Proposed Collection; Comment Request

AGENCY: Office of the Assistant Secretary of Defense for Health Affairs, DoD.

ACTION: 60-Day information collection notice.

SUMMARY: In compliance with the *Paperwork Reduction Act of 1995*, the Office of the Assistant Secretary of Defense for Health Affairs announces a proposed public information collection and seeks public comment on the provisions thereof. Comments are invited on: Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; the accuracy of the agency's estimate of the burden of the proposed information collection; ways to enhance the quality, utility, and clarity of the information to be collected; and ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology.

DATES: Consideration will be given to all comments received by March 6, 2018.

ADDRESSES: You may submit comments, identified by docket number and title, by any of the following methods:

- *Federal eRulemaking Portal:* <http://www.regulations.gov>. Follow the instructions for submitting comments.

FOR FURTHER INFORMATION CONTACT: To request more information on this proposed information collection or to obtain a copy of the proposal and associated collection instruments, please contact Defense Health Agency, TRICARE Health Plan (J-10), ATTN: Mark Ellis, 7700 Arlington Boulevard, Falls Church, VA 22042, or call the TRICARE Health Plan, 703-681-0039.

SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: TRICARE Select Enrollment, Disenrollment, and Change Form; DD Form 3043; OMB Control Number 0720-0061.

Needs and Uses: The information collection requirement is necessary to obtain each non-active duty TRICARE beneficiary's personal information needed to: (1) Complete his/her enrollment into the TRICARE Select health plan option, (2) dis-enroll a beneficiary, or (3) change a beneficiary's enrollment information (*e.g.*, address, add a dependent, report other health insurance). This information is required to ensure the beneficiary's TRICARE benefits and claims are administered based on their TRICARE plan of choice. Without this new enrollment form, each non-active duty TRICARE beneficiary is automatically defaulted into direct care, limiting their health care options to military hospitals and clinics. These beneficiaries would have no TRICARE coverage when using the TRICARE network of providers for services not available at their local military hospital or clinic.

Affected Public: Individuals or Households.

Annual Burden Hours: 24,825.

Number of Respondents: 99,300.

Responses per Respondent: 1.

Annual Responses: 99,300.

Average Burden per Response: 15

minutes.

Frequency: On occasion.

Respondents could be any non-active duty TRICARE beneficiary who is not eligible for Medicare. These beneficiaries have the option of enrolling into either the TRICARE Prime or TRICARE Select plan option starting January 1, 2018. Those choosing to enroll in TRICARE Select can do so by submitting the DD Form 3043, using the BWE portal, or calling their Regional Contractor. If they choose to use the DD Form 3043, they must complete the appropriate page(s) of the form and mail the form to their Regional Contractor. No other form is required to enroll, dis-enroll, or change an enrollment. Respondents can download the form from the DoD Forms Management Program website, or click on the link to the form on the *TRICARE.mil* website or their Regional Contractor's website, or obtain a copy from their local military hospital or clinic. The mailing address and toll-free customer service number for their Regional Contractor are included on the DD Form 3043. If using either website option, the respondent can type in the information on the form prior to printing it or handwrite the information after printing the blank form.

Dated: January 2, 2018.

Alternate OSD Federal Register Liaison Officer, Department of Defense.

TRICARE; Notice of TRICARE Prime and TRICARE Select Plan Information for Calendar Year 2018

AGENCY: Office of the Secretary of Defense, Department of Defense.

ACTION: TRICARE Prime and TRICARE Select Plan Information for Calendar Year 2018.

SUMMARY: This notice provides a notice of TRICARE Prime and TRICARE Plan Information for Calendar Year 2018.

DATES: TRICARE health plan information in this notice is valid for services during calendar year 2018 (January 1, 2018–December 31, 2018).

ADDRESSES: Defense Health Agency, TRICARE Health Plan, 7700 Arlington Boulevard, Suite 5101, Falls Church, Virginia 22042-5101.

FOR FURTHER INFORMATION CONTACT: Mr. Mark A. Ellis, (703) 681-0039.

