Certain Uncoated Groundwood Paper From Canada: Preliminary Affirmative Countervailing Duty Determination, and Alignment of Final Determination With Final Antidumping Duty Determination

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily determines that countervailable subsidies are being provided to producers and exporters of certain uncoated groundwood paper (UGW paper) from Canada. The period of investigation is January 1, 2016, through December 31, 2016.

DATES: Applicable January 16, 2018.

FOR FURTHER INFORMATION CONTACT: David Crespo or Whitley Herndon, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-3693 or (202) 482-6274, respectively.

SUPPLEMENTARY INFORMATION:

Background

This preliminary determination is made in accordance with section 703(b) of the Tariff Act of 1930, as amended (the Act). Commerce published the notice of initiation of this investigation

on September 1, 2017.¹ On October 19, 2017, Commerce postponed the preliminary determination of this investigation and the revised deadline is now January 8, 2018.² For a complete description of the events that followed the initiation of this investigation, see the Preliminary Decision Memorandum.³ A list of topics discussed in the Preliminary Decision Memorandum is included as Appendix II to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>, and is available to all parties in the Central Records Unit, room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/>. The signed and electronic versions of the Preliminary Decision Memorandum are identical in content.

Scope of the Investigation

The product covered by this investigation is UGW paper from Canada. For a complete description of the scope of this investigation, see Appendix I.

Scope Comments

In accordance with the preamble to Commerce's regulations,⁴ the *Initiation Notice* set aside a period of time for parties to raise issues regarding product coverage, (*i.e.*, scope).⁵ Certain interested parties commented on the scope of the investigation as it appeared in the *Initiation Notice*.

Commerce intends to issue its preliminary decision regarding comments concerning the scope of the antidumping (AD) and countervailing duty (CVD) investigations in the preliminary determination of the companion AD investigation.

¹ See *Certain Uncoated Groundwood Paper from Canada: Initiation of Countervailing Duty Investigation*, 82 FR 41603 (September 1, 2017) (*Initiation Notice*).

² See *Certain Uncoated Groundwood Paper from Canada: Postponement of Preliminary Determination of Countervailing Duty Investigation*, 82 FR 48681 (October 19, 2017).

³ See Memorandum, "Decision Memorandum for the Preliminary Determination in the Countervailing Duty Investigation of Certain Uncoated Groundwood Paper from Canada," dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

⁴ See *Antidumping Duties; Countervailing Duties, Final Rule*, 62 FR 27296, 27323 (May 19, 1997).

⁵ See *Initiation Notice*.

Methodology

Commerce is conducting this investigation in accordance with section 701 of the Act. For each of the subsidy programs found countervailable, Commerce preliminarily determines that there is a subsidy, *i.e.*, a financial contribution by an “authority” that gives rise to a benefit to the recipient, and that the subsidy is specific.⁶

Commerce notes that, in making these findings, it relied, in part, on facts available and, because it finds that one or more respondents did not act to the best of their ability to respond to Commerce’s requests for information, it drew an adverse inference where appropriate in selecting from among the facts otherwise available.⁷ For further information, *see* “Use of Facts Otherwise Available and Adverse Inferences” in the Preliminary Decision Memorandum.

Alignment

As noted in the Preliminary Decision Memorandum, in accordance with section 705(a)(1) of the Act and 19 CFR 351.210(b)(4), Commerce is aligning the final CVD determination in this investigation with the final determination in the companion AD investigation of UGW paper from Canada based on a request made by the petitioner.⁸ Consequently, the final CVD determination will be issued on the same date as the final AD determination, which is currently scheduled to be issued no later than May 22, 2018, unless postponed.

All-Others Rate

Sections 703(d) and 705(c)(5)(A) of the Act provide that in the preliminary determination, Commerce shall determine an estimated all-others rate for companies not individually examined. This rate shall be an amount equal to the weighted average of the estimated subsidy rates established for those companies individually examined, excluding any zero and *de minimis* rates and any rates based entirely under section 776 of the Act.

In this investigation, Commerce calculated individually estimated countervailable subsidy rates for Catalyst Paper Corporation (Catalyst), Kruger Trois-Rivieres L.P. (Kruger), and Resolute FP Canada Inc. (Resolute), that

are not zero, *de minimis*, or based entirely on facts otherwise available.⁹ Commerce calculated the all-others rate using a weighted-average of the individually estimated subsidy rates calculated for the examined respondents using each company’s business proprietary data for the merchandise under consideration.¹⁰

Preliminary Determination

Commerce preliminarily determines that the following estimated countervailable subsidy rates exist:

Company	Ad Valorem, subsidy rate (percent)
Catalyst Paper Corporation ¹¹ ..	6.09
Kruger Trois-Rivieres L.P. ¹²	9.93
Resolute FP Canada Inc. ¹³	4.42
White Birch Paper Canada Company NSULC ¹⁴	* 0.65
All-Others	6.53

* *de minimis*.

Suspension of Liquidation

In accordance with section 703(d)(1)(B) and (d)(2) of the Act, Commerce will direct U.S. Customs and Border Protection (CBP) to suspend liquidation of entries of subject merchandise as described in the scope of the investigation section entered, or withdrawn from warehouse, for consumption on or after the date of publication of this notice in the **Federal Register**. Further, pursuant to 19 CFR 351.205(d), Commerce will instruct CBP to require a cash deposit equal to the rates indicated above. Because the subsidy rate for White Birch is *de minimis*, Commerce is directing CBP not to suspend liquidation of entries of the merchandise from this company.

