Request for Information

To ensure that a 5-year review is complete and based on the best available scientific and commercial information, we request new information from all sources. For specific criteria, see What information do we consider in our review? If you submit information, please support it with documentation such as maps, bibliographic references, methods used to gather and analyze the data, and/or copies of any pertinent publications, reports, or letters by knowledgeable sources. If you submit purported sightings of the species, please also provide supporting documentation in any form to the extent that it is available.

Public Availability of Comments

Before including your address, phone number, email address, or other personal identifying information in your comments, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.
