The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104-13. Animal and Plant Health Inspection Service

Title: Foot-and-Mouth Disease; Prohibition on Importation of Farm Equipment.

OMB Control Number: 0579-0195.

Summary of Collection: The Animal Health Protection Act of 2002 is the primary Federal law governing the protection of animal health. Regulations contained in 9 CFR chapter 1, subchapter D, parts 91 through 99 prohibits the importation of used farm equipment into the United States from regions in which foot-and-mouth (FMD) disease or rinderpest exist, unless the equipment is accompanied by an original certificate signed by an unauthorized official of the national animal health service of the exporting region that states that the equipment was steam-cleaned prior to export to the United States so that it is free of exposed dirt and other particulate matter. Disease prevention is the most effective method for maintaining a healthy animal population and enhancing the Animal and Plant Health Inspection Service (APHIS) ability to compete in exporting animals and animal products.

Need and Use of the Information: APHIS will collect information through the use of a certification statement completed by the farm equipment exporter and signed by an authorized official of the national animal health service of the region of origin, stating that the steam-cleaning of the equipment was done prior to export to the United States. This is necessary to help prevent the introduction of FMD into the United States. If the information were not collected APHIS would be forced to discontinue the importation of any used farm equipment from FMD affected regions; a development that could have a damaging financial impact on exporters and importers of the equipment.

Description of Respondents: Business or other for-profit; Federal Government.

Number of Respondents: 71.

Frequency of Responses: Reporting: On occasion.

Total Burden Hours: 1,492.

Ruth Brown,

Departmental Information Collection Clearance Officer.
