Previous Request for Comments

This request provides a 30-day comment period required by OIRA. The Coast Guard published the 60-day notice (80 FR 62079, December 14, 2015) required by 44 U.S.C. 3506(c)(2). That Notice elicited one comment.

We did receive one comment on the earlier submission of this ICR. The commenter requested that we provide more detail on the progress of an application while it is being processed. Although this is not a comment directed at the collection, we do provide the following response.

Accordingly, no changes have been made to the Collections. The Coast Guard provides process guides and general requirements to assist with the applications required for a Merchant Mariner. These are available upon the National Maritime Center (NMC) website at www.uscg.mil/nmc.

These guides detail the processes that are followed for the evaluation of merchant mariners. Furthermore, during the mariner evaluation process, the applicants are provided email updates (if email address is provided) detailing the status of their application(s).

The Coast Guard published a second 60-day Notice (82 FR 49639, October 26, 2017) required by 44 U.S.C. 3506(c)(2). This was done due to the length of time that elapsed since posting of the initial 60-day Notice. That Notice elicited no comment. Accordingly, no changes have been made to the Collection.
