National Oceanic and Atmospheric Administration

Proposed Information Collection; Comment Request; Report of Whaling Operations.

AGENCY: National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice.

SUMMARY: The Department of Commerce, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995.

DATES: Written comments must be submitted on or before April 27, 2018.

ADDRESSES: Direct all written comments to Jennifer Jessup, Departmental Paperwork Clearance Officer, Department of Commerce, Room 6616, 14th and Constitution Avenue NW,

Washington, DC 20230 (or via the internet at pracomment@doc.gov).

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection instrument and instructions should be directed to Carolyn Doherty, National Marine Fisheries Service (NMFS), Office for International Affairs and Seafood Inspection, 1315 East-West Hwy., Silver Spring, MD, 20910; (301) 427-8385 or Carolyn.Doherty@noaa.gov.

SUPPLEMENTARY INFORMATION:

I. Abstract

This request is for extension of a current information collection.

Native Americans may conduct certain aboriginal subsistence whaling under the Whaling Convention Act in accordance with the provisions of the International Whaling Commission (IWC). In order to respond to obligations under the International Convention for the Regulation of Whaling, the IWC, and the Whaling Convention Act, whaling captains participating in these operations must submit certain information to the relevant Native American whaling organization about strikes on and catch of whales. Anyone retrieving a dead whale is also required to report. Captains must place a distinctive permanent identification mark on any harpoon, lance, or explosive dart used, and must also provide information on the mark and self-identification information. The relevant Native American whaling organization receives the reports, compiles them, and submits the information to NOAA.

The information is used to monitor the hunt and to ensure that quotas are not exceeded. The information is also provided to the IWC, which uses it to monitor compliance with its requirements.

II. Method of Collection

Reports may be made by phone, fax, email, or in writing. Information on equipment marks must be made in writing. No form is used.

III. Data

OMB Control Number: 0648-0311.

Form Number(s): None.

Type of Review: Regular submission (extension of current information collection).

Affected Public: Individuals or households; state, local, or tribal governments.

Estimated Number of Respondents: 166 (165 whaling captains, one Native American whaling organization).

Estimated Time per Response: 30 minutes for reports on whales struck or

on recovery of dead whales, including providing the information to the relevant Native American whaling organization; 5 minutes for the relevant Native American whaling organization to type in each report; and 5 hours for the relevant Native American whaling organization to consolidate and submit reports.

Estimated Total Annual Burden Hours: 86.

Estimated Total Annual Cost to Public: \$100 in recordkeeping/reporting costs.

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

Dated: February 21, 2018.

Sarah Brabson,

NOAA PRA Clearance Officer.
