

intervening; and (4) otherwise comply with the requirements of 18 CFR 385.2001 through 385.2005. All comments, motions to intervene, or protests must set forth their evidentiary basis and otherwise comply with the requirements of 18 CFR 4.34(b). All comments, motions to intervene, or protests should relate to project works which are the subject of the license amendment. Agencies may obtain copies of the application directly from the applicant. A copy of any protest or motion to intervene must be served upon each representative of the applicant specified in the particular application. If an intervenor files comments or documents with the Commission relating to the merits of an issue that may affect the responsibilities of a particular resource agency, they must also serve a copy of the document on that resource agency. A copy of all other filings in reference to this application must be accompanied by proof of service on all persons listed in the service list prepared by the Commission in this proceeding, in accordance with 18 CFR 4.34(b) and 18 CFR 385.2010.

[Docket No. EL18-26-000; Docket No. AD18-8-000]

EDF Renewable Energy, Inc. v. Reform of Affected System Coordination in the Generator Interconnection Process, v. Midcontinent Independent System Operator, Inc., Southwest Power Pool, Inc., and PJM Interconnection, L.L.C.; Supplemental Notice of Technical Conference

As announced in the Notice of Technical Conference issued in this proceeding on February 2, 2018, the Federal Energy Regulatory Commission (Commission) will convene a staff-led technical conference in the above-referenced proceeding on Tuesday and Wednesday, April 3-4, 2018 from 9:30 a.m. to 4:30 p.m. (ET). The conference will be held in the Commission Meeting Room at Commission headquarters, 888 First Street NE, Washington, DC 20426. Commissioners may attend and participate. The purpose of this conference is to discuss issues related to

the coordination of affected systems that have been raised in the complaint filed by EDF Renewable Energy, Inc. against Midcontinent Independent System Operator, Inc., Southwest Power Pool, Inc., and PJM Interconnection, L.L.C. in Docket No. EL18-26-000 and in the Commission's Notice of Proposed Rulemaking (Generator Interconnection NOPR) on the interconnection process in Docket No. RM17-8-000. The first day of the conference will focus on questions specific to issues raised in the complaint filed in Docket No. EL18-26-000, while the second day of the conference will focus on the broader affected systems issues raised in the Generator Interconnection NOPR in Docket No. RM17-8-000.

Attached to this Supplemental Notice is a preliminary agenda for the technical conference. Additional information regarding the final conference program and speakers will be provided in a subsequent supplemental notice of technical conference.

Those interested in speaking at the technical conference should notify the Commission by March 2, 2018 by completing the online form at the following web page: <http://www.ferc.gov/whats-new/registration/04-03-18-speaker-form.asp>. At this web page, please describe the topic(s) you wish to address and provide biographical information. Due to time constraints, we may not be able to accommodate all those interested in speaking. We will notify selected speakers as soon as possible.

The conference will be open for the public to attend. Information on the technical conference will also be posted on the Calendar of Events on the Commission's website, <http://www.ferc.gov>, prior to the event. Advance registration is not required but is encouraged. Attendees may register at the following web page: <http://www.ferc.gov/whats-new/registration/04-03-18-form.asp>.

This event will be webcast and transcribed. Anyone with internet access can navigate to the "FERC Calendar" at www.ferc.gov and locate the technical conference in the Calendar of Events. Opening the technical conference in the Calendar of Events will reveal a link to its webcast. The Capitol Connection provides technical support for the webcast and offers the option of listening to the meeting via phone-bridge for a fee. If you have any questions, visit www.capitolconnection.org or call 703-993-3100. The webcast will be available on the Calendar of Events at www.ferc.gov for three months after the conference. Transcripts of the

conference will be immediately available for a fee from Ace-Federal Reporters, Inc. (202-347-3700).

[Docket No. ER18–920–000]

Marco DM Holdings, L.L.C.; Supplemental Notice That Initial Market-Based Rate Filing Includes Request for Blanket Section 204 Authorization

This is a supplemental notice in the above-referenced proceeding of Marco DM Holdings, L.L.C.'s application for market-based rate authority, with an accompanying rate tariff, noting that such application includes a request for blanket authorization, under 18 CFR part 34, of future issuances of securities and assumptions of liability.

Any person desiring to intervene or to protest should file with the Federal Energy Regulatory Commission, 888 First Street NE, Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Anyone filing a motion to intervene or protest must serve a copy of that document on the Applicant.

Notice is hereby given that the deadline for filing protests with regard to the applicant's request for blanket authorization, under 18 CFR part 34, of future issuances of securities and assumptions of liability, is March 20, 2018.

The Commission encourages electronic submission of protests and interventions in lieu of paper, using the FERC Online links at <http://www.ferc.gov>. To facilitate electronic service, persons with internet access who will eFile a document and/or be listed as a contact for an intervenor must create and validate an eRegistration account using the eRegistration link. Select the eFiling link to log on and submit the intervention or protests.

Persons unable to file electronically should submit an original and 5 copies of the intervention or protest to the Federal Energy Regulatory Commission, 888 First Street NE, Washington, DC 20426.

The filings in the above-referenced proceeding are accessible in the Commission's eLibrary system by clicking on the appropriate link in the above list. They are also available for

electronic review in the Commission's Public Reference Room in Washington, DC. There is an eSubscription link on the website that enables subscribers to receive email notification when a document is added to a subscribed docket(s).
