Federal Railroad Administration

[Docket Number FRA-2002-13398]

Petition for Waiver of Compliance

Under part 211 of Title 49 Code of Federal Regulations (CFR), this document provides the public notice that on November 8, 2017, the Hillsborough Area Regional Transit Authority (HART) petitioned the Federal Railroad Administration (FRA) for an extension of its existing Shared Use waiver of compliance addressing its limited connection with CSX Transportation (CSX). The petition was assigned docket number FRA-2002-13398.

In its petition, HART seeks to extend the terms and conditions of its Shared Use waiver, originally granted by FRA's Railroad Safety Board (Board) on October 18, 2002, and extended in 2006, 2011, and 2013. This Shared Use waiver is for the continued operation of the TECO Line Streetcar System at a "limited connection" (across the 14th Street automatic interlocking at-grade

rail-rail crossing) with a railroad operated by CSX in Tampa, Florida. Trains belonging to the National Railroad Passenger Corporation (Amtrak) also cross at this location. In its petition, HART sites that there have been no deficiencies with its operation since the last approval in 2013 and that HART, CSX, and Amtrak have continually interfaced with FRA Regional staff to monitor the safety at that location.

Although no relief from any specific regulations is sought, FRA has closely monitored this crossing to ensure that the HART streetcar personnel such as operators and dispatchers regularly communicate with CSX and Amtrak in order to ensure safety at this location. FRA's regular audits at this location focus on operating practices contained in 49 CFR part 217, *Railroad Operating Rules*, in order to ensure that CSX, Amtrak, and streetcar crews are trained properly at this location and understand what to do if signals malfunction or other issues arise.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at www.regulations.gov and in person at the U.S. Department of Transportation's (DOT) Docket Operations Facility, 1200 New Jersey Avenue SE, W12-140, Washington, DC 20590.
