

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, FAA invites public comments about our intention to request the Office of Management and Budget (OMB) approval to renew an information collection. The **Federal Register** Notice with a 60-day comment period soliciting comments on the following collection of information was published on November 3, 2017. Aircraft registration is necessary to ensure personal accountability among all users of the national airspace system. Aircraft registration also allows the FAA and law enforcement agencies to address non-compliance by providing the means by which to identify an aircraft's owner and operator. This collection also permits individuals to amend their record in the registration database.

DATES: Written comments should be submitted by March 1, 2018.

ADDRESSES: Interested persons are invited to submit written comments on the proposed information collection to the Office of Information and Regulatory Affairs, Office of Management and Budget. Comments should be addressed to the attention of the Desk Officer, Department of Transportation/FAA, and sent via electronic mail to oir_submission@omb.eop.gov, or faxed to (202) 395-6974, or mailed to the Office of Information and Regulatory Affairs, Office of Management and Budget, Docket Library, Room 10102, 725 17th Street NW, Washington, DC 20503.

FOR FURTHER INFORMATION CONTACT: Claire Barrett by email at: pra@dot.gov; 202-366-8135; Barbara Hall by email at: Barbara.L.Hall@faa.gov; phone: 940-594-5913.

SUPPLEMENTARY INFORMATION:

Public Comments Invited: You are asked to comment on any aspect of this information collection, including (a) Whether the proposed collection of information is necessary for FAA's performance; (b) the accuracy of the estimated burden; (c) ways for FAA to enhance the quality, utility and clarity of the information collection; and (d) ways that the burden could be minimized without reducing the quality of the collected information. The agency will summarize and/or include your comments in the request for OMB's clearance of this information collection.

OMB Control Number: 2120-0765.

Title: Small Unmanned Aircraft Registration System (sUAS).

Form Numbers: There are no FAA forms associated with this collection.

Type of Review: Renewal of an information collection.

Background: The Secretary of the Department of Transportation (DOT) and the Administrator of the Federal Aviation Administration (FAA) affirmed that all unmanned aircraft are aircraft. As such, in accordance with 49 U.S.C. 44101(a) and as further prescribed in 14 CFR part 47, registration is required prior to operation. See 80 FR 63912, 63913 (October 22, 2015). Aircraft registration is necessary to ensure personal accountability among all users of the national airspace system. Aircraft registration also allows the FAA and law enforcement agencies to address non-compliance by providing the means by which to identify an aircraft's owner and operator.

Registration is required for all aircraft, including small unmanned aircraft weighing more than 0.55 pounds on takeoff, including everything that is on board or otherwise attached to the aircraft and operated outdoors in the national airspace system. See 49 U.S.C. 44101-44103; 14 CFR 48. Upon registration, the Administrator must issue a certificate of registration to the aircraft owner. See 49 U.S.C. 44103.

Registration, however, does not provide the authority to operate. Persons intending to operate a small unmanned aircraft exclusively as model aircraft must operate in compliance with section 336 of Public Law 112-95. Persons intending to operate their small unmanned aircraft not exclusively in compliance with section 336 must operate in accordance with part 107 or part 91, in accordance with a waiver issued under part 107, in accordance with an exemption issued under 14 CFR part 11 (including those persons operating under an exemption issued pursuant to section 333 of Public Law 112-95), or in conjunction with the issuance of a special airworthiness certificate.

As a result of the May 19, 2017 ruling by the U.S. Court of Appeals for the District of Columbia Circuit (*Taylor v. Huerta*), the Small UAS Registration and Marking interim final rule was vacated to the extent it applied to model aircraft until Congress restored registration for model aircraft in the National Defense Authorization Act of 2018 (P.L. 115-91). Consequently, the FAA has discontinued its process for registration deletion and refund for owners operating in compliance with section 336. All owners of small unmanned aircraft weighing more than .55 pounds must register prior to operating outdoors in the national airspace system.

Respondents: Approximately 1.9 million registrants annually.

Frequency: Information is collected on occasion.

Estimated Average Burden per Response: 4.25 minutes per response.

Estimated Total Annual Burden: About 141,158 hours.

Issued in Washington, DC on January 24, 2018.

