

Estimated number of respondents: 4.
Estimated average hours per response: 0.17.

Estimated annual burden hours: 51.

General Description of Report: The FR G-3, FR T-4, and FR U-1 purpose statements, which are completed by the borrower and the lender (brokers and dealers, in the case of the FR T-4), consist of three parts. The borrower completes Part I of the reporting form and is required to do the following: State the amount of the loan and whether the purpose of the loan is to purchase, carry, or trade in securities (pursuant to Regulation T) or purchase or carry margin stock (pursuant to Regulation U) and, if not, describe the specific purpose of the loan. FR T-4 respondents must also answer a question as to whether the securities serving as collateral will be delivered against payment. The borrower must sign and date the reporting form. The lender completes Part II, which may entail listing and valuing any collateral. The lender then signs and dates Part III of the reporting form, acknowledging that the customer's statement is accepted in good faith. The lender is required to hold the reporting forms for at least three years after the credit is extinguished. The Federal Reserve System does not collect or process this information, but as noted, the information required on the form may be used by Federal Reserve examiners to assess compliance with the Securities Exchange Act of 1934 and Regulation T.

Proposed revisions: The Board proposes to revise the instructions for the FR G-1, FR G-2, and FR G-4 to require respondents to submit Portable Document Format (PDF) versions of the reporting forms and attachments to a designated Federal Reserve Board email address. The Board is proposing these revisions in an effort to improve clarity as the current instructions do not contain explicit guidance on the form of submission for the reports. The revisions would be effective April 1, 2018.

The Board also proposes to consolidate all six Margin Credit Reports under one OMB control number, 7100-0011, which currently only includes the FR G-1, FR G-2, and FR G-4. This change is aimed at simplifying the tracking and clearance process for the Margin Credit Reports.

Legal authorization and confidentiality: The Board has determined that each of the reports is authorized by section 7 of the Act (15 U.S.C. 78g). In addition, FR T-4 is required by section 220.6 of Regulation T (12 CFR 220.6), FR U-1 is required by sections 221.3(c)(1)(i) and (2)(i) of

Regulation U (12 CFR 221.3(c)(1)(i) and (2)(i)), and FR G-1, FR G-2, FR G-3, and FR G-4 are required by sections 221.3(b)(1), (2), and (3), and (c)(1)(ii) and (2)(ii) of Regulation U (12 CFR 221.3(b)(1), (2), and (3), and (c)(1)(ii) and (2)(ii)).

FR G-1 and FR G-4 collect financial information, including a balance sheet, from nonbank lenders subject to Regulation U. Some of these lenders may be individuals or nonbank entities that do not make this information publicly available; release could therefore cause substantial harm to the competitive position of the respondent or result in an unwarranted invasion of personal privacy. In those cases, the information could be withheld under exemption 4 or exemption 6 of the Freedom of Information Act (5 U.S.C. 552(b)(4) and (6)), respectively. Confidentiality determinations must be made on a case by case basis. Because FR G-3, FR T-4, and FR U-1 are not submitted to the Federal Reserve System and FR G-2 does not contain any information considered to be confidential, no confidentiality determination is necessary for these reports.

Board of Governors of the Federal Reserve System, January 17, 2018.

Ann E. Misback,

Secretary of the Board.

SUPPLEMENTARY INFORMATION: On June 15, 1984, the Office of Management and Budget (OMB) delegated to the Board authority under the Paperwork Reduction Act (PRA) to approve of and assign OMB control numbers to collection of information requests and requirements conducted or sponsored by the Board. directed to take every reasonable step to solicit comment. In determining whether to approve a collection of information, the Board will consider all comments received from the public and other agencies.

Request for Comment on Information Collection Proposal

The Board invites public comment on the following information collection, which is being reviewed under authority delegated by the OMB under the PRA. Comments are invited on the following:

- a. Whether the proposed collection of information is necessary for the proper performance of the Federal Reserve's functions; including whether the information has practical utility;
- b. The accuracy of the Federal Reserve's estimate of the burden of the proposed information collection, including the validity of the methodology and assumptions used;
- c. Ways to enhance the quality, utility, and clarity of the information to be collected;
- d. Ways to minimize the burden of information collection on respondents, including through the use of automated collection techniques or other forms of information technology; and
- e. Estimates of capital or startup costs and costs of operation, maintenance, and purchase of services to provide information.

At the end of the comment period, the comments and recommendations received will be analyzed to determine the extent to which the Federal Reserve should modify the proposal prior to giving final approval.

Proposal to approve under OMB delegated authority the extension for three years, without revision, of the following report:

Report title: Recordkeeping Requirements Associated with Limitations on Interbank Liabilities.

Agency form number: Regulation F. OMB control number: 7100-0331.

Frequency: On occasion.

Respondents: Depository institutions insured by the Federal Deposit Insurance Corporation (FDIC).

Estimated number of respondents: State member banks: 829; non-member banks: 3,396; national banks: 921; state savings banks: 309; federal savings banks: 228; savings & loan associations: 195; insured federal branch of foreign banking organization: 4; insured state branch of foreign banking organization: 6; non-depository trust company member: 2; cooperative banks: 33.

Estimated average hours per response: 8 hours.

Estimated annual burden hours: State member banks: 6,632; non-member

banks: 27,168; national banks: 7,368; state savings banks: 2,472; federal savings banks: 1,824; savings & loan associations: 1,560; insured federal branch of foreign banking organization: 32; insured state branch of foreign banking organization: 48; non-depository trust company member: 16; cooperative banks: 264.

General description of report: Section 206.3 of the Board's Regulation F, 12 CFR 206.3, requires insured depository institutions to establish and maintain policies and procedures designed to prevent excessive exposure to "correspondents," which include non-affiliated U.S. insured depository institutions and non-affiliated foreign banks. Regulation F limits the risks that the failure of a correspondent would pose to insured depository institutions. Where exposure to a correspondent is significant, the policies and procedures shall require periodic reviews of the financial condition of the correspondent and shall take into account any deterioration in the correspondent's financial condition. Where the financial condition of the correspondent and the form or maturity of the exposure create a significant risk that payments will not be made in full or in a timely manner, the policies and procedures should limit the bank's exposure to the correspondent, either by the establishment of internal limits or by other means.

The Board has updated its burden estimate for this information collection to account for all depository institutions insured by the Federal Deposit Insurance Corporation (FDIC), all of which are potential respondents. The Board's previous burden estimate accounted only for state member banks. The increase in burden reflects the update to correct the number of potential respondents, and is not due to a change in burden for individual institutions.

Legal authorization and confidentiality: The Board's Legal Division has determined that the recordkeeping requirements of Regulation F are mandatory and authorized by section 23 of the Federal Reserve Act, as added by section 308 of the Federal Deposit Insurance Corporation Improvement Act of 1991 (FDICIA) (12 U.S.C. 371b-2). Because the Board does not collect any information, no issue of confidentiality normally arises. However, if a compliance program becomes a Board record during an examination, the information may be protected from disclosure under exemptions (b)(4) and (b)(8) of the Freedom of Information Act (5 U.S.C. 552(b)(4) and (b)(8)).

Secretary of the Board.
