

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purpose of the Act. The Exchange believes the proposed rule change will enhance competition by permitting Exchange trading of additional types of Units, Index-Linked Securities and Managed Trust Securities, which would enhance competition among market participants, to the benefit of investors and the marketplace.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act³⁷ and Rule 19b-4(f)(6) thereunder.³⁸ Because the proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.³⁹

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)⁴⁰ of the Act to determine whether the proposed rule

change should be approved or disapproved.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-82389; File No. SR-CboeBZX-2017-016]

Self-Regulatory Organizations; Cboe BZX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change to Rule 21.5, Minimum Increments, To Extend the Penny Pilot Program

December 22, 2017.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on December 14, 2017, Cboe BZX Exchange, Inc. (the "Exchange" or "BZX") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange has designated this proposal as a "non-controversial" proposed rule change pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(6)(iii) thereunder,⁴ which renders it effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange filed a proposal for the BZX Options Market ("BZX Options") to extend through June 30, 2018, the Penny Pilot Program ("Penny Pilot") in options classes in certain issues ("Pilot Program") previously approved by the Commission.⁵

The text of the proposed rule change is available at the Exchange's website at www.markets.cboe.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

⁵ The rules of BZX Options, including rules applicable to BZX Options' participation in the Penny Pilot, were approved on January 26, 2010. See Securities Exchange Act Release No. 61419 (January 26, 2010), 75 FR 5157 (February 1, 2010) (SR-BATS-2009-031). BZX Options commenced operations on February 26, 2010.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this filing is to extend the Penny Pilot, which was previously approved by the Commission, through June 30, 2018, and to provide revised dates for adding replacement issues to the Pilot Program. The Exchange proposes that any Pilot Program issues that have been delisted may be replaced on the second trading day following January 1, 2018. The replacement issues will be selected based on trading activity for the most recent six month period excluding the month immediately preceding the replacement (*i.e.*, beginning June 1, 2017, and ending November 30, 2017).

The Exchange represents that the Exchange has the necessary system capacity to continue to support operation of the Penny Pilot. The Exchange believes the benefits to public customers and other market participants who will be able to express their true prices to buy and sell options have been demonstrated to outweigh the increase in quote traffic.

2. Statutory Basis

The Exchange believes that its proposal is consistent with the requirements of the Act and the rules and regulations thereunder that are applicable to a national securities exchange, and, in particular, with the requirements of Section 6(b) of the Act.⁶ In particular, the proposal is consistent with Section 6(b)(5) of the Act,⁷ because it would promote just and equitable principles of trade, remove impediments to, and perfect the mechanism of, a free and open market and a national market system. The Exchange believes that the Pilot

Program promotes just and equitable principles of trade by enabling public customers and other market participants to express their true prices to buy and sell options. Accordingly, the Exchange believes that the proposal is consistent with the Act because it will allow the Exchange to extend the Pilot Program prior to its expiration on June 30, 2017. The Exchange notes that this proposal does not propose any new policies or provisions that are unique or unproven, but instead relates to the continuation of an existing program that operates on a pilot basis.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. In this regard, the Exchange notes that the rule change is being proposed in order to continue the Pilot Program, which is a competitive response to analogous programs offered by other options exchanges. The Exchange believes this proposed rule change is necessary to permit fair competition among the options exchanges.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act⁸ and Rule 19b-4(f)(6) thereunder.⁹ Because the proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁰ and Rule 19b-4(f)(6)(iii) thereunder.

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative prior to 30 days after the date of the filing.¹¹ However, pursuant to Rule 19b-4(f)(6)(iii),¹² the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because doing so will allow the Pilot Program to continue without interruption in a manner that is consistent with the Commission's prior approval of the extension and expansion of the Pilot Program and will allow the Exchange and the Commission additional time to analyze the impact of the Pilot Program.¹³ Accordingly, the Commission designates the proposed rule change as operative upon filing with the Commission.¹⁴

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹⁵ of the Act to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act.

In addition, Rule 19b-4(f)(6)(iii) requires the Exchange to give the Commission written notice of the Exchange's intent to file the proposed rule change along with a brief description and the text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this pre-filing requirement.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-82384; File No. 4-714]

Self-Regulatory Organizations; Miami International Securities Exchange, LLC; Order Declaring Effective a Minor Rule Violation Plan

December 21, 2017.

