AGENCY: Bureau of Industry and Security, Commerce.

ACTION: Final rule; correcting amendments.

SUMMARY: In this final rule, the Bureau of Industry and Security corrects an error in the text of Export Control Classification Numbers (ECCNs) 0D606, 0E606, and 8A609.

DATES: This rule is effective January 8, 2018.

SUPPLEMENTARY INFORMATION:

Overview

On December 27, 2017, BIS published a final rule, Revisions, Clarifications, and Technical Corrections to the Export Administration Regulations (82 FR 61153) (the December 27 rule), which made corrections to certain provisions of the Export Administration Regulations (EAR), including the Commerce Control List (part 774 of the EAR) (CCL). The corrections were editorial in nature and did not affect

license requirements. In this final rule, BIS is amending ECCNs 0D606 and 0E606 by reinstating original text that was erroneously replaced with the text for ECCNs 0D614 and 0E614, respectively, in the December 27 rule. In addition, this rule reinstates paragraph (2) of the Special Conditions for STA in ECCN 8A609.

Part 774

ECCNs 0D606 and 0E606: The December 27 rule amended ECCN subparagraphs 0D606.a and 0E606.a to include references to ECCNs 0B606 and 0C606. During drafting, the License Requirements section and the text following the revised subparagraphs for both ECCNs was exchanged with the text for ECCNs 0D614 and 0E614, respectively. In order to follow the guidelines of the original preamble, this correction to the December 27 rule restores the original License Requirements section and the text of ECCNs 0D606 and 0E606 following subparagraph .a in both ECCNs. In addition, this rule replaces the incorrect reference to 0D606 with 0E606 in the Special Conditions for STA of ECCN 0E606.

ECCN 8A609: The December 27 rule amended ECCN 8A609 by revising the title reference in these ECCNs to match the current title of § 740.20(g) and in doing so inadvertently removed paragraph (2) of the Special Conditions for STA. This rule restores paragraph (2) of the Special Conditions for STA in ECCN 8A609.

Export Administration Act

Since August 21, 2001, the Export Administration Act of 1979, as amended, has been in lapse. However, the President, through Executive Order 13222 of August 17, 2001, 3 CFR, 2001 Comp., p. 783 (2002), as amended by Executive Order 13637 of March 8, 2013, 78 FR 16129 (March 13, 2013), and as extended by the Notice of August 15, 2017, 82 FR 39005 (August 16, 2017) has continued the EAR in effect under the International Emergency Economic Powers Act (50 U.S.C. 1701 *et seq.*). BIS continues to carry out the provisions of the Export Administration Act, as appropriate and to the extent permitted by law, pursuant to Executive Order 13222 as amended by Executive Order 13637.

Rulemaking Requirements

1. Executive Orders 13563 and 12866 direct agencies to assess all costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits

(including potential economic, environmental, public health and safety effects, distributive impacts, and equity). Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This rule does not impose any regulatory burden on the public and is consistent with the goals of Executive Order 13563. This rule has been designated not significant for purposes of Executive Order 12866. This rule is not an Executive Order 13771 regulatory action because this rule is not significant under Executive Order 12866.

2. This final rule does not contain information collections subject to the requirements of the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) (PRA). Notwithstanding any other provision of law, no person is required to respond to, nor is subject to a penalty for failure to comply with, a collection of information, subject to the requirements of the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) (PRA), unless that collection of information displays a currently valid Office of Management and Budget (OMB) Control Number.

3. This rule does not contain policies with Federalism implications as that term is defined in Executive Order 13132.

4. The Department of Commerce finds that there is good cause under 5 U.S.C. 553(b)(B) to waive the provisions of the Administrative Procedure Act otherwise requiring prior notice and the opportunity for public comment because they are unnecessary. The revisions made by this rule are administrative in nature and do not affect the privileges and obligations of the public. Additionally, it is important that the edits and clarifications are added as soon as possible to prevent improper interpretation of the EAR. The Department also finds that there is good cause under 5 U.S.C. 553(b)(A) to waive the provisions of the Administrative Procedure Act requiring notice and comment because these changes are limited to providing guidance on existing interpretations of current EAR provisions. Because these revisions are not substantive changes to the EAR, the 30-day delay in effectiveness otherwise required by 5 U.S.C. 553(d) is not applicable. No other law requires that a notice of proposed rulemaking and opportunity for public comment be given for this rule. The analytical requirements of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) are not applicable because no general notice of proposed rulemaking was required

for this rule by 5 U.S.C. 553, or by any other law. Accordingly, no regulatory flexibility analysis is required and none has been prepared.

Extension of Sunset Date for Attorney Advisor Program

AGENCY: Social Security Administration.

ACTION: Final rule.

SUMMARY: We are extending for six months our rule authorizing attorney advisors to conduct certain prehearing proceedings and to issue fully favorable decisions. The current rule is scheduled to expire on February 5, 2018. In this final rule, we are extending the sunset date to August 3, 2018. We are making no other substantive changes.

DATES: This final rule is effective January 8, 2018.

FOR FURTHER INFORMATION CONTACT: Susan Swansiger, Office of Hearings Operations, Social Security Administration, 5107 Leesburg Pike, Falls Church, VA 22041, (703) 605–8500. For information on eligibility or filing for benefits, call our national toll-free number, 800–772–1213 or TTY 800–325–0778, or visit our internet site, Social Security Online, at <http://www.socialsecurity.gov>.

SUPPLEMENTARY INFORMATION:

Background of the Attorney Advisor Program

On August 9, 2007, we issued an interim final rule permitting some attorney advisors to conduct certain prehearing proceedings and issue fully

favorable decisions when the documentary record warrants doing so. 72 FR 44763. We instituted this practice to provide more timely service to the increasing number of applicants for Social Security disability benefits and Supplemental Security Income payments based on disability. We considered the public comments we received on the interim final rule, and on March 3, 2008, we issued a final rule without change. 73 FR 11349. Under this rule, some attorney advisors may develop claims and, in appropriate cases, issue fully favorable decisions before a hearing.

We originally intended the attorney advisor program to be a temporary modification to our procedures. Therefore, we included in sections 404.942(g) and 416.1442(g) of the interim final rule a provision that the program would end on August 10, 2009, unless we decided to either terminate the rule earlier or extend it beyond that date by publication of a final rule in the **Federal Register**. Since that time, we have periodically extended the sunset date (see 74 FR 33327 extending to August 10, 2011; 76 FR 18383 extending to August 9, 2013; 78 FR 45459 extending to August 7, 2015; and 80 FR 31990 extending to August 4, 2017). As we noted above, the current sunset date for the program is February 5, 2018. 82 FR 34400.

Explanation of Extension

We published the final rule to adopt without change the interim final rule that we published on August 9, 2007. We stated our intent to monitor the program closely and to modify it if it did not meet our expectations. 73 FR 11349.

We explained in the 2008 final rule that the number of requests for hearings had increased significantly in recent years. From 2008 to the present, the number of pending hearing requests has continued to remain at a high level, and we anticipate that we will receive several hundred thousand hearing requests in fiscal year 2018.¹ We are extending the program at this time while we continue to consider our options with respect to the program.

To preserve the maximum degree of flexibility we need to manage our hearings-level workloads effectively, we have decided to extend the attorney advisor rule for six months until August 3, 2018. As before, we reserve the authority to end the program earlier, to

¹ Our budget estimates indicate that we expect to receive approximately 645,000 hearing requests in fiscal year 2018 (available at: <https://www.ssa.gov/budget/FY18Files/2018BO.pdf>).
