All awards provided through this NOFA are subject to funding availability.

I. Program Description

A. History: The CDFI Fund was established by the Riegle Community Development Banking and Financial Institutions Act of 1994 to promote economic revitalization and community development through investment in and assistance to CDFIs. Since its creation in 1994, the CDFI Fund has awarded more than \$2.5 billion to CDFIs, community development organizations, and financial institutions through the Community Development Financial Institutions Program (CDFI Program), the Native American CDFI Assistance Program (NACA Program), the Bank Enterprise Award Program (BEA Program), the Capital Magnet Fund, and the Financial Education and Counseling Pilot Program. In addition, the CDFI

Fund has allocated more than \$50.5 billion in tax credit allocation authority through the New Markets Tax Credit Program (NMTC Program) and has guaranteed \$1.36 billion in bonds for Eligible CDFIs through the CDFI Bond Guarantee Program.

B. Priorities: Through the CDFI Program's FA awards and TA grants, the CDFI Fund invests in and builds the capacity of for-profit and non-profit community based lending organizations known as CDFIs. These organizations, certified as CDFIs by the CDFI Fund, serve rural and urban low-income people, and communities across the nation that lack adequate access to affordable financial products and services.

C. Authorizing Statutes and Regulations: The CDFI Program is authorized by the Riegle Community Development Banking and Financial Institutions Act of 1994 (Pub. L. 103-325, 12 U.S.C. 4701 *et seq.*). The regulations governing the CDFI Program are found at 12 CFR parts 1805 and 1815 (the Regulations) and set forth evaluation criteria and other program requirements. The CDFI Fund encourages Applicants to review the Regulations; this NOFA; the Application; and the Uniform Administrative Requirements, Cost

Principles, and Audit Requirements for Federal Awards (2 CFR 200; 78 **Federal Register** 78590) (the Uniform Requirements) for a complete understanding of the program. Capitalized terms in this NOFA are defined in the authorizing statute, the Regulations, this NOFA, the Application, or the Uniform Requirements. Details regarding Application content requirements are found in the Application and related materials.

D. Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR 200): The Uniform Requirements codify financial, administrative, procurement, and program management standards that Federal award agencies must follow. When evaluating award applications, awarding agencies must evaluate the risks to the program posed by each applicant, and each applicant's merits and eligibility. These requirements are designed to ensure that applicants for Federal assistance receive a fair and consistent review prior to an award decision. This review will assess items such as the Applicant's financial stability, quality of management systems, the soundness of its business plan, history of performance, ability to achieve measurable impacts through its

products and services, and audit findings. In addition, the Uniform Requirements include guidance on audit requirements and other award compliance requirements for Recipients.

E. *Funding Limitations*: The CDFI Fund reserves the right to fund, in

whole or in part, any, all, or none of the Applications submitted in response to this NOFA.

2. *Funding Availability for the FY 2018 Funding Round*: Funds for the FY 2018 Funding Round are subject to change based on passage of a final FY 2018 budget; if Congress does not appropriate funds for the CDFI Program there will not be an FY 2018 Funding Round. If funds are appropriated, the amount of such funds may be greater or less than the amounts set forth above. The CDFI Fund reserves the right to contact applicants to seek additional information in the event that final FY 2018 appropriations for the CDFI Program change any of the requirements of this NOFA. As of the date of this NOFA, the CDFI Fund is operating under a continuing funding resolution as enacted by the Extension of the Continuing Appropriations Act, 2018 (Pub. L. 115–120) and Supplemental Appropriations for Disaster Relief Requirements Act, 2017 (Pub. L. 115–56).

3. *Anticipated Start Date and Period of Performance*: The CDFI Fund anticipates the period of performance for the FY 2018 Funding Round will begin in late September 2018. Specifically, the period of performance for TA grants begins with the date of the notice of the award and includes either (i) an Emerging or Certifiable CDFI Recipient’s three full consecutive fiscal years after the date of the notice of the

award or (ii) a Certified CDFI Recipient’s two full consecutive fiscal years after the date of the award announcement, during which the Recipient must meet the performance goals set forth in the Assistance Agreement. The period of performance for FA awards begins with the date of the award announcement and includes a Recipient’s three full consecutive fiscal years after the date of the notice of the award, during which time the Recipient must meet the performance goals set forth in the Assistance Agreement.

