Federal, State, and local agencies, along with tribes and other stakeholders that may be interested in or affected by the proposed action that the BLM is evaluating, are invited to participate in the scoping process and, if eligible, may request or be requested by the BLM to participate in the development of the environmental analysis as a cooperating agency.

The BLM will evaluate identified issues to be addressed in the Plan Amendment, and will place them into one of three categories:

1. Issues to be resolved in the Plan Amendment;
2. Issues to be resolved through policy or administrative action; or
3. Issues beyond the scope of this Plan Amendment.

The BLM will provide an explanation in the EA as to why an issue was placed in category two or three. The public is also encouraged to help identify any management questions and concerns that should be addressed in the Plan Amendment. The BLM will work collaboratively with interested parties to identify the management decisions that are best suited to local, regional, and national needs and concerns.

DATES: Nominations must be received by June 4, 2018.

ADDRESSES: Melanie O'Brien, Designated Federal Officer, Native American Graves Protection and Repatriation Review Committee, National NAGPRA Program (2253), National Park Service, 1849 C Street NW, Room 7360, Washington, DC 20240, (202) 354-2201 or via email nagpra_dfo@nps.gov.

FOR FURTHER INFORMATION CONTACT: Melanie O'Brien, Designated Federal Officer, Native American Graves Protection and Repatriation Review Committee, National NAGPRA Program (2253), National Park Service, 1849 C Street NW, Room 7360, Washington, DC 20240, (202) 354-2201 or via email nagpra_dfo@nps.gov.

SUPPLEMENTARY INFORMATION: The Review Committee is responsible for:

1. Monitoring the NAGPRA inventory and identification process;
2. Reviewing and making findings related to the identity or cultural affiliation of cultural items, or the return of such items;
3. Facilitating the resolution of disputes;
4. Compiling an inventory of culturally unidentifiable human remains and developing a process for disposition of such remains;
5. Consulting with Indian tribes and Native Hawaiian organizations and museums on matters within the scope of the work of the Review Committee affecting such tribes or organizations;
6. Consulting with the Secretary of the Interior in the development of regulations to carry out NAGPRA; and

The Review Committee consists of seven members appointed by the Secretary of the Interior. The Secretary may not appoint Federal officers or employees to the Review Committee. Three members are appointed from nominations submitted by Indian tribes, Native Hawaiian organizations, and traditional Native American religious leaders. At least two of these members must be traditional Indian religious leaders. Three members are appointed from nominations submitted by national

museum or scientific organizations. One member is appointed from a list of persons developed and consented to by all of the other members.

Members serve as Special Government Employees, and are required to complete annual ethics training. Members are appointed for 4-year terms and incumbent members may be reappointed for 2-year terms. The Review Committee's work is completed during public meetings. The Review Committee attempts to meet in person twice a year and meetings normally last two or three days. In addition, the Review Committee may also meet by public teleconference one or more times per year.

Review Committee members serve without pay but are reimbursed for each day of meeting attendance. Review Committee members are also reimbursed for travel expenses incurred in association with Review Committee meetings (25 U.S.C. 3006(b)(4)). Individuals who are federally registered lobbyists are ineligible to serve on all FACA and non-FACA boards, committees, or councils in an individual capacity. The term "individual capacity" refers to individuals who are appointed to exercise their own individual best judgment on behalf of the government, such as when they are designated Special Government Employees, rather than being appointed to represent a particular interest.

Nominations must:

1. Be submitted by a national museum organization or national scientific organization and should be submitted on the official letterhead of the organization.
2. Affirm that the signatory is the official authorized by the organization to submit the nomination.
3. Affirm that the organization's activity pertains or relates to the United States as a whole, as opposed to a lesser geographical scope.
4. Provide the nominator's original signature, daytime telephone number, and email address.
5. Include the nominee's full legal name, home address, home telephone number, and email address.

Nominations should include a resume providing an adequate description of the nominee's qualifications, including information that would enable the Department of the Interior to make an

informed decision regarding meeting the membership requirements of the Committee and permit the Department of the Interior to contact a potential member.

Public Disclosure of Comments:

Before including your address, phone number, email address, or other personal identifying information with your nomination, you should be aware that your entire nomination—including your personal identifying information—may be made publicly available at any time.
