**I. Background**

DoD published a proposed rule in the Federal Register at 81 FR 53101 on August 11, 2016, to amend the DFARS to implement the requirements of sections 851 through 853 and 855 through 857 of the National Defense Authorization Act (NDAA) for Fiscal Year (FY) 2016 (Pub. L. 114–92, enacted November 25, 2015), as well as the requirements of section 831 of the NDAA for FY 2013 (Pub. L. 112–239, enacted January 2, 2013). This rule provides guidance to contracting officers for making price reasonableness determinations, promotes consistency in making commercial item determinations, and expands opportunities for nontraditional defense contractors to do business with DoD.

On August 3, 2015, DoD published proposed DFARS rule 2013–D034 to implement the requirements of section 831 of the NDAA for FY 2013 (80 FR 45918). Based on the comments received in response to that proposed rule, and in order to implement the requirements in sections 851 through 853 and 855 through 857 of the NDAA for FY 2016, DFARS rule 2013–D034 was closed into this DFARS rule.

In addition, this final rule implements section 848 of the NDAA of FY 2018.