B. *Types of Awards*: Through the CDFI Program, the CDFI Fund provides two types of awards: Financial Assistance (FA) and Technical Assistance (TA) awards. *An Applicant may submit an Application for a TA grant or an FA award, but not both.*

1. *FA Awards*: FA awards can be in the form of loans, grants, Equity Investments, deposits and credit union shares. The form of the FA award is based on the form of the matching funds that the Applicant includes in its Application, unless Congress waives the matching funds requirement. Matching funds are required for FA awards, must be from non-Federal sources, and cannot have been used as matching funds for any other Federal award. The CDFI Fund reserves the right, in its sole discretion, to provide an FA award in an amount other than that which the Applicant requests; however, the award amount will not exceed the Applicant’s

award request as stated in its Application.

2. *Persistent Poverty Counties—Financial Assistance (PPC-FA) Awards*: PPC-FA awards will be provided as a supplement to FA awards; therefore, only those Applicants that are selected to receive an FA award through the CDFI Program FY 2018 Funding Round will be eligible to receive a PPC-FA award. PPC-FA awards can be in the form of loans, grants, Equity Investment, deposits and credit union shares. The form of the PPC-FA award is based on the form of the matching funds that the Applicant includes in its Application, unless Congress waives the matching funds requirement. Matching funds are required for PPC-FA awards, must be from non-Federal sources, and cannot have been used as matching funds for any other Federal award. The CDFI Fund reserves the right, in its sole discretion, to provide a PPC-FA award in an amount other than that which the Applicant requests; however, the award amount will not exceed the Applicant’s award request as stated in its Application.

The PPC-FA award is evaluated independently from the FA award and will not affect the FA award evaluation or amount.

3. *Disability Funds—Financial Assistance (DF-FA) Awards*: DF-FA awards will be provided as a supplement to FA awards; therefore, only those Applicants that have been selected to receive an FA award through the CDFI Program FY 2018 Funding

Round will be eligible to receive a DF-FA award. DF-FA awards can be in the form of loans, grants, Equity Investments, deposits and credit union shares. The form of the DF-FA award is based on the form of the matching funds that the Applicant includes in its Application, unless Congress waives the matching funds requirement. Matching funds are required for DF-FA awards, must be from non-Federal sources, and cannot have been used as matching funds for any other Federal award. The CDFI Fund reserves the right, in its sole discretion, to provide a DF-FA award in an amount other than that which the Applicant requests; however, the award amount will not exceed the Applicant's award request as stated in its Application. The DF-FA award is evaluated independently from the FA award and will not affect the FA award evaluation or amount.

4. *Healthy Food Financing Initiative—Financial Assistance (HFFI-FA) Awards:* HFFI-FA awards will be provided as a supplement to FA awards; therefore, only those Applicants that have been selected to receive an FA award through the CDFI Program FY 2018 Funding Round will be eligible to receive an HFFI-FA award. HFFI-FA awards can be in the form of loans, grants, Equity Investments, deposits and credit union shares. The form of the HFFI-FA award is based on the form of the matching funds that the Applicant includes in its Application, unless Congress waives the matching funds requirement. Matching funds are required for HFFI-FA awards, must be

from non-Federal sources, and cannot have been used as matching funds for any other Federal award. The CDFI Fund reserves the right, in its sole discretion, to provide an HFFI-FA award in an amount other than that which the Applicant requests; however, the award amount will not exceed the Applicant's award request as stated in its Application. The HFFI-FA award is evaluated independently from the FA award and will not affect the FA award evaluation or amount.

5. *TA Grants:* TA is provided in the form of grants. The CDFI Fund reserves the right, in its sole discretion, to provide a TA grant in an amount other than which the Applicant requests; however, the TA grant amount will not exceed the Applicant's request as stated in its Application.

The DF-FA Recipient must close Financial Products for the primary purpose of directly or indirectly benefiting people with disabilities in an amount equal to or greater than 85 percent of the total DF-FA provided. Such financing activities have a primary purpose of directly or indirectly benefiting individuals with disabilities where the majority of the DF-FA supported loans or investments benefit individuals with disabilities. Eligible DF-FA financing activities may include, among other activities, loans to develop

or purchase affordable, accessible, and safe housing; loans to provide or facilitate employment opportunities; and loans to purchase assistive technology.

For the purposes of DF-FA, a person with a Disability is: A person who has a physical or mental impairment that substantially limits one or more major life activities, a person who has a history or record of such an impairment, or a person who is perceived by others as having such an impairment, as defined by the American Disabilities Act (ADA) at <https://www.ada.gov/cguide.htm>.

