SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-82648; File No. SR-CBOE-2018-015]

Self-Regulatory Organizations; Cboe Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend the Fees Schedule Concerning the Floor Broker SPX Surcharge

February 7, 2018.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 1, 2018, Cboe Exchange, Inc. (the “Exchange” or “Cboe Options”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its monthly fee of \$3,000 per month for any Floor Broker Trading Permit Holder (“TPH”) that executes more than 20,000 SPX (including SPXW) contracts during

the month (“FB SPX Surcharge”). Particularly, the Exchange proposes to adopt an exclusion for Multi-Class Broad-Based Index Option Spread Orders (“Multi-Class Spread Orders”).

The text of the proposed rule change is also available on the Exchange’s website (<http://www.cboe.com/AboutCBOE/CBOELegalRegulatoryHome.aspx>), at the Exchange’s Office of the Secretary, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its monthly fee of \$3,000 per month for any Floor Broker Trading Permit Holder (“TPH”) that executes more than 20,000 SPX (including SPXW) contracts during the month (“FB SPX Surcharge”). Particularly, the Exchange proposes to adopt an exclusion for Multi-Class Broad-Based Index Option Spread Orders (“Multi-Class Spread Orders”).

By way of background, Cboe Options Rule 24.19 permits the execution of Multi-Class Spread Orders, which are generally defined as orders to buy a stated number of contracts of a broad-based index option or exchange-traded fund (“ETF”)/exchange-traded note (“ETN”) option derived from a broad-based index and to sell an equal number, or an equivalent number of contracts of a different broad-based index option or ETF/ETN option derived from a broad-based index. These orders may be represented at the trading station of either option involved, subject to the conditions in Rule 24.19.³

The FB SPX Surcharge was not enacted with the intention of assessing it to Floor Brokers to whom it would only apply due to their execution of

Multi-Class Spread Orders that included an SPX component. Rather, the surcharge was intended to be assessed on Floor Brokers that regularly execute SPX trades in the SPX trading crowd. In order to avoid being assessed the FB SPX Surcharge as a result of the execution of Multi-Class Spread Orders with an SPX component, the Exchange proposes to provide that Floor Brokers to which the FB SPX Surcharge is not otherwise applicable will not be assessed the FB SPX Surcharge if they only execute SPX open outcry transactions as part of a Multi-Class Spread Order. In order to identify those instances, the Exchange is proposing to require that Floor Brokers submit the Floor Broker SPX Surcharge Exclusion for Multi-Class Broad-Based Index Spread Transactions Form (the “Form”) within three business days of execution of the applicable spread transaction(s).

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the “Act”) and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.⁴ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁵ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with Section 6(b)(4) of the Act,⁶ which requires that Exchange rules provide for the equitable allocation of reasonable dues, fees, and other charges among its Trading Permit Holders and other persons using its facilities.

The Exchange believes the proposed rule change is reasonable because it allows Floor Brokers to whom the FB SPX Surcharge would apply only due to their execution of Multi-Class Spread Orders with an SPX component to avoid having to pay the surcharge. The proposed rule change is equitable and not unfairly discriminatory because the
