

from the national securities exchanges, the resultant aggregate annual reporting hour burden would be, assuming on average one hour per response, 800 annual burden hours for all exchanges (21 exchanges  $\times$  an average of 38.1 responses per exchange  $\times$  1 hour per response). In addition, since approximately 100 responses are received by the Commission annually from issuers wishing to remove their securities from listing and registration on exchanges, the Commission staff estimates that the aggregate annual reporting hour burden on issuers would be, assuming on average one reporting hour per response, 100 annual burden hours for all issuers (100 issuers  $\times$  1 response per issuer  $\times$  1 hour per response). Accordingly, the total annual hour burden for all respondents to comply with Rule 12d2–2 is 900 hours (800 hours for exchanges + 100 hours for issuers). The related internal cost of compliance associated with these burden hours is \$188,400 (\$157,000 for exchanges (\$196.25 per response  $\times$  800 responses) and \$31,400 for issuers (\$314 per response  $\times$  100 responses)).

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–82599; File No. SR–ISE–2018–09]

### Self-Regulatory Organizations; Nasdaq ISE, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Relocate the Consolidated Audit Trail Compliance Rules

January 30, 2018.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),<sup>1</sup> and Rule 19b–4 thereunder,<sup>2</sup> notice is hereby given that on January 24, 2018, Nasdaq ISE, LLC (“ISE” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to relocate the Consolidated Audit Trail Compliance rules (“CAT Rules”), currently under Chapter 9, Rules 900 through 912, to General 7, Sections 1 through 13 in the Exchange’s rulebook’s (“Rulebook”) shell structure.<sup>3</sup>

The text of the proposed rule change is available on the Exchange’s website at <http://ise.cchwallstreet.com/>, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

#### II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set

forth in sections A, B, and C below, of the most significant aspects of such statements.

#### A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

##### 1. Purpose

The Exchange proposes to relocate the CAT Rules, currently under Chapter 9, Rules 900 through 912, to General 7, Sections 1 through 13 of the Rulebook’s shell structure.

The Exchange adopted the CAT Rules to implement a consolidated audit trail in order to capture customer and order event information to comply with the provisions of the National Market System Plan Governing the Consolidated Audit Trail.<sup>4</sup> Because the CAT Rules apply across all markets and to all products,<sup>5</sup> the Exchange believes it is pertinent that they be located in the General section of the Rulebook’s shell; therefore, the Exchange will amend the shell structure, creating a new “General 7 Consolidated Audit Trail Compliance” title under “General Rules,” and make conforming changes to the “Options Rules” titles; moreover, this proposal is consistent with similar filings concurrently submitted by the Affiliated Exchanges.

The relocation of the CAT Rules is part of the Exchange’s continued effort to promote efficiency and conformity of its processes with those of its Affiliated Exchanges.<sup>6</sup> The Exchange believes that the migration of the CAT Rules to their new location will facilitate the use of the Rulebook by Members<sup>7</sup> of the Exchange who are members of other Affiliated Exchanges. Moreover, the proposed changes are of a non-substantive nature and will not amend the relocated rules other than to update their numbers, make cross-reference changes, and make changes to harmonize the proposed rule with the

The Exchange also notes that, at the time of the approval of the CAT Rules, the Exchange was known as “International Securities Exchange, LLC.” To reflect the Exchange’s placement within its parent company’s corporate structure, Nasdaq, Inc., the Exchange name was changed to “Nasdaq ISE, LLC.” See Securities Exchange Act Release No. 80325 (March 29, 2017), 82 FR 16445 (April 4, 2017) (SR–ISE–2017–25).

<sup>3</sup> Recently, the Exchange added a shell structure to its Rulebook with the purpose of improving efficiency and readability and to align its rules closer to those of its five sister exchanges, The Nasdaq Stock Market LLC; Nasdaq BX, Inc.; Nasdaq PHLX LLC; Nasdaq GEMX, LLC; and Nasdaq MRX, LLC (“Affiliated Exchanges”). text of filings simultaneously submitted by the Affiliated Exchanges.<sup>8</sup>

## 2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,<sup>9</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act,<sup>10</sup> in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest, by promoting efficiency and conformity of the Exchange's processes with those of the Affiliated Exchanges and to make the Exchange's Rulebook easier to read and more accessible to its Members. The Exchange believes that the relocation of the CAT Rules and cross-reference updates are of a non-substantive nature.

### B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposed changes do not impose a burden on competition because, as previously stated, they (i) are of a non-substantive nature, (ii) are intended to harmonize the Exchange's rules with those of its Affiliated Exchanges, and (iii) are intended to organize the Rulebook in a way that it will ease the Members' navigation and reading of the rules across the Affiliated Exchanges.

### C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

## III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public

interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act<sup>11</sup> and subparagraph (f)(6) of Rule 19b-4 thereunder.<sup>12</sup>

A proposed rule change filed under Rule 19b-4(f)(6)<sup>13</sup> normally does not become operative prior to 30 days after the date of the filing. However, Rule 19b-4(f)(6)(iii)<sup>14</sup> permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the Exchange can reorganize its Rulebook as already approved by the Commission. The Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest. Accordingly, the Commission hereby waives the operative delay and designates the proposed rule change as operative upon filing.<sup>15</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) Necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

<sup>8</sup> Specifically, the Exchange will remove the word "Rule" from General 7's title which will now read "Consolidated Audit Trail Compliance."

Moreover, the Exchange will update the description provided under General 7, Section 12(a), "General," to exactly match the contents of similar sections in the Nasdaq, BX, and Phlx rulebooks. This change will not alter Section 12(a) since (i) the description under this subsection is essentially the same to that of the aforementioned Affiliated Exchanges and (ii) the removal of the phrase "upon approval by the Commission" is unnecessary at this point since the CAT Rules are already effective.
