

the NBCCEDP is to increase breast and cervical cancer screening rates among priority populations by funding grantees to provide breast and cervical cancer screening services to eligible women. The NBCCEDP funds 70 grantees including state health departments and the District of Columbia, universities, and tribes or tribal organizations.

Priority populations for the NBCCEDP include women residing within defined geographical locations (as determined by the funded program) who are (1) at or below 250% of the federal poverty level, (2) aged 40–64 years for breast cancer services, and aged 21–64 years for cervical cancer services, and (3) under- or uninsured.

CDC issued a new funding opportunity announcement to support a

5-year cooperative agreement under CDC–RFA–DP17–1701. The number of grantees will increase from 67 grantees to 70 grantees. The current program includes a stronger focus on grantees partnering with health systems to increase breast and cervical cancer screening rates.

CDC proposes a revision to the MDEs to include removal of several data variables that are no longer relevant for CDC analyses, as well as collapsing/ revising several data variables to reduce burden and increase clarity for respondents. The MDEs focus on the following areas: (1) Patient demographics; (2) breast cancer screening; (3) cervical cancer screening; (4) breast and cervical cancer diagnoses; (5) breast and cervical cancer treatment;

(6) timeliness of services; and (7) patient navigation.

Redesigned data elements will enable CDC to better gauge progress in meeting clinical service delivery processes and patient-level outcomes. Findings will allow CDC to assess program progress in meeting goals and monitor implementation activities, evaluate outcomes, and identify grantee technical assistance needs. In addition, data collected will inform program improvement and help identify successful activities that need to be maintained, replicated, or expanded.

The total estimated annualized burden hours will decrease from 536 to 350 hours. There are no costs to respondents other than their time.

ESTIMATED ANNUALIZED BURDEN HOURS

Type of respondent	Form name	Number of respondents	Number of responses per respondent	Average burden per response (in hours)	Total burden (in hours)
NBCCEDP Grantees	MDEs	70	2	2.50	350
Total	350

Submission for OMB Review; Comment Request

Title: Study of We Grow Together: The Q–CCIIT Professional Development System.

OMB No.: New Collection.

Description: The Administration for Children and Families (ACF) at the U.S. Department of Health and Human

Services (HHS) seeks approval to conduct a field test of We Grow Together, a system of professional development supports including web-based resources and exercises to be used by caregivers/teachers, with the help of professional development providers, to improve the quality of infant and toddler care. The study team has developed We Grow Together: The Q–CCIIT Professional Development System based on the research literature to support caregiver-child interactions in care settings serving infants and toddlers. This field test is designed to (1) examine changes associated with use of the We Grow Together system and (2) examine implementation and participant experiences with the We Grow Together system. As a secondary goal, ACF will also further evaluate the properties of the Q–CCIIT observational measure. Ultimately, findings from the field test will provide information about the experiences of professional

development providers (PD providers) and caregivers with the We Grow Together system so that ACF can improve the system to make the resources as accessible as possible for infant-toddler caregivers.

Prior to using the We Grow Together system, PD providers will complete a web-based training survey and all participants will complete a web-based background survey. Periodically during the field test, website users will be asked at log-on to respond to a series of web-based questions. After system implementation, participants will complete a web-based feedback survey. The study team will also collect classroom rosters from caregivers before and after the field test.

Respondents: Early care and education (ECE) setting representatives (e.g., directors or owners), caregivers (center-based and family child care settings), and professional development providers (e.g., coaches).

ANNUAL BURDEN ESTIMATES

Instrument	Total/annual number of respondents	Number of responses per respondent	Average burden hours per response	Annual burden hours
ECE setting eligibility screener	745	1	.25	186
Caregiver background survey	300	1	.75	225
PD provider background survey	175	1	.50	88
Caregiver We Grow Together website user data pop-up questions	300	6	.17	306
PD provider We Grow Together website user pop-up questions	175	5	.10	88
Caregiver feedback survey	300	1	1.0	300

ANNUAL BURDEN ESTIMATES—Continued

Instrument	Total/annual number of respondents	Number of responses per respondent	Average burden hours per response	Annual burden hours
PD provider feedback survey	175	1	.75	131
Classroom roster	300	2	.08	48
PD provider training survey	175	1	.17	30

Estimated Total Annual Burden Hours: 1,402.

Additional Information: Copies of the proposed collection may be obtained by writing to the Administration for Children and Families, Office of Planning, Research and Evaluation, 330 C Street SW, Washington, DC 20201, Attn: OPRE Reports Clearance Officer. All requests should be identified by the title of the information collection. Email address: OPREinfocollection@acf.hhs.gov.

OMB Comment: OMB is required to make a decision concerning the collection of information between 30 and 60 days after publication of this document in the **Federal Register**. Therefore, a comment is best assured of having its full effect if OMB receives it within 30 days of publication. Written comments and recommendations for the proposed information collection should be sent directly to the following: Office of Management and Budget, Paperwork Reduction Project, Email: OIRA_SUBMISSION@OMB.EOP.GOV, Attn: Desk Officer for the Administration for Children and Families.

Submission for OMB Review; Comment Request

Title: Request for Specific Consent to Juvenile Court Jurisdiction.

OMB No.: 0970-0385.

Description: Section 235 (d) of the William Wilberforce Trafficking Victims Protection Reauthorization Act of 2008 (TVPRA of 2008), Public Law 110-457 was enacted into law December 23, 2008. Section 235 (d) directs the Secretary of HHS to grant or deny requests for specific consent for unaccompanied children in HHS custody who seek to invoke the jurisdiction of a state court for a dependency order and who also seek to invoke the jurisdiction of a state court to determine or alter his or her custody status or release from ORR. These requests can be extremely time sensitive since a child must ask a state court for dependency before turning 18 years old.

In developing procedures for collecting the necessary information from unaccompanied alien children, their attorneys, or other representatives

to allow HHS to approve or deny consent requests, ORR/DUCO devised a form. Specifically, the form asks the requestor for his/her identifying information, basic identifying information on the unaccompanied alien child, the name of the HHS-funded facility where the child is in HHS custody and care, the name of the court and its location, and the kind of request (e.g. for a change in custody, etc.). The form also asks that the unaccompanied alien child's attorney or authorized representative attach a Notice of Representation, which is an approved federal government agency form used for immigration procedures that authorizes the attorney to act on behalf of the child (i.e., G-28, EOIR-28 or EOIR-29), or any other form of authorization to act on behalf of the unaccompanied alien child.

Respondents: Attorneys, accredited legal representatives, or others authorized to act on behalf of an unaccompanied alien child.

ANNUAL BURDEN ESTIMATES

Instrument	Number of respondents	Number of responses per respondent	Average burden hours per response	Total burden hours
ORR-0132	30	1	0.33	9.9

Estimated Total Annual Burden Hours: 9.9

Additional Information: Copies of the proposed collection may be obtained by writing to the Administration for Children and Families, Office of Planning, Research and Evaluation, 330 C Street SW, Washington, DC 20201. Attention Reports Clearance Officer. All requests should be identified by the title of the information collection. Email address: infocollection@acf.hhs.gov.