(i) Compensation—personnel services.	TA paid to cover salaries of the Applicant’s personnel that are paid currently or accrued by the Applicant for work performed directly related to carrying out the purpose of the TA grant (including activities related to becoming certified as a CDFI). Any work performed directly but unrelated to the purposes of the TA grant cannot be paid as Compensation through a TA grant. For example, the salaries for building maintenance would not carry out the purpose of a TA grant and would be deemed unallowable.
(ii) Compensation—fringe benefits ..	TA paid to cover costs of the Applicant’s personnel employment (other than the employees’ salaries). The costs of fringe benefits are allowable provided that the benefits are reasonable and are required by law, non-Federal entity-employee agreement, or an established policy of the non-Federal entity and consistently applied organizational policies.

Payment for a consultant’s services may not exceed the current maximum of the daily equivalent rate paid to an Executive Schedule Level IV Federal employee. Professional and consultant services must build the capacity of the CDFI. For example, professional services that provide direct development services to the customers does not build the capacity of the CDFI to provide those services and would not be eligible.
(iv) Travel costs	TA used to pay expenses for transportation, lodging, subsistence, and related items incurred by the Applicant’s personnel (does not include consultants or board members) who are on travel status on business related to the TA grant. Any payments for travel expenses incurred by the Applicant’s personnel but unrelated to carrying out the purpose of the TA grant would be deemed unallowable. As such, documentation must be maintained that justifies the travel as necessary to the TA grant.
(v) Training and education costs	TA used to pay the cost of training and education provided for employee development. TA can only be used to pay for training costs incurred by the Applicant’s personnel (does not include consultants or board members).
(vi) Equipment	TA used to pay for tangible personal property, having a useful life of more than one year and a per-unit acquisition cost of at least \$5,000. (vii) Supplies	TA used to pay for tangible personal property with a per unit acquisition cost of less than \$5,000. For example, a desktop computer costing \$1,000 is allowable as a Supply cost. The Recipient must comply, as applicable, with the Buy American Act of 1933, 41 U.S.C. 8301–8303 with respect to the purchase of Supplies.

Recipient must close Financial Products for Healthy Food Retail Outlets and Healthy Food Non-Retail Outlets in its Target Market in an amount equal to or greater than 100 percent of the total HFFI Financial Assistance provided. Eligible financing activities to Healthy Food Retail Outlets and Healthy Food Non-Retail Outlets require that the majority of the loan or investment be devoted to offering a range of Healthy Food choice, which may include, among other activities, investments supporting an existing retail store or wholesale operation upgrade to offer an expanded range of Healthy Food choices, or supporting a nonprofit organization that expands the availability of Healthy Foods in underserved areas.

All Applicants must register in the *Grants.gov* system to successfully submit the SF-424. The *Grants.gov* registration process can take 30 days or longer to complete and the CDFI Fund strongly encourages Applicants to start the *Grants.gov* registration process as soon as possible (refer to the following link: <http://www.grants.gov/web/grants/register.html>). Since the *Grants.gov* registration process requires Applicants to have DUNS and EIN numbers, Applicants without these required numbers should allow for additional time to complete the *Grants.gov* registration process. The CDFI Fund will not extend the application deadline to any Applicant that started the *Grants.gov* registration process but did not complete it by the deadline. An

Applicant that has previously registered with *Grants.gov* must verify that its registration is current and active. Applicants should contact *Grants.gov* directly with questions related to the registration or submission process as the CDFI Fund does not maintain the *Grants.gov* system.

Each Application must be signed by a designated Authorized Representative in AMIS before it can be submitted. Applicants must ensure that an Authorized Representative is authorized to sign legal documents on behalf of the organization. Consultants working on behalf of the organization cannot be designated as Authorized Representatives. Only a designated Authorized Representative or Application Point of Contact, included in the Application, may submit the Application in AMIS. If an Authorized Representative or Application Point of Contact does not submit the application, the application will be deemed ineligible.

D. *Dun & Bradstreet Universal Numbering System (DUNS)*: Pursuant to the Uniform Requirements, each Applicant must provide as part of its Application submission, a Dun and Bradstreet Universal Numbering System (DUNS) number. Applicants without a DUNS number will not be able to register and submit an Application in the *Grants.gov* system. Allow sufficient time for Dun & Bradstreet to respond to inquiries and/or requests for DUNS numbers.

