Aluminum Extrusions From the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review and Rescission of Review in Part; 2016-2017

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is conducting an

administrative review of the antidumping duty (AD) order on aluminum extrusions from the People's Republic of China (China). The period of review (POR) is May 1, 2016, through April 30, 2017. Mandatory respondents were selected, but all requests for administrative review for the mandatory respondents were subsequently timely withdrawn. Commerce preliminarily determines that none of the 29 companies for which an administrative review was requested, and not withdrawn, demonstrated eligibility for a separate rate, and are, therefore, all part of the China-wide entity. For the 191 companies for which all requests for administrative review have been timely withdrawn, we rescind this administrative review. Interested parties are invited to comment on these preliminary results.

DATES: Applicable February 8, 2018.

FOR FURTHER INFORMATION CONTACT: Deborah Scott or Mark Flessner, AD/CVD Operations, Office VI, Enforcement and Compliance, International Trade Administration, Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-2657 or (202) 482-6312, respectively.