SUPPLEMENTARY INFORMATION: An interim final rule published in the

Federal Register (FR) on September 29, 2017 (82 FR 45438–45461) established the requirement for the Director, Defense Health Agency, to provide a public notice to TRICARE program beneficiaries with a summary of changes to the TRICARE program each calendar year in connection with the open season enrollment period.

The following changes or improvements to the TRICARE program benefits apply for calendar year 2018:

- On January 1, 2018, TRICARE North and South regions will combine to form TRICARE East, while TRICARE West region will remain mostly unchanged. Humana Military will administer the new East region and Health Net Federal Services will administer the West region. This change will allow better coordination between the military hospitals and clinics and the civilian health care providers in each region. Go to <https://tricare.mil/About/Changes/General-TRICARE-Changes/Regions> for more information.

- TRICARE Select will replace TRICARE Standard and TRICARE Extra on January 1, 2018. TRICARE Select brings together the features of TRICARE Standard and TRICARE Extra in a single plan. Select enrollees may obtain care from any TRICARE authorized provider without a referral or authorization. Enrollees who obtain services from TRICARE network providers will pay lower cost sharing amounts for network care.

- All current TRICARE beneficiaries will be automatically enrolled in their respective plan on January 1, 2018. TRICARE Prime plan enrollees will remain in their TRICARE Prime plan. TRICARE Standard and Extra beneficiaries will be enrolled in a TRICARE Select plan.

- Beneficiary out-of-pocket costs: A detailed break-out of beneficiary out-of-pocket costs for 2018 is shown in Appendix A. Some out-of-pocket costs will be announced later in 2018 as we define certain high-value medications

and health care services that will result in lower out of pocket expenses for beneficiaries.

- Improving what’s covered: Beginning January 1, 2018:

- TRICARE Select enrollees may receive most TRICARE Prime clinical preventive services with no copayment when furnished by a network provider.

- TRICARE Prime and TRICARE Select will cover behavioral interventions for obese adults and children/adolescents with certain body mass indexes to promote sustained weight loss with no cost if furnished by a network provider.

- TRICARE will cost share on medically necessary foods and vitamins, including low protein modified food and amino acid preparation products for dietary management of individuals with limited or impaired capacity to absorb other nourishment.

- Beneficiaries can choose to enroll in or change their TRICARE Prime or TRICARE Select coverage during an annual open enrollment period in November-December, 2018 for coverage beginning on January 1, 2019. For calendar year 2019, failure to enroll in TRICARE Prime or TRICARE Select results in the termination of coverage for civilian care. These beneficiaries who choose to not enroll may only receive care at a military clinic or hospital on a space available basis.

- 2018 will be a transition year with a grace period for enrollment. To allow beneficiaries to adjust to making their health care option choices during an annual open season enrollment period or to remember to elect their coverage when a qualifying life event (QLE) occurs, beneficiaries can elect to make their coverage changes anytime during 2018 to ensure they have the right coverage in place starting in 2019.

- Referrals for civilian urgent care visits are no longer needed for most TRICARE Prime enrollees. Most TRICARE Prime enrollees can now seek care at an urgent care center without a referral. Point of Service charges no

longer applies if seen without a referral. As a reminder, after seeking urgent care, it’s always a good idea to contact the primary care manager and arrange follow-up care as needed.

- However, some exceptions still apply. Active Duty Service members (ADSMs) must obtain authorization before seeking urgent care services from civilian providers.

- Active Duty family members enrolled to TRICARE Overseas Program (TOP) Prime/Prime Remote must contact the TOP contractor to obtain an authorization in order to ensure their urgent care visit will be cashless/claimless. Without this authorization, overseas providers may request payment upfront and the beneficiary will then have to submit a claim for reimbursement. Additionally, any ADSM enrolled in TOP Prime/Prime Remote requiring urgent care while on temporary duty or on leave status in the 50 United States and the District of Columbia, may access urgent care without a referral or an authorization.

- For more information, visit tricare.mil/changes or call your regional TRICARE contractor.