On November 16, 2017, Miami International Securities Exchange, LLC ("Exchange") filed with the Securities and Exchange Commission ("Commission") a proposed minor rule violation plan ("MRVP" or "Plan") pursuant to Section 19(d)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19d-1(c)(2) thereunder.² The proposed MRVP was published for comment on November 28, 2017.³ The Commission received no comments on the proposal. This order declares the Exchange's proposed MRVP effective.

The Exchange's MRVP specifies the rule violations which will be included in the Plan and will have sanctions not exceeding \$2,500. Any violations which are resolved under the MRVP would not be subject to the provisions of Rule 19d-1(c)(1) of the Act,⁴ which requires that a self-regulatory organization ("SRO") promptly file notice with the Commission of any final disciplinary action taken with respect to any person or organization.⁵ In accordance with Rule 19d-1(c)(2) under the Act,⁶ the Exchange proposed to designate certain specified rule violations as eligible for consideration as minor rule violations, and requested that it be relieved of the prompt reporting requirements regarding such violations, provided it gives notice of the violations to the Commission on a quarterly basis.

The Exchange proposed to include in its MRVP the procedures and violations currently included in Exchange Rule

⁴ 17 CFR 240.19d-1(c)(1).

⁵ The Commission adopted amendments to paragraph (c) of Rule 19d-1 to allow SROs to submit for Commission approval plans for the abbreviated reporting of minor disciplinary infractions. See Securities Exchange Act Release No. 21013 (June 1, 1984), 49 FR 23828 (June 8, 1984). Any disciplinary action taken by an SRO against any person for violation of a rule of the SRO which has been designated as a minor rule violation pursuant to a plan filed with and declared effective by the Commission is not considered "final" for purposes of Section 19(d)(1) of the Act if the sanction imposed consists of a fine not exceeding \$2,500 and the sanctioned person has not sought an adjudication, including a hearing, or otherwise exhausted his administrative remedies.

⁶ 17 CFR 240.19d-1(c)(2).

1014 ("Imposition of Fines for Minor Rule Violations").⁷ According to the Exchange's proposed MRVP, under Exchange Rule 1014, the Exchange may impose a fine (not to exceed \$2,500) on any Member, or person associated with or employed by a Member, for any rule listed in Rule 1014(d).⁸ The Exchange shall serve the person against whom a fine is imposed with a written statement setting forth the rule or rules violated, the act or omission constituting each such violation, the fine imposed, and the date by which such determination becomes final or by which such determination must be contested. If the person against whom the fine is imposed pays the fine, the payment shall be deemed to be a waiver of the person's right to a disciplinary proceeding and any review of the matter under the Exchange rules. Any person against whom a fine is imposed may contest the Exchange's determination by filing with the Exchange a written answer, at which point the matter shall proceed under the rules governing formal disciplinary proceedings.

Once the Exchange's MRVP is effective, the Exchange will provide to the Commission a quarterly report for any actions taken on minor rule violations under the MRVP. The quarterly report will include: The disposition date, the name of the firm/individual, the Exchange's internal enforcement number, the review period, the nature of the violation type, the number of the rule that was violated, the

⁷ The Exchange received its grant of registration on December 3, 2012, which included approving the rules that govern the Exchange. See Securities Exchange Act Release No. 68341 (December 3, 2012), 77 FR 73065 (December 7, 2012). See also Securities Exchange Act Release No. 70357 (September 10, 2013), 78 FR 56960 (September 16, 2013) (Notice of Filing and Immediate Effectiveness of a Proposed Rule Change to Amend Exchange Rule 1014).

⁸ While Rule 1014 allows the Exchange to administer fines up to \$5,000, the Exchange is only seeking relief from the reporting requirements of paragraph (c)(1) of Rule 19d-1 for fines administered under Rule 1014(d) that do not exceed \$2,500.

Under the proposed MRVP, violations of the following rules would be appropriate for disposition under the MRVP: Rule 307 (Position Limits); Rule 803 (Focus Reports); Rule 804 (Requests for Trade Data); Rule 520 (Order Entry); Rule 603 (Quotation Parameters); Rule 605 (Execution of Orders in Appointed Options); Rule 314 (Mandatory Systems Testing); Rule 700 (Exercise of Option Contracts); Rule 309 (Exercise Limits); Rule 310 (Reports Related to Position Limits); Rule 403 (Trading in Restricted Classes); Rule 604 (Market Maker Quotations); and Rules 1301, 1302, and 1303 (Failure to Timely File Amendments to Form U4, Form U5, and Form BD). According to the Exchange, Conduct and Decorum Policies under Rule 1014(d)(4) are excluded from the proposed MRVP. See Notice, *supra* note 3.