E. *System for Award Management (SAM)*: Any entity applying for Federal grants or other forms of Federal financial assistance through *Grants.gov* must be registered in SAM before submitting its Application. Registration in SAM is required as part of the *Grants.gov* registration process. The SAM registration process can take two weeks or longer to complete. Applicants without DUNS and/or EIN numbers should allow for additional time as an Applicant cannot register in SAM without those required numbers. Applicants that have previously completed the SAM registration process must verify that their SAM accounts are current and active. Each Applicant must continue to maintain an active SAM registration with current information at all times during which it has an active Federal award or an Application under consideration by a Federal awarding agency. The CDFI Fund will not consider any Applicant that fails to properly register or activate its SAM account and, as a result, is unable to submit the SF-424 in *Grants.gov* or Application in AMIS by the applicable Application deadlines. These restrictions also apply to organizations that have not yet received a DUNS or EIN number. Applicants must contact SAM directly with questions related to registration or SAM account changes as the CDFI Fund does not maintain this system and has no ability to make changes or correct errors of any kind. For more information about SAM, visit <https://www.sam.gov>.

TABLE 11—GRANTS.GOV REGISTRATION TIMELINE SUMMARY

Step	Agency	Estimated minimum time to complete

*Applicants are advised that the stated durations are estimates only and represent minimum timeframes. Actual timeframes may take longer. The CDFI Fund will not consider any Applicant that fails to properly register or activate its SAM account, has not yet received a DUNS or EIN number, and/or fails to properly register in *Grants.gov*.

** This estimate assumes an Applicant has a DUNS number, an EIN number, and is already registered in *SAM.gov*.

deadlines for the FY 2018 Funding Round.

2. Confirmation of Application Submission in Grants.gov and AMIS: Applicants are required to submit the OMB SF-424, Application for Federal Assistance through the *Grants.gov* system, under the CDFI Program Funding Opportunity Number. All other required application materials must be submitted through the AMIS website. Application materials submitted through both systems are due by the applicable deadlines. Applicants must submit the SF-424 on an earlier deadline from the other required application materials in AMIS. If the SF-424 is not successfully accepted by *Grants.gov* by the deadline, the CDFI Fund will not review any of the material submitted in AMIS, and the Application will be deemed ineligible.

a. Grants.gov Submission Information: Each Applicant will receive an email from *Grants.gov* immediately after submitting the SF-424 confirming that the submission has entered the *Grants.gov* system. This email will contain a tracking number for the submitted SF-424. Within 48 hours, the Applicant will receive a second email, which will indicate if the submitted SF-424 was either successfully validated or rejected with errors. However, Applicants should not rely on the email notification from *Grants.gov* to confirm that their SF-424 was validated. Applicants are strongly encouraged to use the tracking number provided in the first email to closely monitor the status of their SF-424 by contacting the helpdesk at *Grants.gov* directly. The Application material submitted in AMIS is not officially accepted by the CDFI Fund until *Grants.gov* has validated the SF-424.

b. AMIS Submission Information: AMIS is a web-based portal where Applicants will directly enter their application information and add the required attachments listed in Table 10. AMIS will verify that the Applicant provided the minimum information required to submit an Application. Applicants are responsible for the

quality and accuracy of the information and attachments included in the Application submitted in AMIS. The CDFI Fund strongly encourages the Applicant to allow sufficient time to confirm the Application content, review the material submitted, and remedy any issues prior to the Application deadline. Each Application must be signed by an Authorized Representative in AMIS before it can be submitted. Applicants must ensure that an Authorized Representative is authorized to sign legal documents on behalf of the organization. Consultants working on behalf of the organization may not be designated as Authorized Representatives. Only an Authorized Representative or an Application Point of Contact can submit the Application. If an Authorized Representative or Application Point of Contact does not submit the application, the application will be deemed ineligible. Applicants can only submit one Application. Upon submission, the Application will be locked and cannot be resubmitted, edited, or modified in any way. The CDFI Fund will not unlock or allow multiple Application submissions.

3. Late Submission: The CDFI Fund will not accept an Application if the SF-424 is not submitted and accepted by *Grants.gov* by the deadline. Additionally, the CDFI Fund will not accept an Application if it is not signed by an Authorized Representative and submitted in AMIS by the deadline. In either case, the CDFI Fund will not review any material submitted, and the Application will be deemed ineligible.

