

(a) Notwithstanding any other provision of this agreement, when the end user is an agency or instrumentality of the U.S. Government, the following shall apply:

(1) *Applicability.* This agreement is part of a contract between the commercial supplier and the U.S. Government for the acquisition of the supply or service that necessitates a license or other similar legal instrument (including all contracts, task orders, and delivery orders under FAR Parts 13, 14 or 15).

(2) *End user.* This agreement shall bind the ordering activity as end user but shall not operate to bind a Government employee or person acting on behalf of the Government in his or her personal capacity.

(3) *Law and disputes.* This agreement is governed by Federal law.

(i) Any language purporting to subject the U.S. Government to the laws of a U.S. state, U.S. territory, district, or municipality, or foreign nation, except where Federal law expressly provides for the application of such laws, is hereby deleted.

(ii) Any language requiring dispute resolution in a specific forum or venue that is different from that prescribed by applicable Federal law is hereby deleted.

(iii) Any language prescribing a different time period for bringing an action than that prescribed by applicable Federal law in relation to a dispute is hereby deleted.

(4) *Continued performance.* The supplier or licensor shall not unilaterally revoke, terminate or suspend any rights granted to the Government except as allowed by this contract. If the supplier or licensor believes the ordering activity to be in breach of the agreement, it shall pursue its rights under the Contract Disputes Act or other applicable Federal statute while continuing performance as set forth in FAR 52.233-1, Disputes.

(5) *Arbitration; equitable or injunctive relief.* In the event of a claim or dispute arising under or relating to this agreement, a binding arbitration shall not be used unless specifically authorized by agency guidance, and equitable or injunctive relief, including the award of attorney fees, costs or interest, may be awarded against the U.S. Government only when explicitly provided by statute (e.g., Prompt Payment Act or Equal Access to Justice Act).

(6) *Updating terms.* (i) After award, the contractor may unilaterally revise terms if they are not material. A material change is defined as:

(A) Terms that significantly change Government rights or obligations; and
(B) Terms that increase Government prices;
(C) Terms that decrease overall level of service; or

(D) Terms that limit any other Government right addressed elsewhere in this contract.

(ii) For revisions that will materially change the terms of the contract, the revised commercial supplier agreement must be incorporated into the contract using a bilateral modification.

(iii) Any agreement terms or conditions unilaterally revised subsequent to award that are inconsistent with any material term or provision of this contract shall not be enforceable against the Government, and the Government shall not be deemed to have consented to them.

(7) *No automatic renewals.* If any license or service tied to periodic payment is provided under this agreement (e.g., annual software maintenance or annual lease term), such license or service shall not renew automatically upon expiration of its current term without prior express consent by an authorized Government representative.

(8) *Indemnification.* Any clause of this agreement requiring the commercial supplier or licensor to defend or indemnify the end user is hereby amended to provide that the U.S. Department of Justice has the sole right to represent the United States in any such action, in accordance with 28 U.S.C. 516.

(9) *Audits.* Any clause of this agreement permitting the commercial supplier or licensor to audit the end user's compliance with this agreement is hereby amended as follows:

(i) Discrepancies found in an audit may result in a charge by the commercial supplier or licensor to the ordering activity. Any resulting invoice must comply with the proper invoicing requirements specified in the underlying Government contract or order.

(ii) This charge, if disputed by the ordering activity, will be resolved through the Disputes clause at FAR 52.233-1; no payment obligation shall arise on the part of the ordering activity until the conclusion of the dispute process.

(iii) Any audit requested by the contractor will be performed at the contractor's expense, without reimbursement by the Government.

(10) *Taxes or surcharges.* Any taxes or surcharges which the commercial supplier or licensor seeks to pass along to the Government as end user will be governed by the terms of the underlying Government contract or order and, in any event, must be submitted to the Contracting Officer for a determination of applicability prior to invoicing unless specifically agreed to otherwise in the Government contract.

(11) *Non-assignment.* This agreement may not be assigned, nor may any rights or obligations thereunder be delegated, without the Government's prior approval, except as expressly permitted under the clause at FAR 52.232-23, Assignment of Claims.

(12) *Confidential information.* If this agreement includes a confidentiality clause, such clause is hereby amended to state that neither the agreement nor the contract price list, as applicable, shall be deemed "confidential information." Issues regarding release of "unit pricing" will be resolved consistent with the Freedom of Information Act. Notwithstanding anything in this agreement to the contrary, the Government may retain any confidential information as required by law, regulation or its internal document retention procedures for legal, regulatory or compliance purposes; provided, however, that all such retained confidential information will continue to be subject to the confidentiality obligations of this agreement.

(b) If any language, provision or clause of this agreement conflicts or is inconsistent with the preceding paragraph (a), the language, provisions, or clause of paragraph (a) shall prevail to the extent of such inconsistency.

(End of clause)

National Oceanic and Atmospheric Administration

50 CFR Part 622

[Docket No. 160426363-7275-02]

RIN 0648-XG034

Coastal Migratory Pelagic Resources of the Gulf of Mexico and Atlantic Region; 2017-2018 Commercial Hook-and-Line Closure for King Mackerel in the Gulf of Mexico Southern Zone

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Temporary rule; closure.

SUMMARY: NMFS implements an accountability measure (AM) to close the hook-and-line component of the commercial sector for king mackerel in the Gulf of Mexico (Gulf) southern zone. This closure is necessary to protect the Gulf king mackerel resource.

