Registrations will be accepted through 5:00 p.m. EST on February 26, 2018. Call information for this meeting will be provided upon registration.

SUPPLEMENTARY INFORMATION: The purpose of the meeting is to solicit ideas for program development in the next grant cycle of HRSA's Healthy Start Initiative: Eliminating Disparities in Perinatal Health (Healthy Start) program, authorized by Section 330H of the Public Health Service Act (42 U.S.C. 254c–8), as amended by the Healthy Start Reauthorization Act of 2007 (Pub. L. 110–339).

HRSA's Healthy Start program currently supports 100 community-based projects across the nation where the infant mortality rate (IMR) was more than 1½ times the national average when they applied for funding. The program is designed to reduce IMR and improve perinatal health outcomes. Information about HRSA's Healthy Start program can be obtained by accessing the following website: <https://mchb.hrsa.gov/maternal-child-health-initiatives/healthy-start>. The Healthy Start grants were last competed in fiscal year (FY) 2014 with a project period of up to 5 years. The next grant cycle is expected to begin in FY 2019 (subject to the availability of funding). The last Healthy Start funding opportunity announcement can be found here: <https://apply07.grants.gov/apply/opportunities/instructions/oppHRSA-14-020-cfda93.926-cidHRSA-14-020-instructions.pdf>.

The Listening Session will serve as a platform to engage and obtain feedback from the public on HRSA's strategic thinking and approaches for

community-based infant mortality reduction programs. A final meeting agenda will be shared with registrants prior to the meeting.

The desired outcomes of the meeting are to:

(1) Share with the public an overview of HRSA's current Healthy Start program;

(2) Identify strategies and approaches that are important to implement at the community level, and scientifically known to reduce infant mortality, improve perinatal outcomes, and disparities therein, through input from experts, representatives of professional organizations, and the public at large; and

(3) Inform HRSA's strategies and approaches implemented through the HRSA's Healthy Start program.

Time will be provided for public comments. Each public comment is limited to 2 minutes. During the meeting, participants will have an opportunity to interact with presenters via phone and the chat function in the public comment section of the webinar system.
