

nails from the UAE, covering the POR.¹ On August 2, 2017, Commerce placed evidence on the record that the antidumping duty questionnaire was undeliverable to Overseas Distribution Services, Inc., (ODS), the sole respondent subject to the review, at the address provided.² We requested an alternate address from the petitioner, but the petitioner was unable to provide one.³ Although we re-sent the questionnaire to the original and two available alternate addresses from other segments of this proceeding,⁴ it continued to be undeliverable.⁵ Moreover, for two of the failed delivery attempts, the delivery company stated the business was closed.

On January 23, 2018, Commerce exercised its discretion to toll deadlines for the duration of the closure of the Federal Government from January 20 through 22, 2018. If the new deadline falls on a non-business day, in accordance with Commerce's practice, the deadline will become the next business day. The revised deadline for the preliminary determination of this review is now February 5, 2018.⁶

Rescission of Administrative Review

In instances when a questionnaire is returned because of an undeliverable address and the petitioner is unable to provide an alternative address, Commerce's practice is to rescind the review of the company.⁷ While

Commerce understands the concerns raised by the petitioner,⁸ it would be futile to conduct a review of a closed company. Because the questionnaire was undeliverable with indications that the business was closed, ODS being the only respondent under review, and the petitioner is unable to provide an alternative address, we are rescinding the administrative review of certain steel nails from the UAE for the 2016–2017 POR.

Assessment

We will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. Because Commerce is rescinding this administrative review in its entirety, the entries to which this administrative review pertained shall be assessed antidumping duties at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after the publication of this notice.

Notifications

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a final reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Changes Since the Preliminary Results

Based on our review of the record and comments received from interested parties, we made certain changes to the margin calculations for Region. For a discussion of these changes, *see* the "Margin Calculations" section of the Issues and Decision Memorandum. As a result of these changes, the weighted-average dumping margin also changed for the company not selected for individual examination.

Final Results of the Review

The final weighted-average dumping margins are as follows:⁴

Producer or exporter	Weighted-average dumping margin (percent)
Inmax Sdn. Bhd. and Inmax Industries Sdn. Bhd	1.03
Region International Co. Ltd. and Region System Sdn. Bhd	1.87
Tag Fasteners Sdn. Bhd	1.45

Disclosure

We will disclose the calculations performed to parties in this proceeding within five days of the date of publication of this notice, in accordance with 19 CFR 351.224(b).

Duty Assessment

Commerce shall determine and U.S. Customs and Border Protection (CBP) shall assess antidumping duties on all appropriate entries.⁵ For any individually examined respondents whose weighted-average dumping margin is above *de minimis*, we calculated importer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of dumping calculated for the importer's examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1). Upon issuance of the final results of this administrative review, if any importer-specific assessment rates calculated in the final results are above *de minimis* (*i.e.*, at or above 0.5 percent), Commerce will issue instructions

⁴ As we did not have a publicly ranged total U.S. sales value for Region for the period December 29, 2014, through June 30, 2016, in accordance with our practice, to calculate a weighted-average dumping margin for the non-examined company, Tag Fasteners Sdn. Bhd., the rate applied to this company is a simple average of the weighted-average dumping margins calculated for Inmax and Region.

⁵ In these final results, Commerce applied the assessment rate calculation method adopted in *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Proceedings: Final Modification*, 77 FR 8101 (February 14, 2012).

directly to CBP to assess antidumping duties on appropriate entries.

To determine whether the duty assessment rates covering the period were *de minimis*, in accordance with the requirement set forth in 19 CFR 351.106(c)(2), for each respondent we calculated importer (or customer)-specific *ad valorem* rates by aggregating the amount of dumping calculated for all U.S. sales to that importer or customer and dividing this amount by the total entered value of the sales to that importer (or customer). Where an importer (or customer)-specific *ad valorem* rate is greater than *de minimis*, and the respondent has reported reliable entered values, we will apply the assessment rate to the entered value of the importer's/customer's entries during the review period.

We intend to issue assessment instructions directly to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of this notice for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication of these final results, as provided by section 751(a)(2) of the Act: (1) The cash deposit rate for respondents noted above will be the rate established in the final results of this administrative review; (2) for merchandise exported by manufacturers or exporters not covered in this administrative review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the manufacturer of the subject merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 2.66 percent, the all-others rate established in the antidumping investigation.⁶ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers Regarding the Reimbursement of Duties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during the period of review. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties did occur and the subsequent assessment of doubled antidumping duties.

Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213(h).

Dated: February 6, 2018.

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.
