

*Frequency of Response:* Annual reporting requirement.

*Total Annual Burden:* 5,096 hours.

*Total Annual Cost:* None.

*Obligation To Respond:* Mandatory.

The statutory authority for this information collection is in Sections 4(i) and 623(k) of the Communications Act of 1934, as amended.

*Nature and Extent of Confidentiality:*

If individual respondents to this survey wish to request confidential treatment of any data provided in connection with this survey, they can do so upon written request, in accordance with Sections 0.457 and 0.459 of the Commission's rules. To request confidential treatment of their data, respondents must describe the specific information they wish to protect and provide an explanation of why such confidential treatment is appropriate. If a respondent submits a request for confidentiality, the Commission will review it and make a determination.

*Privacy Impact Assessment:* No impact(s).

*Needs and Uses:* The Cable Television Consumer Protection and Competition Act of 1992 ("Cable Act") requires the Commission to publish annually a report on average rates for basic cable service, cable programming service, and equipment. The report must compare the prices charged by cable operators subject to effective competition and those that are not subject to effective competition. The Annual Cable Industry Price Survey is intended to collect the data needed to prepare that report. The data from these questions are needed to complete this report.

### Information Collection Being Submitted to the Office of Management and Budget

**AGENCY:** Federal Communications Commission.

**ACTION:** Notice and request for comments.

**SUMMARY:** As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act (PRA) of 1995, the Federal Communications Commission (Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collection. Comments are requested concerning: Whether the collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

The Commission may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to
