On September 27, 2017, the Richland-Lexington Airport District, grantee of FTZ 127, submitted a notification of proposed production activity to the FTZ Board on behalf of BGM America, Inc., within Subzone 127A, in Marion, South Carolina.

The notification was processed in accordance with the regulations of the FTZ Board (15 CFR part 400), including notice in the Federal Register inviting public comment (82 FR 46216, October 4, 2017). On January 25, 2018, the applicant was notified of the FTZ Board’s decision that further review of part of the proposed activity is warranted. The FTZ Board authorized the production activity described in the notification on a limited basis, subject to the production activity described in the warrant. The FTZ Board authorized the production activity described in the notification on a limited basis, subject to the production activity described in the warrant.

On November 8, 2017, the Department of Commerce (Commerce) published the preliminary results of the administrative review of the antidumping duty order on large residential washers from the Republic of Korea (Korea). We invited interested parties to comment but received no comments or requests for a hearing. Therefore, the final results remain unchanged from the preliminary results and we continue to find that LG Electronics, Inc. (LGE) made sales of subject merchandise at prices below normal value during the period of review (POR).

Supplementary Information: On November 8, 2017, Commerce published the Preliminary Results.1 The POR is February 1, 2016, through January 31, 2017. We invited interested parties to comment on the Preliminary Results. We received no comments or requests for a hearing. Commerce has exercised its discretion to toll deadlines for the duration of the closure of the Federal Government from January 20 through 22, 2018. If the new deadline falls on a non-business day, in accordance with Commerce’s practice, the deadline will become the next business day. The revised deadline for the final results of this review is now March 12, 2018.2

As no parties submitted comments on the margin calculation methodology used in the Preliminary Results, the Department made no adjustments to that methodology in the final results of this review.

Final Results of the Review: As a result of this review, the Department determines that the following weighted-average dumping margin exists for entries of subject merchandise that were produced and/or exported by LGE during the POR:

Assessment Rates: Pursuant to section 751(a)(2)(C) of the Act, and 19 CFR 351.212(b), Commerce determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review. Commerce intends to issue appropriate assessment instructions directly to CBP 15 days after publication of the final results of this administrative review.

For LGE, which has a weighted-average dumping margin which is not zero or de minimis (i.e., less than 0.5 percent), we calculated importer-