Barbara Hall,

FAA Information Collection Clearance Officer, IT Enterprises Business Services Division, ASP-110.

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

Notice of Intent of Waiver With Respect to Land; Cable Union Airport, Cable, Wisconsin

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice.

SUMMARY: The FAA is considering a proposal to change parcel 41 (15.144 acres) and parcel 45 (1.704 acres) of airport land from aeronautical use to non-aeronautical use and to authorize the sale of airport property located at Cable Union Airport, Cable, WI. The aforementioned land is not needed for aeronautical use.

The Cable Union Airport is owned by the Towns of Cable, Drummond and Namakagon, WI, and operated by the Cable Union Airport Commission. The airport is located off Telemark Road approximately 2.5 miles east of the Town of Cable. The parcels of airport property that this notice is addressing are described as parcel 41 and 45. The parcels are located near the west end of turf runway 8/26 at the Airport.

Parcels 41 and 45 are not serving aeronautical purposes for the airport. Pending the release from aeronautical obligations of parcels 41 and 45 the sponsor anticipates disposing of the land and using the proceeds for aeronautical purposes.

DATES: Comments must be received on or before March 1, 2018.

ADDRESSES: Documents are available for review by appointment at the FAA Chicago Airports District Office, Robert Lee, Program Manager, 2300 East Devon Avenue, Des Plaines, IL 60018, Telephone: (847)294-7526/Fax: (847)294-7046.

Written comments on the Sponsor's request must be delivered or mailed to: Robert Lee, Program Manager, Federal Aviation Administration, Chicago Airports District Office, 2300 East Devon Avenue, Des Plaines, IL 60018,

Telephone Number: (847)294-7526/
FAX Number: (847)294-7046.

FOR FURTHER INFORMATION CONTACT:
Robert Lee, Program Manager, Federal
Aviation Administration, Chicago
Airports District Office, 2300 East
Devon Avenue, Des Plaines, IL 60018.
Telephone Number: (847)294-7526/
FAX Number: (847)294-7046.

SUPPLEMENTARY INFORMATION: In
accordance with section 47107(h) of
Title 49, United States Code, this notice
is required to be published in the
Federal Register 30 days before
modifying the land-use assurance that
requires the property to be used for an
aeronautical purpose.

Parcel 41 is currently in use as a
shooting range, operated by the Cable
Rod and Gun Club. Parcel 45 is
currently in use as McNaught Road,
maintained by the Town of Cable. Parcel
41 and 45 were acquired as airport
Parcel 15 by the Sponsors on March 18,
1971, as recorded in Volume 235, Page
285 of the official records of the
Bayfield County, Wisconsin Register of
Deeds.

The Sponsors proposed plan is to
convey Parcel 41, currently not in use
or needed for aeronautical purposes, to
the Cable Rod and Gun Club for
continued use as a shooting range. The
plan for Parcel 45, currently not in use
or needed for aeronautical purposes, is
to convey it to the Town of Cable for
continued use as a public roadway.

Prior to disposal there will be
aviation easements established over
Parcel 41 and 45. These easements will
lie under the existing Part 77 surfaces
for Runway 8, and will preserve the
right of free and unobstructed flight for
aircraft maneuvering about the Airport.
It will restrict objects from penetrating
into the Part 77 surface.

A full narrative appraisal for Parcel 41
has been established and has provided
evidence the sponsor will be obtaining
fair market value for this parcel. Parcel
45 was not appraised since its current
use is roadway and is considered
standard for appraisal purposes. The
sponsor considers the value of this
parcel to be offset by the Town of Cables
50 plus years of maintenance and
improvements at no cost to the airport.

The disposition of proceeds from the
sale of the airport property will be in
accordance with FAA's Policy and
Procedures Concerning the Use of
Airport Revenue, published in the
Federal Register on February 16, 1999
(64 FR 7696).

This notice announces that the FAA
is considering the release of the subject
airport property at the Cable Union
Airport, Cable, WI from federal land

covenants, subject to a reservation for
continuing right of flight as well as
restrictions on the released property as
required in FAA Order 5190.6B section
22.16. Approval does not constitute a
commitment by the FAA to financially
assist in the disposal of the subject
airport property nor a determination of
eligibility for grant-in-aid funding from
the FAA.
