### Foreign-Trade Zones Board

[B–01–2018]

#### **Foreign-Trade Zone (FTZ) 41— Milwaukee, Wisconsin, Notification of Proposed Production Activity, Quad/ Graphics, Inc.—Chemical Research\Technology, (Offset and Gravure Publication Printing Ink), Hartford and Sussex, Wisconsin**

The Port of Milwaukee, grantee of FTZ 41, submitted a notification of proposed production activity to the FTZ Board on behalf of Quad/Graphics, Inc.—Chemical Research\Technology (Quad/Graphics—C\RT), located in Hartford and Sussex, Wisconsin. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on December 5, 2017.

The applicant indicates that it has submitted a separate application for FTZ designation at the Quad/Graphics—C\RT facility under FTZ 41. The facility is used for the production of offset and gravure publication printing ink. Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific foreign-status materials and components and specific finished product described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Quad/Graphics—C\RT from customs duty payments on the foreign-status materials used in export production. On its domestic sales, for the foreign-status materials noted below, Quad/Graphics—C\RT would be able to choose the duty rate during customs entry procedures that applies to offset and gravure publication printing ink (duty rate—1.8%). Quad/Graphics—C\RT would be able to avoid duty on foreign-status materials which become scrap/waste. Customs duties also could possibly be deferred or reduced on foreign-status production equipment.

The materials sourced from abroad include: offset pigments (Yellow 174, Red 57:1 and Blue 15:3); gravure pigments (Yellow 14, Yellow 12, Red 57:1 and Blue 15:4); and, flush pigment preparations for offset heat-set publication printing (Yellow 12, Red 57:1 and Blue 15:3) (duty rate—6.5%).

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is February 20, 2018.

A copy of the notification will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230–0002, and in the “Reading Room” section of the Board's website, which is accessible via [www.trade.gov/ftz](http://www.trade.gov/ftz).

For further information, contact Diane Finver at [Diane.Finver@trade.gov](mailto:Diane.Finver@trade.gov) or (202) 482–1367.

Dated: January 3, 2018.

**SUPPLEMENTARY INFORMATION:**

## Background

On July 7, 2017, Commerce published its *Preliminary Rescission and Preliminary Results*,<sup>1</sup> and gave parties an opportunity to comment. For events subsequent to the *Preliminary Rescission and Preliminary Results*, see the accompanying Issues and Decision Memorandum. On October 30, 2017,<sup>2</sup> in accordance with section 751(a)(3)(A) of the Tariff Act of 1930, as amended (Act), Commerce extended the deadline for issuing the final results by 60 days until January 3, 2018.

## Scope of the Order

The product covered by the order is honey. For a complete description of the scope of this order, see the accompanying Issues and Decision Memorandum.<sup>3</sup>

## Analysis of Comments Received

All issues raised in the case and rebuttal briefs by parties to this administrative review and new shipper review are addressed in the Issues and Decision Memorandum.<sup>4</sup> In the Appendix to this notice, we have provided a list of the issues raised by parties. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov> and in Commerce's Central Records Unit, room B8024 of the main Department of Commerce building. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly on the internet at <http://enforcement.trade.gov/frn/>. The signed Issues and Decision Memorandum and the electronic versions of the Issues and Decision Memorandum are identical in content.

## Separate Rates

In the *Preliminary Rescission and Preliminary Results*, Commerce determined that Shanghai Sunbeauty Trading Co., Ltd. (Sunbeauty) did not meet the criteria for separate rate status.<sup>5</sup> After the *Preliminary Results*, Sunbeauty provided a submission of new factual information, which included U.S. Customs and Border Protection (CBP) entry documentation.<sup>6</sup> However, Commerce has determined that Sunbeauty still failed to demonstrate its eligibility for a separate rate.<sup>7</sup> Accordingly, Sunbeauty continues to be considered as part of the China-wide entity.

## New Shipper Review

In the *Preliminary Rescission and Preliminary Results*, Commerce determined that Jiangsu Runchen Agricultural/Sideline Foodstuff Co., Ltd. (Jiangsu Runchen) failed to provide documents needed to determine whether its sales during the POR were *bona fide* sales; accordingly, Commerce preliminarily rescinded the NSR. As explained in the *Preliminary Rescission and Preliminary Results*, section 751(a)(2)(B)(iv) of the Act requires that any weighted average dumping margin determined in a NSR must be based on *bona fide* sales. Jiangsu Runchen did not provide a timely response to Commerce's C/D questionnaire for Commerce to examine if it had *bona fide* sales during the POR and requested an untimely extension to submit its C/D questionnaire response. However, we denied the request as it failed to meet the "extraordinary circumstances" standard. Having found that it could not conduct the required *bona fide* analysis and, thus, could not rely on Jiangsu Runchen's sales to calculate a dumping margin, Commerce preliminarily rescinded the NSR. Jiangsu Runchen did not comment on the *Preliminary Rescission and Preliminary Results*.

With no new information on the record, Commerce continues to find that it cannot conduct the required *bona fide* analysis and, therefore, cannot rely on Jiangsu Runchen's sales to calculate a dumping margin. Accordingly, Commerce is rescinding the new shipper with respect to Jiangsu Runchen.

<sup>5</sup> See *Preliminary Rescission*, and accompanying Preliminary Decision Memorandum at 10–11.

<sup>6</sup> See *Sunbeauty New Factual Submission* at 2–4.

<sup>7</sup> See accompanying Issues and Decision Memorandum.

## Final Results of New Shipper Review and Administrative Review

In making our findings, because Sunbeauty was unable to provide evidence of a suspended entry of subject merchandise into the United States during the POR and is thus ineligible to receive a separate rate, we are treating Sunbeauty as part of the China-wide entity, the rate for which is \$2.63 per kilogram. Furthermore, because Commerce rescinded the review with respect to Jiangsu Runchen, the company remains a part of the China-wide entity. For a full description of the methodology underlying our final conclusions, see the accompanying Issues and Decision Memorandum.

## Duty Assessment Rates

Pursuant to 19 CFR 351.212(b), Commerce will determine, and the U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries. Commerce intends to issue assessment instructions to CBP 15 days after the publication of the final results of this new shipper review and administrative review. We will instruct CBP to liquidate entries of subject merchandise from the China-wide entity at the China-wide rate.

## Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the notice of the final results of this administrative review and new shipper review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) For subject merchandise exported by Jiangsu Runchen and Sunbeauty, the cash deposit rate will continue to be the China-wide rate (*i.e.*, \$2.63 per kilogram); (2) for previously investigated or reviewed China and non-China exporters not listed above that have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recently completed period; (3) for all China exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the China-wide rate of \$2.63 per kilogram; and, (4) for all non-China exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the China exporter(s) that supplied that non-China exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

## Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

## Administrative Protective Order

This notice also serves as a final reminder to parties subject to administrative protective order (APO) in this administrative review of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Commerce is issuing and publishing these final results in accordance with sections 751(a)(1), 751(a)(2)(B), and 777(i)(1) of the Act, and 19 CFR 351.214 and 19 CFR 351.221(b)(4).

Dated: January 3, 2018.

*Deputy Assistant Secretary for Policy and Negotiations.*