However, in cases where a Federal government administrative or technological error directly resulted in a late submission of the SF-424 or the Application, Applicants are provided two opportunities to submit a written request for acceptance of late submissions. The CDFI Fund does not consider a delay in any Federal government process to constitute a Federal government administrative or technological error. The CDFI Fund will

not consider a late submission of the SF-424 or the Application that was a direct result of a delay in a Federal Government process, unless such delay was the result of a Federal government administrative or technological error.

a. SF-424 Late Submission: In cases where a Federal government administrative or technological error directly resulted in a late submission of the SF-424, the Applicant must submit a written request for acceptance of late SF-424 submission and include documentation of the error no later than two business days after the SF-424 deadline. The CDFI Fund will not respond to request for acceptance of late SF-424 submissions after that time period. Applicants must submit late SF-424 submission requests to the CDFI Fund via an AMIS service request to the CDFI Program with a subject line of "Late SF-424 Submission Request."

b. Application Late Submission: In cases where a Federal government administrative or technological error directly resulted in a late submission of the Application in AMIS, the Applicant must submit a written request for acceptance of late Application submission and include documentation of the error no later than two business days after the Application deadline. The CDFI Fund will not respond to request for acceptance of late Application submissions after that time period. Applicants must submit late Application submission requests to the CDFI Fund via an AMIS service request to the CDFI Program with a subject line of "Late Application Submission Request."

V. Application Review Information

A. Criteria: If the Applicant has submitted an eligible Application, the CDFI Fund will conduct a substantive review in accordance with the criteria and procedures described in the Regulations, this NOFA, the Application guidance, and the Uniform Requirements. The CDFI Fund reserves the right to contact the Applicant by telephone, email, or mail for the purpose of clarifying or confirming Application information. If contacted, the Applicant must respond within the time period communicated by the CDFI Fund or risk that its Application will be rejected. The CDFI Fund will review the FA, DF-FA, PPC-FA, HFFI-FA, and TA Applications according to the below process.

1. Financial Assistance (FA) Application Scoring, Award Selection, Review, and Selection Process:

The CDFI Fund will evaluate each Application using a five step review process illustrated in the sections below. Applicants that meet the minimum criteria will advance to the next step in the review process. Applicants applying as a Community Partnership must describe partnership in the Application pursuant to the requirements set forth in Table 8 and will be evaluated in accordance with the review process described below.

a. **Step 1: Eligibility Review:** The CDFI Fund will evaluate each Application to determine its eligibility status per Section III. Eligibility Information of this NOFA.

b. **Step 2: Financial Analysis and Compliance Evaluation:** Step 2 contains two main components: financial health analysis and compliance risk evaluation. The CDFI Fund will evaluate the financial health and

viability of each Application using financial information provided by the Applicant. The CDFI Fund will also evaluate the compliance risk of each Application using information provided in the Application.

For the financial health analysis, each Application will receive a Total Financial Composite Score on a scale of one (1) to five (5), with one (1) being the highest rating. The Total Financial Composite Score is based on the analysis of twenty-four (24) financial indicators. Applications will be grouped based on the Total Financial Composite Score. Applicants must receive a Total Financial Composite Score of one (1), two (2), or three (3) to advance to Step 3. Applicants that receive an initial Total Financial Composite Score of four (4) or five (5) will be re-evaluated and re-scored by CDFI Fund staff. If the Total Financial Composite Score remains four (4) or five (5) after CDFI Fund staff review, the Applicant will not advance to Step 3.

For the compliance analysis, the CDFI Fund will evaluate the compliance risk of each Application using information provided in the Application. Each Application will receive a Total Compliance Composite Score on a scale of one (1) to five (5), with one (1) being the highest rating. Applicants must receive a Total Compliance Composite Score of one (1), two (2), or three (3) to advance to Step 3. Applicants that receive an initial Total Compliance Composite Score of four (4) or five (5) will be re-evaluated and re-scored by CDFI Fund Staff. If the Total Compliance Composite Score remains four (4) or five (5) after CDFI Staff review, the Applicant will not advance to Step 3.

c. **Step 3: Business Plan Review:** Applicants that proceed to Step 3 will be evaluated on the soundness of each Applicant's comprehensive business plan. Two external non-CDFI Fund Reviewers will conduct the Step 3 evaluation. Reviewers will evaluate the Application sections listed in Table 13. All Applications will be reviewed in accordance with standard reviewer evaluation materials for the business plan review. Applications will be ranked based on Total Business Plan Scores, in descending order. In order to advance to Step 4, Applicants must receive a Total Business Plan Score that is either (1) equal to receiving a point score equivalent to a "Good" out of a ranking scale in descending order of Excellent, Good, Fair, Limited or Poor, in each section listed in Table 13 or (2) within the top 60 percent of the CORE applicant pool for CORE applicants or within the top 70 percent of the SECA

applicant pool for SECA applicants, whichever is greater. In the case of tied

Total Business Plan Scores that would prevent an Applicant from moving to

Step 4, all Applicants with the same score will progress to Step 4.

