[Docket No. NIFA–2018–001]

Notice of Public Meeting for the Interagency Working Group on Aquaculture

AGENCY: National Institute of Food and Agriculture, USDA.

ACTION: Notice of public meeting for the Interagency Working Group on Aquaculture of the Committee on Science of the National Science and Technology Council.

SUMMARY: The U.S. Department of Agriculture (USDA) National Institute of Food and Agriculture (NIFA) is publishing this notice on behalf of the Interagency Working Group on Aquaculture (IWGA) of the Committee on Science of the National Science and Technology Council to announce a public meeting of this group. This public meeting provides an opportunity for the IWGA to discuss ongoing and planned activities in support of aquaculture development in the United States. The U.S. Department of Agriculture (USDA) National Institute of Food and Agriculture (NIFA) is publishing this notice on behalf of the Interagency Working Group on Aquaculture (IWGA) of the Committee on Science of the National Science and Technology Council to announce a public meeting of this group. This public meeting provides an opportunity for stakeholders to discuss issues of relevance to the IWGA members in attendance.

DATES: The meeting is scheduled for Tuesday, February 20, 2018 from 1:30 p.m. until 5:00 p.m. local time (Pacific Time).

ADDRESSES: The Aquaculture America 2018 Conference will take place at the Paris Las Vegas Hotel, 3655 Las Vegas Boulevard South Las Vegas, NV 89109. See SUPPLEMENTARY INFORMATION for additional information.

FOR FURTHER INFORMATION CONTACT: IWGA Chair andAquaculture National Program Leader Dr. Gene Kim, USDA NIFA; email Gene.W.Kim@nifa.usda.gov.

SUPPLEMENTARY INFORMATION: The Interagency Working Group on Aquaculture (formerly known as the Joint Subcommittee on Aquaculture) was created by the National Aquaculture Act of 1980 (Pub. L. 96–362, 94 Stat. 198, 16 U.S.C. 2801, et seq.) and is chaired by the Department of Agriculture, with vice-chairs from the Department of Commerce and Department of the Interior. The IWGA conducts public meetings for stakeholders to discuss issues of relevance to the IWGA members in attendance. This notice invites the public to participate in this IWGA meeting. The location is at the Aquaculture America 2018 Conference venue, which allows for stakeholder interaction at what is likely the largest gathering of U.S. aquaculture stakeholders. The IWGA addresses issues of national scope and importance and may form national task forces or special projects to facilitate a coordinated, systematic approach to addressing critical issues and needs. More information is available at http://www.ars.usda.gov/iwga.

This notice invites the public to participate in this IWGA meeting. The location is at the Aquaculture America 2018 Conference venue, which allows for stakeholder interaction at what is likely the largest gathering of U.S. aquaculture stakeholders. The IWGA addresses issues of national scope and importance and may form national task forces or special projects to facilitate a coordinated, systematic approach to addressing critical issues and needs. More information is available at http://www.ars.usda.gov/iwga.
be a discussion of stakeholder issues of concern, will not be considered formal public input on regulations, as the IWGA is not a regulatory body. Responses to this notice may be used by the government for program planning on a non-attribution basis. Information obtained from the discussions occurring during this meeting may be used for program planning and federal coordination among Federal agencies, and may guide future Federal agencies’ activities that are national in scope.

USDA requests that no business proprietary information or copyrighted information be submitted in response to this notice. No registration or fee is needed to attend this IWGA meeting. Please note that there will be no other method for interaction for this meeting, aside from in-person attendance. Participants are encouraged, but not required, to email their contact information to the email address below for planning purposes: Dr. Maxwell Mayeaux, Aquaculture Program Specialist, USDA NIFA at: mmayeaux@nifa.usda.gov.

The agenda for this meeting is as follows:

**Agenda**

I. Overview of Interagency Working Group on Aquaculture Activities

II. Reports on Federal Interagency Initiatives
   a. Agency updates on regulatory reform
   b. Overview of national aquaculture statistics reporting and the Census of Aquaculture
   c. Interagency collaboration on research, extension and outreach activities
   d. Other Agency Updates

III. Public questions and discussion on IWGA activities

Done at Washington, DC, on January 19, 2018.

Sonny Ramaswamy,
Director, National Institute of Food and Agriculture

**SUPPLEMENTARY INFORMATION:**

**I. Abstract**

The U.S. Census Bureau plans to request an extension of the current Office of Management and Budget (OMB) clearance of the Quarterly Services Survey (QSS). The QSS covers employer firms with establishments located in the United States and classified in select service industries as defined by the North American Industry Classification System (NAICS). The QSS coverage currently includes all or parts of the following NAICS sectors: Utilities (excluding government owned); transportation and warehousing (except rail transportation and postal); information; finance and insurance (except funds, trusts, and other financial intermediaries); professional, scientific, and technical services (except offices of practitioners); administrative and support services; wholesale trade; retail trade; accommodation and food services; transportation and warehousing (except government owned); education; public administration; health care and social assistance; arts, entertainment, and recreation; accommodation; and other services (except public administration). The primary estimates produced from the QSS are quarterly estimates of total operating revenue and the percentage of revenue by source. The survey also produces estimates of the number of inpatient days and discharges, and for select industries in the arts, entertainment, and recreation sector, the survey produces estimates of admissions revenue.

Firms are selected for the QSS using a stratified design with strata defined by industry, tax status, and estimated size based on annual revenue. The sample is a subsample of firms from the larger Service Annual Survey (OMB# 0607–0422). Each quarter the QSS sample is updated to reflect the addition of new businesses and the removal of firms that have gone out-of-business.

The Bureau of Economic Analysis uses the survey results as input to its quarterly Gross Domestic Product (GDP) and GDP by industry estimates. The estimates provide the Federal Reserve Board and Council of Economic advisors with timely information to assess current economic performance. The Centers for Medicare and Medicaid Services use the QSS estimates to develop hospital-spending estimates for the National Accounts. Other government and private stakeholders also benefit from a better understanding of important cyclical components of the U.S. service economy.

We do not plan any changes to the forms.

**II. Method of Collection**

We will collect this information by internet, mail, facsimile, and telephone follow-up. Approximately half of the QSS respondents are mailed a full paper form that provides the option for submission by internet, mail, or facsimile. The remaining half of respondents are mailed only their username and password providing for submission by internet. Respondents that report via the internet in any given quarter are only mailed a username and password in subsequent quarters.

**III. Data**

OMB Control Number: 0607–0907.

Type of Review: Regular submission.
Affected Public: Businesses or other for-profit organizations, not-for-profit institutions, and government hospitals.

Estimated Number of Respondents: 22,150.