⁹ See *MacLean-Fogg Co. v. United States*, 753 F.3d 1237 (Fed. Cir. 2014) (holding that voluntary respondents are considered “individually investigated” for purposes of calculating the all-others rate). Commerce accepted White Birch Paper Canada Company NSULC (White Birch) as a voluntary respondent in this investigation. However, we have preliminarily calculated a *de minimis* subsidy rate for White Birch; thus, in accordance with Sections 703(d) and 705(c)(5)(A) of the Act, we have not included White Birch’s *de minimis* subsidy rate in the calculation of the all-others rate for this preliminary determination.

¹⁰ See Memorandum, “Countervailing Duty Investigation of Certain Uncoated Groundwood Paper from Canada: All Others Rate Calculation for Preliminary Determination,” dated January 8, 2018.

¹¹ As discussed in the Preliminary Decision Memorandum, Commerce has found the following companies to be cross-owned with Catalyst Paper Corporation: Catalyst Paper, Catalyst Pulp Operations Limited, and Catalyst Pulp and Paper Sales Inc.

¹² As discussed in the Preliminary Decision Memorandum, Commerce has found the following companies to be cross-owned with Kruger Trois-Rivieres L.P.: Kruger Publication Papers Inc., Corner Brook Pulp and Paper Limited, Kruger Energy

Disclosure

Commerce intends to disclose its calculations and analysis performed to interested parties in this preliminary determination within five days of its public announcement, or if there is no public announcement, within five days of the date of this notice in accordance with 19 CFR 351.224(b).

Verification

As provided in section 782(i)(1) of the Act, Commerce intends to verify the information relied upon in making its final determination.

If a request for a hearing is made, Commerce intends to hold the hearing at the U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230, at a time and date to be determined. Parties should confirm by telephone the date, time, and location of

Bromptonville LP, Kruger Holdings L.P., Kruger Holdings GP Inc., and Kruger Inc.

Carbon and Alloy Steel Wire Rod From Ukraine: Affirmative Final Determination of Sales at Less Than Fair Value

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce

SUMMARY: The Department of Commerce (Department) determines that imports of carbon and alloy steel wire rod (wire rod) from Ukraine are being, or are likely to be, sold in the United States at less than fair value (LTFV). The final estimated weighted-average dumping margins of sales at LTFV are listed below in the section entitled “Final Determination.” The period of investigation is January 1, 2016, through December 31, 2016.

DATES: Applicable January 16, 2018.

FOR FURTHER INFORMATION CONTACT: Julia Hancock or Courtney Canales, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–1394, or (202) 482–4997, respectively.

SUPPLEMENTARY INFORMATION:

¹⁷ The following HTSUS numbers are no longer active as of January 1, 2017: 4801.00.0020, 4801.00.0040, 4802.61.3010, 4802.61.3091, and 4802.62.6040.

Background

On October 31, 2017, the Department published the *Preliminary Determination* in the **Federal Register**.¹ The petitioners in this investigation are Gerdau Ameristeel US Inc., Nucor Corporation, Keystone Consolidated Industries, Inc., and Charter Steel (collectively, the petitioners). The mandatory respondents in this investigation are ArcelorMittal Steel Kryvyi Rih OJSC (AMKR) and Public Joint Stock Company (PJSC) Yenakiieve Steel (Yenakiieve).² In the *Preliminary Determination*, the Department determined that the application of facts available with an adverse inference (AFA) was warranted as a result of AMKR's and Yenakiieve's failure to cooperate and provide complete, useable data in this investigation.

A summary of the events that occurred since the Department published the *Preliminary Determination*, as well as a full discussion of the issues raised by parties for this final determination, may be found in the accompanying Issues and Decision Memorandum.³ The Issues and Decision Memorandum is a public document, and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>, and to all parties in the Central Records Unit, room B8024 of the main Department of Commerce building. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <http://enforcement.trade.gov>. The signed and electronic versions of the Issues and Decision Memorandum are identical in content.

Scope of the Investigation

The products covered by this investigation are generally described as

¹ See *Carbon and Alloy Steel Wire Rod from Ukraine: Preliminary Affirmative Determination of Sales at Less Than Fair Value*, 82 FR 50375 (October 31, 2017) (Preliminary Determination) and accompanying Preliminary Decision Memorandum.

² The Department preliminarily determined not to further examine Duferco S.A. (Duferco) as part of this investigation because the evidence does not show that Duferco made any sales of subject merchandise in the United States during the POI. For the final determination, we continue to find that Duferco had no sales of subject merchandise during the POI. As such, any entries of subject merchandise exported by Duferco will be subject to the All-Others Rate.

³ See Memorandum, “Issues and Decision Memorandum for the Final Affirmative Determination in the Less-Than-Fair-Value Investigation of Carbon and Alloy Steel Wire Rod from Ukraine,” dated concurrently with this determination and hereby adopted by this notice (Issues and Decision Memorandum).

¹⁶ Supercalendering imparts a glossy finish produced by the movement of the paper web through a supercalender which is a stack of alternating rollers of metal and cotton (or other softer material). The supercalender runs at high speed and applies pressure, heat, and friction which glazes the surface of the paper, imparting gloss to the surface and increasing the paper's smoothness and density.