Executive Summary	Not Scored	N/A.
Business Strategy	12	N/A.

Total Business Plan Score	50	CORE Applicants: Within Top 60 percent of all CORE Applicant Step 3 Scores. SECA Applicants: Within Top 70 percent of all SECA Applicant Step 3 Scores.

d. Step 4: Policy Objective Review: The CDFI Fund internal reviewers will evaluate each Application to determine its ability to meet policy objectives of the CDFI Fund authorizing statute. The policy objectives considered in this evaluation are listed in Table 14 below. The CDFI Fund also conducts a due diligence review for Applications that

includes an analysis of programmatic risk factors including, but not limited to: history of performance in managing Federal awards (including timeliness of reporting and compliance); reports and findings from audits; and the Applicant’s ability to effectively implement Federal requirements, which could impact the Total Policy Objective

Review Score. Each Applicant will be evaluated in each of the categories, which will result in a Total Policy Objective Review Composite Score on a scale of one (1) to five (5), with one (1) being the highest score. Applicants are then grouped according to Total Policy Objective Review Scores.

TABLE 14—STEP 4: FA POLICY REVIEW SCORING CRITERIA

Section	Possible scores	High score	Score needed to advance
Economic Distress	1, 2, 3, 4, or 5	1	N/A.
Economic Opportunities	1, 2, 3, 4, or 5	1	N/A.
Partnerships	1, 2, 3, 4, or 5	1	N/A.
Total Policy Objective Review Composite Score.	1, 2, 3, 4, or 5	1	All Scores Advance.

e. Step 5: Award Amount Determination: The CDFI Fund determines an award amount for each Application based on the Step 4 Total Policy Objective Review Score, the Applicant’s request amount, and on certain variables, including but not limited to, an Applicant’s deployment track record, minimum award size, and funding availability. Award amounts may be reduced from the requested award amount as a result of this analysis. Lastly, the CDFI Fund may consider the geographic diversity of Applicants when making its funding decisions.

2. *Healthy Food Financing Initiative-FA (HFFI-FA) Application Scoring, Award Selection, Review, and Selection Process:* Two external non-CDFI Fund

reviewers will evaluate each HFFI-FA Application associated with a FA application that progresses to Step 4 of the FA Application review process. Reviewers will evaluate the Application sections listed in Table 15 and assign a Total HFFI-FA Score up to 25 points. All Applications will be reviewed in accordance with standard reviewer evaluation materials. Applications will be ranked based on total scores, in descending order. Applicants that fail to receive an FA award will not be considered for a HFFI-FA award.

The CDFI Fund conducts additional levels of due diligence for Applications that are in scoring contention for an HFFI-FA award. This due diligence includes an analysis of programmatic and financial risk factors including, but

not limited to, financial stability, quality of management systems and ability to meet award management standards, history of performance in managing Federal awards (including timeliness of reporting and compliance), reports and findings from audits, and the Applicant’s ability to effectively implement Federal requirements. Award amounts may be reduced from the requested award amount as a result of this analysis. The CDFI Fund may reduce awards sizes from requested amounts based on certain variables, including an Applicant’s loan disbursement activity, total portfolio outstanding, and similar factors. Lastly, the CDFI Fund may consider the geographic diversity of Applicants when making its funding decisions.

3. *Persistent Poverty Counties—Financial Assistance (PPC–FA) Application Scoring, Award Selection, Review, and Selection Process:* Application requests for PPC–FA awards are not scored. A CDFI Fund internal reviewer will evaluate the PPC–FA request of each associated FA Applicant that has advanced to the Step 4 review process. PPC–FA award amounts will be determined based on the total number of eligible Applicants and funding availability, the Applicant’s requested amount, and on certain variables, including but not limited to, an Applicant’s deployment track record, historical track record of deployment in Persistent Poverty Counties for

Applicants that have received prior awards from the CDFI Fund, minimum award size, and funding availability.
 4. *Disability Funds–Financial Assistance (DF–FA) Application Scoring, Award Selection, Review, and Selection Process:* A CDFI Fund internal reviewer will evaluate each DF–FA Application associated with a FA application progresses to Step 4 of the FA Application review process. The reviewer will evaluate the Application and assign a Total DF–FA Score on a scale of one (1) to five (5), with one (1) being the highest score. Applicants are then grouped according to Total DF–FA Score. All Applications will be reviewed in accordance with standard

reviewer evaluation materials. Applicants that fail to receive an FA award will not be considered for a DF–FA award. Award amounts will be determined on the basis of the Total DF–FA Score, the Applicant’s requested amount, and on certain variables, including but not limited to, an Applicant’s deployment track record, minimum award size, and funding availability. The CDFI Fund will make awards to the highest scoring applicants first. Award amounts may be reduced from the requested award amount as a result of this analysis. The DF–FA award is evaluated independently from the FA award and will not affect the FA award evaluation or size.

