BILLING CODE 6717-01-P

ENVIRONMENTAL PROTECTION AGENCY

[FRL-9974-92-OEI]

Privacy Act of 1974; System of Records

AGENCY: Office of Environmental Information, Environmental Protection Agency.

ACTION: Notice of a new system of records.

SUMMARY: The U.S. Environmental Protection Agency's (EPA) Office of General Counsel is giving notice that it proposes to create a new system of records pursuant to the provisions of the Privacy Act of 1974. The Employment Law Practice Group Case Management System (ELPG-CMS) is being created to meet the needs of the Office of General Counsel, Employment Law Practice Group Attorney Advisors and Agency Leadership. This system will provide automated information support to the Employment Law Practice Group in tracing and managing the flow of labor

and employment advice and litigation through the litigation process. The information collected in the case management program will be used to: Assign incoming cases and more efficiently track significant events in the litigation such as filing deadlines; electronically collect and store in one location all documents relevant to a case, including discovery materials, filings, submissions, case correspondence and case research information. The system is accessed from an internet browser using the Agency's secured portal.

DATES: Persons wishing to comment on this system or records notice must do so by April 2, 2018.

ADDRESSES: Submit your comments, identified by Docket ID No. EPA-HQ-OEI-2017-0307, by one of the following methods:

Regulations.gov: www.regulations.gov. Follow the online instructions for submitting comments.

Email: oei.docket@epa.gov.

Fax: 202-566-1752.

Mail: OEI Docket, Environmental Protection Agency, Mailcode: 2822T, 1200 Pennsylvania Ave. NW, Washington, DC 20460.

Hand Delivery: OEI Docket, EPA/DC, WJC West Building, Room 3334, 1301 Constitution Ave. NW, Washington, DC. Such deliveries are only accepted during the Docket's normal hours of operation, and special arrangements should be made for deliveries of boxed information.

Instructions: Direct your comments to Docket ID No. EPA-HQ-OEI-2017-0307. The EPA's policy is that all comments received will be included in the public docket without change and may be made available online at www.regulations.gov, including any personal information provided, unless the comment includes information claimed to be Confidential Business Information (CBI) or other information for which disclosure is restricted by statute. Do not submit information that you consider to be CBI or otherwise protected through www.regulations.gov. The www.regulations.gov website is an "anonymous access" system for EPA, which means the EPA will not know your identity or contact information unless you provide it in the body of your comment. However, over 180 federal agencies use www.regulations.gov and some may require Personally Identifiable Information (PII) and some may not. Each agency determines submission requirements within their own internal processes and standards. EPA has no requirement of personal information. If

you send an email comment directly to the EPA without going through www.regulations.gov your email address will be automatically captured and included as part of the comment that is placed in the public docket and made available on the internet. If you submit an electronic comment, the EPA recommends that you include your name and other contact information in the body of your comment and with any disk or CD-ROM you submit. If the EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, the EPA may not be able to consider your comment. Electronic files should avoid the use of special characters, any form of encryption, and be free of any defects or viruses. For additional information about the EPA's public docket visit the EPA Docket Center homepage at <http://www.epa.gov/epahome/dockets.htm>.

Docket: All documents in the docket are listed in the www.regulations.gov index. Although listed in the index, some information is not publicly available, e.g., CBI or other information for which disclosure is restricted by statute. Certain other material, such as copyrighted material, will be publicly available only in hard copy.
