#### SUPPLEMENTARY INFORMATION:

##### A. Purpose

When the Government awards a cost-reimbursement construction contract, the contractor must submit to the contracting officer—and keep current a chart showing the general executive and administrative organization—the personnel to be employed in connection with the work under the contract, and their respective duties. The chart is used in the administration of the contract and as an aid in determining cost. The chart is used by contract administration personnel to assure the work is being properly accomplished at reasonable prices.

The burden hours under FAR 52.236–19 were reduced based on FY 2017 FPDS data that showed the actual number of respondents for this type of requirement. A notice published in the **Federal Register** at 82 FR 51254 on November 3, 2017. No comments were received.

##### B. Annual Reporting Burden

*Respondents:* 19.  
*Responses per Respondent:* 1.  
*Annual Responses:* 19.  
*Hours per Response:* .75.  
*Total Burden Hours:* 14.

##### C. Public Comments

Public comments are particularly invited on: Whether this collection of information is necessary for the proper performance of functions of the FAR,

and whether it will have practical utility; whether our estimate of the public burden of this collection of information is accurate, and based on valid assumptions and methodology; ways to enhance the quality, utility, and clarity of the information to be collected; and ways in which we can minimize the burden of the collection of information on those who are to respond, through the use of appropriate technological collection techniques or other forms of information technology.

**Obtaining Copies of Proposals:** Requesters may obtain a copy of the information collection documents from the General Services Administration, Regulatory Secretariat Division (MVCB), 1800 F Street NW, Washington, DC 20405, telephone 202–501–4755.
