

number of times the violation occurred, and the sanction imposed.⁹

The Commission finds that the proposal is consistent with the public interest, the protection of investors, or otherwise in furtherance of the purposes of the Act, as required by Rule 19d–1(c)(2) under the Act,¹⁰ because the MRVP will permit the Exchange to carry out its oversight and enforcement responsibilities as an SRO more efficiently in cases where formal disciplinary proceedings are not necessary due to the minor nature of the particular violation.

In declaring the Exchange’s MRVP effective, the Commission does not minimize the importance of compliance with Exchange rules and all other rules subject to the imposition of sanctions under Exchange Rule 1014. Violation of an SRO’s rules, as well as Commission rules, is a serious matter. However, Exchange Rule 1014 provides a reasonable means of addressing violations that do not rise to the level of requiring formal disciplinary proceedings, while providing greater flexibility in handling certain violations. The Commission expects the Exchange to continue to conduct surveillance and make determinations based on its findings, on a case-by-case basis, regarding whether a violation requires formal disciplinary action or whether a sanction under the MRVP is appropriate.

It is therefore ordered, pursuant to Rule 19d–1(c)(2) under the Act,¹¹ that the proposed MRVP for Miami International Securities Exchange, LLC, File No. 4–714, be, and hereby is, declared effective.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹²

Brent J. Fields,
Secretary.
