

OMB Approval Number: Pending OMB Approval.

Type of Request: New Collection.

Form Number: Not applicable (online questionnaire).

Description of the need for the information and proposed use: In December of 2016, HUD finalized a rule requiring each and every public housing agency (PHA) to implement a Smoke-Free policy by July 30, 2018 (effective date). The Smoke-Free public housing rule is codified under 24 CFR parts 965.651, 965.653, 965.655, and 966.4. PHAs are required to have amended all resident leases by the effective date, at which point the policy must be enforced in full. Smoking of "lit tobacco

products" such as cigarettes and hookahs is banned indoors and in outdoor areas within 25 feet of buildings. PHAs have the option of modifying the policy to expand the scope to e-cigarettes and/or additional areas on the property (e.g., playgrounds). PHAs may also opt to provide designated smoking areas (DSAs) outside the 25-foot boundary to provide shelter for smokers who reside in their public housing units. Residents who smoke are not required to quit, but if they wish to do so, then cessation services may be provided to them. HUD may issue other policies in the future that pertain to health or otherwise affect public housing agency operations. The

survey will gather data on policies and programs pertaining to public housing operations. The information will be collected via online survey such as Qualtrics or SurveyMonkey, and will consist of approximately 40 questions, including Likert-type survey items and free response boxes. The submissions will be accessed by the Office of Public and Indian Housing (PIH) in to evaluate the overall implementation effectiveness and identify areas that are experiencing difficulty in their implementation of policies. PIH may develop additional resources and/or target local resources that may be able to assist in their efforts.

Respondents (i.e. affected public): PHA leadership and staff.

## A. Overview of Information Collection

Title of Information Collection: Section 184 and 184-A Loan Guarantee Program.

OMB Approved Number: 2577-0200.

Type of Request: Revision of Currently Approved Collection.

Form Number: HUD-XXXX, HUD-50110-A, HUD-50111-A, HUD-50112-A, HUD-50118-A, HUD-50119-A, HUD-50124-A, HUD-50125-A, HUD-50127-A, HUD-50128-A, HUD-50131-A, HUD-50132, HUD-50132-A, HUD 50143-A, HUD-50148, HUD-50149, HUD-50149-A, HUD-53039, HUD-53039-A.

Description of the need for the information and proposed use: The information collected is used to determine a borrower's credit worthiness and ability to pay for a home loan as well as to ensure that lenders comply with the program requirements.

The United States Department of Housing and Urban Development's (HUD) Office of Native American Programs (ONAP) is developing a system called the Loan Origination System (ONAP-LOS) to support the Section 184 Indian Home Loan Guarantee Program. The ONAP-LOS system will deliver automated processes for case registration, reservation of funds, issuance of loan guarantee certificates, and lender registration and re-certification. This system will capture and maintain data across the following major information categories: lenders, borrowers, properties, and loan. The enhanced enterprise solution will provide participating lender partners with clarity and transparency around the ONAP enforcement efforts and it will expand access to credit for eligible borrowers. The initial release of the

ONAP-LOS will deliver the following high-level capabilities:

- Authentication of External Lenders
- Case Registration—Intake of Case Registration Data & Case Number Issuance
- Generation of Case Registration Acknowledgement

ONAP designed the new system to reduce the number of forms needed and the time to prepare the forms while ensuring the highest level of security and privacy protections. ONAP-LOS is available to all lenders with direct guarantee approval, upon completion of scheduled training.

ONAP operates the Section 184-A program for eligible native Hawaiians. The program is designed to offer home ownership, property rehabilitation, and new construction opportunities for eligible native Hawaiian individuals and families wanting to own a home on

Hawaiian home lands. The Hawaiian Homelands Homeownership Act of 2000 added a new Section 184A to the Housing and Community Development Act of 1992 which authorized the Native Hawaiian Housing Loan Guarantee Program. The regulations for Section 184-A are found at 24 CFR part 1007. This Paperwork Reduction Act package includes all forms required for the Section 184-A program.
