

between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.1D, which guides the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have made a determination that this action is one of a category of actions which do not individually or cumulatively have a significant effect on the human environment. This rule simply promulgates the operating regulations or procedures for drawbridges. This action is categorically excluded from further review, under figure 2–1, paragraph (32)(e), of the Instruction. A Record of Environmental Consideration and a Memorandum for the Record are not required for this rule.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

From 10 p.m. to 6 a.m., the drawspans must open on signal if at least three hours notice is given. Defense Federal Acquisition Regulation Supplement: Procurement of Commercial Items (DFARS Case 2016-D006)

AGENCY: Defense Acquisition Regulations System, Department of Defense (DoD).

ACTION: Final rule.

SUMMARY: DoD is issuing a final rule amending the Defense Federal Acquisition Regulation Supplement (DFARS) to implement sections of the National Defense Authorization Acts for Fiscal Years 2013, 2016, and 2018 relating to commercial item acquisitions.

DATES: Effective January 31, 2018.

FOR FURTHER INFORMATION CONTACT: Mr. Mark Gomersall, telephone 571-372-6176.

SUPPLEMENTARY INFORMATION:

I. Background

DoD published a proposed rule in the **Federal Register** at 81 FR 53101 on August 11, 2016, to amend the DFARS to implement the requirements of sections 851 through 853 and 855 through 857 of the National Defense Authorization Act (NDAA) for Fiscal Year (FY) 2016 (Pub. L. 114-92, enacted November 25, 2015), as well as the requirements of section 831 of the NDAA for FY 2013 (Pub. L. 112-239, enacted January 2, 2013). This rule provides guidance to contracting officers for making price reasonableness determinations, promotes consistency in making commercial item determinations, and expands opportunities for nontraditional defense contractors to do business with DoD.

On August 3, 2015, DoD published proposed DFARS rule 2013-D034 to implement the requirements of section 831 of the NDAA for FY 2013 (80 FR 45918). Based on the comments received in response to that proposed rule, and in order to implement the requirements in sections 851 through 853 and 855 through 857 of the NDAA for FY 2016, DFARS rule 2013-D034 was closed into this DFARS rule.

In addition, this final rule implements section 848 of the NDAA of FY 2018
