

stress-testing information across institutions. The change also would ensure that future collections of this information remain uniform across the agencies.

With OMB approval, the first annual filing deadline for the FFIEC 016 report form would be July 31, 2018, using information as of December 31, 2017.

II. Request for Comment

Public comment is requested on all aspects of this joint notice. Comments are specifically invited on:

(a) Whether the collections of information that are the subject of this notice are necessary for the proper performance of the agencies' functions, including whether the information has practical utility;

(b) The accuracy of the agencies' estimates of the burden of the information collections as they are proposed to be revised, including the validity of the methodology and assumptions used;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected;

(d) Ways to minimize the burden of information collections on respondents, including through the use of automated collection techniques or other forms of information technology; and

(e) Estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide the information.

Comments submitted in response to the joint notice will be shared among the agencies. All comments will become a matter of public record.

Dated: February 15, 2018.

Karen Solomon,
Acting Senior Deputy Comptroller and Chief Counsel, Office of the Comptroller of the Currency.

Board of Governors of the Federal Reserve System, February 12, 2018.

Ann E. Misback,
Secretary of the Board.

Dated at Washington, DC, on February 12, 2018.

Federal Deposit Insurance Corporation.

Robert E. Feldman,
Executive Secretary.

DEPARTMENT OF VETERANS AFFAIRS

Tiered Pharmacy Copayments for Medications Update

AGENCY: Department of Veterans Affairs.

ACTION: Notice.

SUMMARY: This Department of Veterans Affairs (VA) notice updates the information on Tier 1 medications.

FOR FURTHER INFORMATION CONTACT: Joseph Duran, Office of Community Care (10D), Veterans Health Administration (VHA), Department of Veterans Affairs, 810 Vermont Avenue NW, Washington, DC 20420, *Joseph.Duran2@va.gov*, (303) 372-4629 (this is not a toll free number).

SUPPLEMENTARY INFORMATION: Section 17.110 of Title 38, Code of Federal Regulations, governs copayments for medications that VA provides to

veterans. Section 17.110 provides the methodologies for establishing the copayment amount for each 30-day or less supply of medication provided by VA on an outpatient basis (other than medication administered during treatment). "Tier 1 medication means a multi-source medication that has been identified using the process described in paragraph (b)(2) of this section."

Section 17.110 provides that a list of Tier 1 medications will either be published as a notice in the **Federal Register** or will be posted on VA's website at *www.va.gov/health* at least once per year.

Based on the methodologies set forth in § 17.110, this notice updates the list of Tier 1 medications. Not less than once per year, VA will identify a subset of multi-source medications as Tier 1 medications. Only medications that meet all of the criteria in paragraphs (b)(2)(i), (ii), and (iii) will be eligible to be considered Tier 1 medications, and only those medications that meet all of the criteria in paragraph (b)(2)(i) of this section will be assessed using the criteria in paragraphs (b)(2)(ii) and (iii). As of the date of this notice, the Tier 1 medication list at individual VA medical facilities based on the methodologies in § 17.110 will be posted on VA's website at *www.va.gov/health* under the heading "Tier 1 Copay Medication List."

The following table is the Tier 1 Copay Medication List that is effective January 1, 2018, and will remain in effect until December 31, 2018.

Condition	VA product name