5. *Technical Assistance (TA) Application Scoring, Award Selection, Review, and Selection Process:* The CDFI Fund will evaluate each Application to determine its eligibility pursuant to Section III. Eligibility Information of this NOFA. If the Application meets the eligibility criteria, the CDFI Fund will evaluate each TA Application using standard scoring criteria in the Business Plan Review (Table 17). An Applicant must receive a minimum Total TA Business Plan Score of 60 points for the TA

components in order to be considered for an award. Emerging CDFI or Certifiable CDFI Applicants must achieve a minimum score of 35 points in Section I to be considered for an award and to be reviewed in Section II. An Applicant that is a Certified CDFI will be evaluated on the demonstrated need for TA funding to build the CDFI’s capacity, further the Applicant’s strategic goals, and achieve impact within the Applicant’s Target Market. An Applicant that is an Emerging CDFI or Certifiable CDFI will be evaluated on

the Applicant’s demonstrated capability and plan to achieve CDFI certification within three years, or if a prior awardee, the certification performance goal and measure stated in its prior Assistance Agreement. An Applicant that is an Emerging CDFI and Certifiable CDFI will also be evaluated on its demonstrated need for TA funding to build the CDFI’s capacity and further its strategic goals.
 The CDFI Fund will score each part of the TA Business Plan Review as indicated in Table 17.

Each TA Application will be evaluated by one internal CDFI Fund reviewer. Internal reviewers must complete the CDFI Fund’s conflict of interest process. The CDFI Fund’s application conflict of interest policy is located on the CDFI Fund’s website. All Applications will be reviewed in accordance with CDFI Fund standard reviewer evaluation materials for the Business Plan Review. Applications will be ranked based on Total TA Business Plan Score, in descending order. In the case of tied scores that would prohibit the Application from progressing to the next level of review, Certified Applicants will be ranked first according to each Organization Overview score, and Emerging CDFI and Certifiable CDFI Applicants will be ranked first according to the total Section I score.

The CDFI Fund conducts additional levels of due diligence for Applications that are in scoring contention for an award. This due diligence includes an analysis of programmatic and financial risk factors including, but not limited to, financial stability, history of performance in managing Federal awards (including timeliness of reporting and compliance), reports and findings from audits, and the Applicant’s ability to effectively implement Federal requirements. The CDFI Fund will also evaluate the Applicant’s ability to meet certification criteria of being a legal entity and a non-government entity. Award amounts may be reduced as a result of this analysis in addition to consideration of the eligibility of an Applicant’s funding request and similar factors. Lastly, the CDFI Fund may consider the geographic diversity of Applicants when making its funding decisions.

6. *Insured Depository Institutions:* The CDFI Fund will consider safety and soundness information from the Appropriate Federal or State Banking Agency. If the Applicant is a CDFI

Depository Institution Holding Company, the CDFI Fund will consider information provided by the Appropriate Federal or State Banking Agencies about both the CDFI Depository Institution Holding Company and the Subsidiary CDFI Certified Insured Depository Institution that will expend and carry out the award. If the Appropriate Federal or State Agency identifies safety and soundness concerns, the CDFI Fund will assess whether the concerns cause or will cause the Applicant to be incapable of undertaking the activities for which funding has been requested.

7. *Non-Regulated Institutions:* In accordance with the CDFI Program’s authorizing statute and regulations, the CDFI Fund must ensure, to the maximum extent practicable, that recipients which are non-regulated CDFIs are financially and managerially sound, and maintain appropriate internal controls (12 U.S.C. 4707(f)(1)(A) and 12 CFR 1805.800(b)). Further, the CDFI Fund must determine that an Applicant’s capacity to operate as a CDFI and its continued viability will not be dependent upon assistance from the CDFI Fund (12 U.S.C. 4704(b)(2)(A)). If it is determined the Applicant is incapable of meeting these requirements, the CDFI Fund reserves the right to deem the Applicant ineligible or terminate the award.

B. *Anticipated Award Announcement:* The CDFI Fund anticipates making CDFI Program award announcements after September 10, 2018 and before September 30, 2018.

