Supplier Diversity Business Management System, SEC File No. 270-663, OMB Control No. 3235-0724

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for approval.

The Commission is required under Section 342 of the Dodd Frank Wall Street and Reform Act to develop standards and processes for ensuring the fair inclusion of women-owned and minority-owned businesses in all of the Commission's business activities. To help implement this requirement, the

Office of Minority and Women Inclusion (OMWI) developed and maintains an electronic Supplier Diversity Business Management System (the System) to collect up-to-date business information and capabilities statements from diverse suppliers interested in doing business with the Commission. This information allows the Commission to update and more effectively manage its current internal repository. It also allows the Commission to measure the effectiveness of its technical assistance and outreach efforts, and target areas where additional program efforts are necessary.

The Commission invites comment on the System. Information is collected in the System via web-based, e-filed, dynamic form-based technology. The company point of contact completes a profile consisting of basic contact data and information on the capabilities of the business. The profile includes a series of questions, some of which are based on the data that the individual enters. Drop-down lists are included where appropriate to increase ease of use.

The information collection is voluntary. There are no costs associated with this collection. The public interface to the System is available via a web-link provided by the agency.

Estimated number of annual responses = 300.

Estimated annual reporting burden = 150 hours (30 minutes per submission).

Since the last approval of this information collection, we have adjusted the estimated number of respondents from 500 to 300 respondents per year, based on the actual response rate for the past two years and anticipated increase in that response rate with the posting of a link to the System on our web page to allow self-registration. This reduction in the number of respondents has resulted in a 100-hour reduction in the total burden estimate.

Written comments are invited on: (a) Whether this collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in

writing within 60 days of this publication. Please direct your written comments to Pamela Dyson, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 100 F Street NE, Washington, DC 20549 or send an email to: PRA_Mailbox@sec.gov.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-82598; File No. SR-GEMX-2018-02]

Self-Regulatory Organizations; Nasdaq GEMX, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Relocate the Consolidated Audit Trail Compliance Rules

January 30, 2018.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on January 24, 2018, Nasdaq GEMX, LLC ("GEMX" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to relocate the Consolidated Audit Trail Compliance rules ("CAT Rules"), currently under Chapter 9, Rules 900 through 912, to General 7, Sections 1 through 13 in the Exchange's rulebook's ("Rulebook") shell structure.³

The text of the proposed rule change is available on the Exchange's website at <http://nasdaqgemx.cchwallstreet.com/>, at the principal office of the Exchange,

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ Recently, the Exchange added a shell structure to its Rulebook with the purpose of improving efficiency and readability and to align its rules closer to those of its five sister exchanges, The Nasdaq Stock Market LLC; Nasdaq BX, Inc.; Nasdaq PHLX LLC; Nasdaq ISE, LLC; and Nasdaq MRX, LLC ("Affiliated Exchanges"). See Securities Exchange Act Release No. 82171 (November 29, 2017), 82 FR 57516 (December 5, 2017) (SR-GEMX-2017-54).

and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to relocate the CAT Rules, currently under Chapter 9, Rules 900 through 912, to General 7, Sections 1 through 13 of the Rulebook's shell structure.

The Exchange adopted the CAT Rules to implement a consolidated audit trail in order to capture customer and order event information to comply with the provisions of the National Market System Plan Governing the Consolidated Audit Trail.⁴ Because the CAT Rules apply across all markets and to all products,⁵ the Exchange believes it is pertinent that they be located in the General section of the Rulebook's shell; therefore, the Exchange will amend the shell structure, creating a new "General 7 Consolidated Audit Trail Compliance" title under "General Rules," and make conforming changes to the "Options Rules" titles; moreover, this proposal is consistent with similar filings concurrently submitted by the Affiliated Exchanges.

The relocation of the CAT Rules is part of the Exchange's continued effort to promote efficiency and conformity of its processes with those of its Affiliated

Exchanges.⁶ The Exchange believes that the migration of the CAT Rules to their new location will facilitate the use of the Rulebook by Members⁷ of the Exchange who are members of other Affiliated Exchanges. Moreover, the proposed changes are of a non-substantive nature and will not amend the relocated rules other than to update their numbers, make cross-reference changes, and make changes to harmonize the proposed rule with the text of filings simultaneously submitted by the Affiliated Exchanges.⁸

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁹ in general, and furthers the objectives of Section 6(b)(5) of the Act,¹⁰ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest, by promoting efficiency and conformity of the Exchange's processes with those of the Affiliated Exchanges and to make the Exchange's Rulebook easier to read and more accessible to its Members. The Exchange believes that the relocation of the CAT Rules and cross-reference updates are of a non-substantive nature.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposed changes do not impose a burden on competition because, as previously stated, they (i) are of a non-substantive nature, (ii) are intended to harmonize the Exchange's rules with those of its Affiliated Exchanges, and (iii) are intended to organize the Rulebook in a way that it will ease the Members' navigation and reading of the rules across the Affiliated Exchanges.

⁶ See footnote 3.

⁷ Exchange Rule 100(a)(28).

⁸ Specifically, the Exchange will remove the word "Rule" from General 7's title which will now read "Consolidated Audit Trail Compliance."