DATES: This temporary rule is effective from 12:01 a.m., local time, February 20, 2018, through June 30, 2018.

FOR FURTHER INFORMATION CONTACT: Kelli O'Donnell, NMFS Southeast Regional Office, telephone: 727-824-5305, email: kelli.odonnell@noaa.gov.

SUPPLEMENTARY INFORMATION: The fishery for coastal migratory pelagic fish includes king mackerel, Spanish mackerel, and cobia, and is managed under the Fishery Management Plan for the Coastal Migratory Pelagic Resources of the Gulf of Mexico and Atlantic Region (FMP). The FMP was prepared by the Gulf of Mexico and South Atlantic Fishery Management Councils and is implemented by NMFS under the authority of the Magnuson-Stevens Fishery Conservation and Management Act (Magnuson-Stevens Act) by regulations at 50 CFR part 622. All weights for Gulf migratory group king mackerel (Gulf king mackerel) below apply as either round or gutted weight.

On April 11, 2017, NMFS published a final rule to implement Amendment 26 to the FMP in the **Federal Register** (82 FR 17387). That final rule adjusted the management boundaries, zones, and annual catch limits for Gulf king mackerel. King mackerel in the Gulf is divided into western, northern, and southern zones, which have separate commercial quotas.

The southern zone for Gulf king mackerel encompasses an area of the exclusive economic zone (EEZ) south of a line extending due west from the boundary of Lee and Collier Counties on the Florida west coast, and south of a line extending due east from the boundary of Monroe and Miami-Dade Counties on the Florida east coast, which includes the EEZ off Collier and Monroe Counties in south Florida (50 CFR 622.369(a)(1)(iii)).

The commercial quota for the hook-and-line component of the commercial sector in the southern zone is 596,400 lb (270,522 kg) for the current fishing year, July 1, 2017, through June 30, 2018 (50 CFR 622.384(b)(1)(iii)(A)).

Under 50 CFR 622.8(b) and 622.388(a)(1), NMFS is required to close any component of the king mackerel commercial sector when its quota has been reached, or is projected to be reached, by filing a notification at the Office of the Federal Register. NMFS has determined the commercial quota for the hook-and-line component of the commercial sector for Gulf king mackerel in the southern zone will be reached by February 20, 2018. Accordingly, the hook-and-line component of the commercial sector for Gulf migratory group king mackerel in the southern zone is closed effective at 12:01 a.m., local time, February 20, 2018, through the end of the fishing year on June 30, 2018.

During the commercial hook-and-line closure in the southern zone, no person aboard a vessel for which a valid commercial permit for king mackerel has been issued may harvest or possess Gulf migratory group king mackerel in or from Federal waters of the closed zone, as specified in 50 CFR 622.384(e), unless a valid Federal commercial

gillnet permit for king mackerel has been issued to the vessel and the gillnet fishery is open. There is one other exception. A person aboard a vessel that has a valid Federal charter vessel/headboat permit and also has a commercial king mackerel permit for coastal migratory pelagic fish may continue to retain king mackerel in or from the closed zone under the 3-fish daily recreational bag limit, provided the vessel is operating as a charter vessel or headboat, and as long as the recreational sector for Gulf king mackerel is open. Charter vessels or headboats that have a valid commercial king mackerel permit are considered to be operating as a charter vessel or headboat when they carry a passenger who pays a fee or when more than three persons are aboard, including operator and crew.

Also during the closure, king mackerel caught with hook-and-line gear from the closed zone, including those harvested under the bag and possession limits, may not be purchased or sold. This prohibition does not apply to king mackerel caught with hook-and-line gear from the closed zone that were harvested, landed ashore, and sold prior to the closure and were held in cold storage by a dealer or processor (50 CFR 622.384(e)(2)).

Classification

The Regional Administrator for the NMFS Southeast Region has determined this temporary rule is necessary for the conservation and management of Gulf king mackerel and is consistent with the Magnuson-Stevens Act and other applicable laws.

This action is taken under 50 CFR 622.8(b) and 622.388(a)(1), and is exempt from review under Executive Order 12866.

These measures are exempt from the procedures of the Regulatory Flexibility Act because the temporary rule is issued without opportunity for prior notice and comment.

This action responds to the best scientific information available. The Assistant Administrator for NOAA Fisheries (AA) finds good cause to waive the requirements to provide prior notice and opportunity for public comment on this temporary rule pursuant to the authority set forth in 5 U.S.C. 553(b)(B), as such procedures are unnecessary and contrary to the public interest. Such procedures are unnecessary because the rule implementing the commercial quota and the associated AM has already been subject to notice and public comment, and all that remains is to notify the public of the closure. Additionally, allowing prior notice and opportunity for public comment is contrary to the public interest because of the need to implement immediately this action to protect the king mackerel stock, because the capacity of the fishing fleet allows for rapid harvest of the commercial quota. Prior notice and opportunity for public comment would require time and could potentially result in a harvest well in excess of the established commercial quota.

For the aforementioned reasons, the AA also finds good cause to waive the 30-day delay in effectiveness of the action under 5 U.S.C. 553(d)(3).

Authority: 16 U.S.C. 1801 *et seq.*

Dated: February 16, 2018.

Emily H. Menashes,
Acting Director, Office of Sustainable Fisheries, National Marine Fisheries Service.
