appropriated \$400 million in CDBG-DR funds for necessary expenses for activities authorized under title I of the Housing and Community Development Act of 1974 (HCDA) related to disaster relief, long-term recovery, restoration of infrastructure and housing, and economic revitalization in the most impacted and distressed areas resulting from a qualifying major disaster declared by the President pursuant to the Robert T. Stafford Disaster Relief and Emergency Assistance Act of 1974 (Stafford Act) (42 U.S.C. 5121 *et seq.*) in 2015, 2016, 2017 or later.

Of this amount, HUD previously allocated \$342,200,000 to areas impacted by disasters in 2015 and 2016. The \$57,800,000 allocated under this notice is the remaining amount from \$400 million appropriated under Public Law 115-31.

Public Law 115-31 specifies that the funds allocated for disasters in 2017 or later must be allocated and used under the same authority and conditions as those applicable to CDBG-DR funds appropriated by Public Law 114-223. Therefore, the funds allocated to the State of Texas under this notice are subject to the authority and conditions of Public Law 114-223 and the requirements, waivers, and alternative requirements applicable to CDBG-DR funds appropriated under Public Law 114-223 provided in HUD's **Federal Register** notices published on November 21, 2016, January 18, 2017, and August 7, 2017. These **Federal Register** notices describe the allocation and applicable waivers and alternative requirements, relevant statutory and regulatory requirements, grant award process, criteria for Action Plan approval, and eligible disaster recovery activities for the qualifying disaster.