Moreover, the Exchange will update the description provided under General 7, Section 12(a), "General," to exactly match the contents of similar sections in the Nasdaq, BX, and Phlx rulebooks. This change will not alter Section 12(a) since (i) the description under this subsection is essentially the same to that of the aforementioned Affiliated Exchanges and (ii) the removal of the phrase "upon approval by the Commission" is unnecessary at this point since the CAT Rules are already effective.

¹⁰ 15 U.S.C. 78f(b)(5).

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act¹¹ and subparagraph (f)(6) of Rule 19b 4 thereunder.¹²

A proposed rule change filed under Rule 19b-4(f)(6)¹³ normally does not become operative prior to 30 days after the date of the filing. However, Rule 19b-4(f)(6)(iii)¹⁴ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the Exchange can reorganize its Rulebook as already approved by the Commission. The Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest. Accordingly, the Commission hereby waives the operative delay and designates the proposed rule change as operative upon filing.¹⁵

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) Necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the

¹¹ 15 U.S.C. 78s(b)(3)(A)(iii).

¹² 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires the Exchange to give the Commission written notice of the Exchange's intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

¹⁴ 17 CFR 240.19b-4(f)(6)(iii).

¹⁵ For purposes only of waiving the 30-day operative delay, the Commission has also considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

⁴ See Securities Exchange Act Release No. 80256 (March 15, 2017), 82 FR 14526 (March 21, 2017) (SR-ISEGemini-2017-04) (Order Approving Proposed Rule Changes To Adopt Consolidated Audit Trail Compliance Rules).

The Exchange also notes that, at the time of the approval of the CAT Rules, the Exchange was known as "ISE Gemini, LLC." To reflect the Exchange's placement within its parent company's corporate structure, Nasdaq, Inc., the Exchange name was changed to "Nasdaq GEMX, LLC." See Securities Exchange Act Release No. 80248 (March 15, 2017), 82 FR 14547 (March 21, 2017) (SR-ISEGemini-2017-13).

⁵ *Id.*

Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

Rule 12d1-1, SEC File No. 270-526, OMB Control No. 3235-0584

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

An investment company ("fund") is generally limited in the amount of securities the fund ("acquiring fund") can acquire from another fund ("acquired fund"). Section 12(d) of the Investment Company Act of 1940 (the "Investment Company Act" or "Act")¹ provides that a registered fund (and companies it controls) cannot:

- Acquire more than three percent of another fund's securities;
- invest more than five percent of its own assets in another fund; or
- invest more than ten percent of its own assets in other funds in the aggregate.²

In addition, a registered open-end fund, its principal underwriter, and any registered broker or dealer cannot sell that fund's shares to another fund if, as a result:

- The acquiring fund (and any companies it controls) owns more than three percent of the acquired fund's stock; or
- all acquiring funds (and companies they control) in the aggregate own more

than ten percent of the acquired fund's stock.³

Rule 12d1-1 under the Act provides an exemption from these limitations for "cash sweep" arrangements in which a fund invests all or a portion of its available cash in a money market fund rather than directly in short-term instruments.⁴ An acquiring fund relying on the exemption may not pay a sales load, distribution fee, or service fee on acquired fund shares, or if it does, the acquiring fund's investment adviser must waive a sufficient amount of its advisory fee to offset the cost of the loads or distribution fees.⁵ The acquired fund may be a fund in the same fund complex or in a different fund complex. In addition to providing an exemption from section 12(d)(1) of the Act, the rule provides exemptions from section 17(a) of the Act and rule 17d-1 thereunder, which restrict a fund's ability to enter into transactions and joint arrangements with affiliated persons.⁶ These provisions would otherwise prohibit an acquiring fund from investing in a money market fund in the same fund complex,⁷ and prohibit a fund that acquires five percent or more of the securities of a money market fund in another fund complex from making any additional investments in the money market fund.⁸

The rule also permits a registered fund to rely on the exemption to invest in an unregistered money market fund that limits its investments to those in which a registered money market fund may invest under rule 2a-7 under the Act, and undertakes to comply with all the other provisions of rule 2a-7.⁹ In addition, the acquiring fund must

⁶ See 15 U.S.C. 80a-17(a), 15 U.S.C. 80a-17(d); 17 CFR 270.17d-1.

⁷ An affiliated person of a fund includes any person directly or indirectly controlling, controlled by, or under common control with such other person. See 15 U.S.C. 80a-2(a)(3) (definition of "affiliated person"). Most funds today are organized by an investment adviser that advises or provides administrative services to other funds in the same complex. Funds in a fund complex are generally under common control of an investment adviser or other person exercising a controlling influence over the management or policies of the funds. See 15 U.S.C. 80a-2(a)(9) (definition of "control"). Not all advisers control funds they advise. The determination of whether a fund is under the control of its adviser, officers, or directors depends on all the relevant facts and circumstances. See Investment Company Mergers, Investment Company Act Release No. 25259 (Nov. 8, 2001) [66 FR 57602 (Nov. 15, 2001)], at n.11. To the extent that an acquiring fund in a fund complex is under common control with a money market fund in the same complex, the funds would rely on the rule's exemptions from section 17(a) and rule 17d-1.

⁸ See 15 U.S.C. 80a-2(a)(3)(A), (B).

¹ See 15 U.S.C. 80a.

² See 15 U.S.C. 80a-12(d)(1)(A). If an acquiring fund is not registered, these limitations apply only with respect to the acquiring fund's acquisition of registered funds.
