**Approval of Subzone Status; Orgill, Inc., Tifton, Georgia**

On November 22, 2017, the Executive Secretary of the Foreign-Trade Zones (FTZ) Board docketed an application submitted by the Brunswick and Glenn County Development Authority, grantee of FTZ 144, requesting subzone status subject to the existing activation limit of FTZ 144, on behalf of Orgill, Inc., in Tifton, Georgia.

**Crystalline Silicon Photovoltaic Cells, Whether or Not Assembled Into Modules, From the People's Republic of China: Final Results of Changed Circumstances Reviews, and Revocation of Antidumping and Countervailing Duty Orders, in Part**

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** On December 26, 2017, the Department of Commerce (Commerce) published its preliminary results of changed circumstances reviews (CCRs) and intent to revoke, in part, the antidumping duty (AD) and countervailing duty (CVD) orders on crystalline silicon photovoltaic cells, whether or not assembled into modules, from the People's Republic of China (China) with respect to certain solar panels (collectively, the *Orders*). Specifically, Commerce preliminarily determined that the producers accounting for substantially all of the production of the domestic like product to which the *Orders* pertain lacked interest in the relief provided by the *Orders* with respect to certain solar panels of a sufficiently small size, voltage, amperage, and wattage, among other characteristics, as described below. Commerce invited interested parties to comment on the preliminary results. No party submitted comments. For the final results of these CCRs, Commerce is revoking, in part, the *Orders* as to imports of certain solar panels as described below.

**DATES:** Applicable January 18, 2018.
