#### Request for Information on Evaluating Undue Hardship Claims in Adversary Actions Seeking Student Loan Discharge in Bankruptcy Proceedings

**AGENCY:** Office of Postsecondary Education, U.S. Department of Education.

**ACTION:** Request for information.

**SUMMARY:** The U.S. Department of Education (Department) seeks to ensure that the congressional mandate to except student loans from bankruptcy discharge except in cases of undue hardship is appropriately implemented while also ensuring that borrowers for whom repayment of their student loans would be an undue hardship are not inadvertently discouraged from filing an adversary proceeding in their bankruptcy case. Accordingly, the Department is requesting public comment on factors to be considered in evaluating undue hardship claims asserted by student loan borrowers in adversary proceedings filed in bankruptcy cases, the weight to be given to such factors, whether the existence of two tests for evaluation of undue hardship claims results in inequities among borrowers seeking undue hardship discharge, and how all of these, and potentially additional, considerations should weigh into whether an undue hardship claim should be conceded by the loan holder.

**DATES:** Responses must be received by May 22, 2018.
