

OMB Desk Officer—Shagufta Ahmed—Office of Information and Regulatory Affairs, Office of Management and Budget, New Executive Office Building, Room 10235, 725 17th Street NW, Washington, DC 20503 or by fax to (202) 395-6974.

SUPPLEMENTARY INFORMATION: On June 15, 1984, the Office of Management and Budget (OMB) delegated to the Board authority under the Paperwork Reduction Act (PRA) to approve of and assign OMB control numbers to collection of information requests and requirements conducted or sponsored by the Board. Board-approved collections of information are incorporated into the official OMB inventory of currently approved collections of information. Copies of the Paperwork Reduction Act Submission, supporting statements and approved collection of information instrument(s) are placed into OMB's public docket files. The Federal Reserve may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

Final approval under OMB delegated authority of the extension for three years, without revision, of the following report:

Report title: Recordkeeping and Disclosure Requirements Associated with Securities Transactions Pursuant to Regulation H.

Agency form number: Reg H-3.

OMB control number: 7100-0196.

Frequency: Event-generated.

Respondents: State member banks.

Estimated number of respondents: State member banks (de novo): 1; state member banks with trust departments: 228; state member banks without trust departments: 601.

Estimated average hours per response: State member banks (de novo): Recordkeeping, 40 hours. State member banks with trust departments: Recordkeeping, 2 hours; disclosure, 16 hours. State member banks without trust departments: Recordkeeping, 15 minutes; disclosure, 5 hours.

Estimated annual burden hours: State member banks (de novo): Recordkeeping, 40 hours. State member banks with trust departments: Recordkeeping, 12,768 hours; disclosure, 43,776 hours. State member banks without trust departments: Recordkeeping, 4,207 hours; disclosure, 36,060 hours.

General description of report: These recordkeeping and disclosure requirements are pursuant to Sections

208.34(c), (d), and (g) of the Board's Regulation H, which require that state member banks effecting securities transactions for customers establish and maintain a system of records of these transactions, furnish confirmations of transactions to customers that disclose certain information, and establish written policies and procedures relating to securities trading. State member banks are required to maintain records created per these requirements for three years following a securities transaction. These requirements are necessary to protect the customer, to avoid or settle customer disputes, and to protect the institution against potential liability arising under the anti-fraud and insider trading provisions of the Securities Exchange Act of 1934 ("Securities Exchange Act").

Legal authorization and confidentiality: The Board has determined that the Regulation H requirements are authorized by Section 23 of the Securities Exchange Act, 15 U.S.C. 78w, which empowers the Board to make rules and regulations implementing those portions of the Securities Exchange Act for which it is responsible. The requirements of 12 CFR 208.34(c), (d), and (g) also are impliedly authorized by Section 9 of the Federal Reserve Act (12 U.S.C. 321-328a), which establishes the Board's supervisory authority with respect to the safety and soundness of state member banks. Accordingly, the Board is authorized to impose these recordkeeping, disclosure, and policy establishment requirements. The obligation of a state member bank to comply with the Regulation H requirements is mandatory, save for the limited exceptions set forth in 12 CFR 208.34(a).

Inasmuch as the Board does not collect or receive any information concerning securities transactions pursuant to these requirements, no issues of confidentiality normally will arise. If, however, these records were to come into the possession of the Board, they may be protected from disclosure pursuant to exemption 4 of the Freedom of Information Act ("FOIA"), 5 U.S.C. 552(b)(4), under the standards set forth in *National Parks & Conservation Ass'n v. Morton*, 498 F.2d 765 (DC Cir. 1974), to the extent an institution can establish the potential for substantial competitive harm. They also may be subject to withholding under FOIA exemption 6, 5 U.S.C. 552(b)(6), should disclosure constitute an unwarranted invasion of personal privacy. Additionally, if such information were included in the work papers of System examiners or abstracted in System reports of

examination, the information also may be protected under exemption 8 of FOIA, 5 U.S.C. 552(b)(8). Any withholding determination would be made on a case-by-case basis in response to a specific request for disclosure of the information.

Current actions: On November 27, 2017, the Board published a notice in the **Federal Register** (82 FR 56022) requesting public comment for 60 days on the extension, without revision, of the Recordkeeping and Disclosure Requirements Associated with Securities Transactions Pursuant to Regulation H (Reg H-3). The comment period for this notice expired on January 26, 2018. The Board did not receive any comments.

Board of Governors of the Federal Reserve System, February 12, 2018.

Ann E. Misback,

Secretary of the Board.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Submission for OMB Review; Comment Request

Title: Pre-testing of Evaluation Data Collection Activities.

OMB No.: 0970-0355.

Description: The Office of Planning, Research, and Evaluation (OPRE), in the Administration for Children and Families (ACF) at the U.S. Department of Health and Human Services (HHS) intends to request approval from the Office of Management and Budget (OMB) to renew a generic clearance to pre-test data collection instruments with more than nine participants to identify and resolve any question or procedural problems in survey administration.

OPRE studies ACF programs, and the populations they serve, through rigorous research and evaluation projects. These include evaluations of existing programs, evaluations of innovative approaches to helping low-income children and families, research syntheses and descriptive and exploratory studies. To improve the development of its research and evaluation surveys, OPRE uses the pre-testing of evaluation surveys generic clearance to employ a variety of techniques including cognitive and usability laboratory and field techniques, behavior coding, exploratory interviews, respondent debriefing questionnaires, split sample

experiments, focus groups, and pilot studies/pre-tests. These activities allow OPRE to identify if and when a survey may be simplified for respondents, respondent burden may be reduced, and other possible improvements.

Following standard OMB requirements, OPRE will submit a change request for each individual data collection activity under this generic clearance. Each request will include the individual instrument(s), a justification specific to the individual information collection, and any supplementary documents. OMB should review within 10 days of receiving each change request.

The information collected in this effort will not be the primary subject of any published ACF reports; however, information may be made public through methodological appendices or footnotes, reports on instrument development, instrument user guides, descriptions of respondent behavior, and other publications or presentations describing findings of methodological interest. When necessary, results will be labeled as exploratory in nature. The results of this pre-testing research may be prepared for presentation at professional meetings or publication in professional journals.

Respondents: Participants in ACF programs being evaluated; participants in ACF demonstrations; recipients of ACF Grants and individuals served by ACF Grantees; comparison group members; and other relevant populations, such as individuals at risk of needing ACF services.

ANNUAL BURDEN ESTIMATES

Instrument	Total number of respondents	Number of responses per respondent	Average burden hours per response	Total burden hours
Survey development field tests, respondent debriefing questionnaires, cognitive interviews, split sample experiments, focus groups	3,825	1	1	3,825

Additional Information: Copies of the proposed collection may be obtained by writing to the Administration for Children and Families, Office of Planning, Research and Evaluation, 330 C Street SW, Washington, DC 20201, Attn: OPRE Reports Clearance Officer. All requests should be identified by the title of the information collection. Email address: OPREinfocollection@acf.hhs.gov.

OMB Comment: OMB is required to make a decision concerning the collection of information between 30 and 60 days after publication of this document in the **Federal Register**.

Therefore, a comment is best assured of having its full effect if OMB receives it within 30 days of publication. Written comments and recommendations for the proposed information collection should be sent directly to the following: Office of Management and Budget, Paperwork Reduction Project, Email: OIRA_SUBMISSION@OMB.EOP.GOV, Attn: Desk Officer for the Administration, for Children and Families.

Mary Jones,

ACF/OPRE, Certifying Officer.