C. *Application Rejection:* The CDFI Fund reserves the right to reject an Application if information (including administrative errors) comes to the CDFI Fund’s attention that: Adversely affects an Applicant’s eligibility for an award; adversely affects the Recipient’s certification as a CDFI (to the extent that the award is conditional upon CDFI certification); adversely affects the CDFI

Fund’s evaluation or scoring of an Application; or indicates fraud or mismanagement on the Applicant’s part. If the CDFI Fund determines any portion of the Application is incorrect in a material respect, the CDFI Fund reserves the right, in its sole discretion, to reject the Application. The CDFI Fund reserves the right to change its eligibility and evaluation criteria and procedures, if the CDFI Fund deems it appropriate. If the changes materially affect the CDFI Fund’s award decisions, the CDFI Fund will provide information about the changes through its website. The CDFI Fund’s award decisions are final, and there is no right to appeal the decisions.

D. *External Non-CDFI Fund Reviewers:* All external non-CDFI Fund reviewers are selected based on criteria that includes a professional background in community and economic development finance, and experience reviewing the financial statements of all CDFI institution types. Reviewers must complete the CDFI Fund’s conflict of interest process and be approved by the CDFI Fund. The CDFI Fund’s application reader conflict of interest policy is located on the CDFI Fund’s website.

VI. Federal Award Administration Information

A. *Award Notification:* Each successful Applicant will receive an email “notice of award” notification from the CDFI Fund stating that its Application has been approved for an award. Each Applicant not selected for an award will receive an email stating that a debriefing notice has been provided in its AMIS account.

B. *Assistance Agreement:* Each Applicant selected to receive an award must enter into an Assistance Agreement with the CDFI Fund in order to receive a payment(s). The Assistance Agreement will set forth the award’s terms and conditions, including but not

be limited to the: (i) Award amount; (ii) award type; (iii) award uses; (iv) eligible use of funds; (v) performance goals and measures; and (vi) reporting requirements. FA Assistance Agreements have three-year periods of performance. TA Assistance Agreements have two-year periods of performance for Certified CDFIs and three-year periods of performance for Emerging CDFIs or Certifiable CDFIs.

1. *Certificate of Good Standing:* All FA and TA Recipients that are not Insured Depository Institutions will be required to provide the CDFI Fund with a certificate of good standing from the secretary of state for the Recipient's jurisdiction of formation prior to closing. This certificate can often be acquired online on the secretary of state website for the Recipient's jurisdiction of formation and must generally be dated within 180 days prior to the date the Recipient executes the Assistance Agreement. Due to potential backlogs in state government offices, Applicants are advised to submit requests for certificates of good standing no later than 60 days after they submit their Applications.

2. *Closing:* Pursuant to the Assistance Agreement, there will be an initial closing at which point the Assistance Agreement and related documents will be properly executed and delivered, and

an initial payment of FA or TA may be made. FA Recipients that are subject to the matching funds requirement will not receive a payment until 100 percent of their matching funds are In-Hand. The first payment is the estimated amount of award that the Recipient states in its Application that it will use for eligible FA or TA activities in the first 12 months after the award. The CDFI Fund reserves the right to increase the first payment amount on any award to ensure that any subsequent payments are greater than \$25,000 for FA and \$5,000 for TA awards.

The CDFI Fund will minimize the time between the Recipient incurring costs for eligible activities and award payment in accordance with the Uniform Requirements. The advanced payments for eligible activities will occur no more than one year in advance of the Recipient incurring costs for the eligible activities. Following the initial closing, there may be subsequent closings involving additional award payments. Any documentation in addition to the Assistance Agreement that is connected with such subsequent closings and payments shall be properly executed and timely delivered by the Recipient to the CDFI Fund.

3. *Requirements Prior to Entering into an Assistance Agreement:* If, prior to entering into an Assistance Agreement,

information (including administrative errors) comes to the CDFI Fund's attention that: adversely affects the Recipient's eligibility for an award; adversely affects the Recipient's certification as a CDFI (to the extent that the award is conditional upon CDFI certification); adversely affects the CDFI Fund's evaluation of the Application; indicates that the Recipient is not in compliance with any requirement listed in the Uniform Requirements; or indicates fraud or mismanagement on the Recipient's part, the CDFI Fund may, in its discretion and without advance notice to the Recipient, terminate the award or take such other actions as it deems appropriate. The CDFI Fund reserves the right, in its sole discretion, to rescind an award if the Recipient fails to return the Assistance Agreement, signed by the authorized representative of the Recipient, and/or provide the CDFI Fund with any other requested documentation, within the CDFI Fund's deadlines.
