AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: As a result of these sunset reviews, the Department of Commerce (Commerce) finds that revocation of the antidumping duty orders on steel wire garment hangers (hangers) from Taiwan and the Socialist Republic of Vietnam (Vietnam) would be likely to lead to continuation or recurrence of dumping at the level indicated in the “Final Results of Sunset Reviews” section of this notice.

DATES: Effective March 9, 2018.

FOR FURTHER INFORMATION CONTACT: Ian Hamilton, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-4798.

SUPPLEMENTARY INFORMATION:

Background

On November 1, 2017, Commerce published the notice of initiation of the first sunset reviews of the antidumping duty orders on hangers from Taiwan and Vietnam, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).¹ On November 6, 2017, Commerce received a notice of intent to participate from M&B Metal Products Company, Inc. (the petitioner) as a domestic interested party, within the deadline specified in 19 CFR 351.218(d)(1)(i).² The petitioner claimed interested party status under section 771(9)(C) of the Act, as a manufacturer of a domestic like product in the United States.

On November 30, 2017, we received a complete substantive response for the

review from the domestic interested party within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i).³ We received no substantive responses from respondent interested parties with respect to the orders covered by these sunset reviews, nor was a hearing requested. Commerce received no comments on the adequacy of responses in these sunset reviews. Pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), Commerce is conducting expedited (120-day) sunset reviews of these orders.

Commerce has exercised its discretion to toll deadlines for the duration of the closure of the Federal Government from January 20 through 22, 2018. If the new deadline falls on a non-business day, in accordance with Commerce’s practice, the deadline will become the next business day. The revised deadline for the final results of these sunset reviews are now March 5, 2018.⁴

The merchandise subject to the orders is hangers. For a complete description of the scope of these orders, see the accompanying Issues and Decision Memorandum.⁵
