

in completing Assessments of Fair Housing. Such information is also highly relevant for informing Housing Choice Voucher policy decisions, including those related to mobility and portability. HUD itself will utilize the information to inform operations of the public housing, Housing Choice Voucher and other programs, and for

estimating the impact of changes in Fair Market Rents, including Small Area Fair Market Rents. The information may also be useful for the general public, for instance, in locating local affordable housing providers and increasing awareness of local affordable housing options.

The use of a geospatial data tool to collect this information has the advantage of simplifying and minimizing the administrative costs as well as directly linking the information to existing data resources without the need for additional cost to the federal government.

B. Solicitation of Public Comment

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

(1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) The accuracy of the agency's estimate of the burden of the proposed collection of information;

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) Ways to minimize the burden of the collection of information on those who are to respond: Including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

HUD encourages interested parties to submit comment in response to these questions.

U.S. Endangered Species; Receipt of Recovery and Interstate Commerce Permit Applications

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of receipt of permit applications; request for comments.

SUMMARY: We, the U.S. Fish and Wildlife Service, invite the public to comment on applications for permits to conduct activities intended to enhance the propagation or survival of endangered species. With some exceptions, the Endangered Species Act (ESA) prohibits certain activities that constitute take of listed species unless a Federal permit is issued that allows such activity. The ESA also requires that we invite public comment before issuing these permits.

DATES: To ensure consideration, we must receive your written comments by March 15, 2018.

ADDRESSES: Requesting Copies of Applications or Public Comments: Copies of applications or public comments concerning any of the applications in this notice may be obtained by any party who submits a written request for a copy of such documents to the following office within 30 days of the date of publication of this notice, subject to the requirements of the Privacy Act (5 U.S.C. 552a) and the Freedom of Information Act (5 U.S.C. 552): Program Manager, Restoration and Endangered Species Classification, Ecological Services, U.S. Fish and Wildlife Service,

Pacific Regional Office, 911 NE 11th Avenue, Portland, OR 97232-4181.

Submitting Comments: You may submit comments by one of the following methods. Please specify applicant name(s) and application number(s) to which your comments pertain (e.g., TE-XXXXXX).

- *Email:* permitsR1ES@fws.gov.

Please refer to the respective permit number (e.g., Application No. TE-XXXXXX) in the subject line of your email message.

- *U.S. Mail:* Program Manager, Restoration and Endangered Species Classification, Ecological Services, U.S. Fish and Wildlife Service, Pacific Regional Office, 911 NE 11th Avenue, Portland, OR 97232-4181.

FOR FURTHER INFORMATION CONTACT: Colleen Henson, Recovery Permits Coordinator, Ecological Services, (503) 231-6131 (phone); permitsR1ES@fws.gov (email).

SUPPLEMENTARY INFORMATION: We, the U.S. Fish and Wildlife Service (Service), invite the public to comment on applications for permits to conduct activities intended to promote recovery of endangered species. With some exceptions, the ESA prohibits certain activities with endangered species unless a Federal permit allows such activity. The ESA also requires that we invite public comment before issuing these permits.

Background

The ESA prohibits certain activities with endangered and threatened species unless authorized by a Federal permit. The ESA and our implementing regulations in part 17 of title 50 of the Code of Federal Regulations (CFR) provide for the issuance of such permits and require that we invite public comment before issuing permits for activities involving endangered species.

A recovery permit issued by us under section 10(a)(1)(A) of the ESA authorizes the permittee to conduct activities with endangered or threatened species for scientific purposes that promote recovery or for enhancement of propagation or survival of the species.

Our regulations implementing section 10(a)(1)(A) for these permits are found at 50 CFR 17.22 for endangered wildlife species, 50 CFR 17.32 for threatened wildlife species, 50 CFR 17.62 for endangered plant species, and 50 CFR 17.72 for threatened plant species.
