#### Intent To Request Renewal From OMB of One Current Public Collection of Information: Law Enforcement Officer (LEO) Reimbursement Request

**AGENCY:** Transportation Security Administration, DHS.

**ACTION:** 60-Day notice.

**SUMMARY:** The Transportation Security Administration (TSA) invites public comment on one currently approved Information Collection Request (ICR), Office of Management and Budget (OMB) control number 1652-0063, abstracted below that we will submit to OMB for an extension in compliance with the Paperwork Reduction Act (PRA). The ICR describes the nature of the information collection and its expected burden. The collection involves the reimbursement of expenses incurred by airport operators for the provision of law enforcement officers to support airport checkpoint screening.

**DATES:** Send your comments by May 14, 2018.

**ADDRESSES:** Comments may be emailed to [TSAPRA@tsa.dhs.gov](mailto:TSAPRA@tsa.dhs.gov) or delivered to the TSA PRA Officer, Office of Information Technology (OIT), TSA-11, Transportation Security Administration, 601 South 12th Street, Arlington, VA 20598-6011.

**FOR FURTHER INFORMATION CONTACT:** Christina A. Walsh at the above address, or by telephone (571) 227-2062.

#### SUPPLEMENTARY INFORMATION:

##### Comments Invited

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The ICR documentation will be available at <http://www.reginfo.gov> upon its submission to OMB. Therefore, in preparation for OMB review and approval of the following information collection, TSA is soliciting comments to—

- (1) Evaluate whether the proposed information requirement is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- (2) Evaluate the accuracy of the agency's estimate of the burden;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including using appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Consistent with the requirements of Executive Order (E.O.) 13771, Reducing Regulation and Controlling Regulatory Costs, and E.O. 13777, Enforcing the Regulatory Reform Agenda, TSA is also requesting comments on the extent to which this request for information could be modified to reduce the burden on respondents.

#### Information Collection Requirement

*OMB Control Number 1652-0063; Law Enforcement Officer (LEO) Reimbursement Request.* Pursuant to 49 U.S.C. 114(m), and secs. 106(l) and (m), TSA has authority to enter into agreements with participants to reimburse expenses incurred by airport operators for the provision of LEOs in support of screening at airport checkpoints. Consistent with this authority, TSA created the LEO Reimbursement Program, which is run by the Office of Law Enforcement/Federal Air Marshal Service (OLE/FAMS).

TSA OLE/FAMS requires that participants in the LEO Reimbursement Program record the details of all reimbursements sought. In order to provide for the orderly tracking of reimbursements, the LEO Reimbursement Program uses TSA Form 3503, LEO Reimbursement Request, which captures and tracks reimbursement information.

The LEO Reimbursement Request form is available at [www.tsa.gov](http://www.tsa.gov). Upon completion, participants submit the LEO Reimbursement Request form directly to the OLE/FAMS LEO Reimbursement Program via fax, electronic upload (via scanning the document), mail, or in person. The OLE/FAMS LEO Reimbursement Program reviews all request for reimbursement forms received. Based on the prior year participation, TSA estimates that there will be 294 participant responses monthly or 3,528 yearly, which is a decrease from the 2015 submission of 326 monthly participants.

TSA estimates each respondent will spend approximately one hour to complete the request for reimbursement form, for a total annual hour burden of 3,528 hours.

Dated: March 7, 2018.

## DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-7009-N-04]

#### A75-HUD Central Accounting and Program System (HUDCAPS) Privacy Act of 1974; System of Records

**AGENCY:** Department of Housing and Urban Development.

**ACTION:** Notice of a modified system of records.

**SUMMARY:** A75 HUDCAPS is an Office of the Chief Financial Officer (OCFO) system that serves as a sub-ledger financial system for HUD. As of October 1, 2015, HUDCAPS is no longer HUD's core financial system/system of record due to the implementation of New Core Project Phase 1 Release 3. HUDCAPS is now a sub-ledger financial system for HUD and the Department of Treasury, Administrative Resource Center (ARC) Oracle Federal Financials serves as HUD's system of record and core financial system.

**DATES:** April 13, 2018.

**ADDRESSES:** You may submit comments, identified by docket number and title, by one of the following methods:

*Email:* [privacy@hud.gov](mailto:privacy@hud.gov).

*Mail:* John Bravacos, Senior Agency Official for Privacy, Privacy Office, Department of Housing and Urban Development, Washington, DC 20410.

**FOR FURTHER INFORMATION CONTACT:** For general questions please contact: The Privacy Office, 451 Seventh Street SW, Room 10139, Washington, DC 20410, telephone number 202-708-3054. Individuals who are hearing- or speech-impaired may access this number via TTY by calling the Federal Relay Service at 800-877-8339 (this is a toll-free number).

**SUPPLEMENTARY INFORMATION:** This notice of revision of the System of Records Notice for A75 HUDCAPS reflects the change of HUDCAPS from a core financial system to a sub-ledger financial system for HUD. The Department of Treasury, Administrative Resource Center (ARC) Oracle Federal Financials now serves as HUD's system of record and core financial system.

The following transactions remain in HUDCAPS:

- Public and Indian Housing (PIH) Section 8 programmatic transaction,

including payments of PIH Section 8 programmatic invoices.

- Program Accounting System (PAS) will continue to transmit current transactional activity to HUDCAPS for posting to the HUDCAPS sub ledger, which is transmitted through NCIS to the Oracle Federal Financials G/L.
- HUD legacy subsidiary systems such as Line of Credit Control System (LOCCS), Northridge Loan System (NLS), Program Accounting System (PAS), and others continue to support program fund transactions related to grant and loan activities and continue to interface nightly with HUDCAPS.

The following routine uses have been removed from the HUDCAPS SORN completed in 2014 because HUDCAPS is no longer HUD's core financial system/system of record. HUDCAPS is now a sub-ledger financial system for HUD, and the Department of Treasury, Administrative Resource Center (ARC) Oracle Federal Financials serves as HUD's system of record and core financial system.

- The Internal Revenue Service (IRS)—for reporting payments for goods and services and for reporting of discharge indebtedness;
- The General Service

Administration's Federal Procurement Data System, a central repository for statistical information on Government contracting, for purposes of providing public access to Government-wide data about agency contract actions;

- The consumer reporting agencies: Disclosure pursuant to 5 U.S.C. 552a(b)(12). Disclosures may be made from the system to consumer reporting agencies as defined in the Fair Credit Reporting Act (15 U.S.C. 1681a(f) or the Federal Claims Collection Act of 1966, 31 U.S.C. 3701(a)(3)). The disclosure is limited to information necessary to establish the identity of the individual, including name, social security number, and address; the amount, status, and history of the claim, and the agency or program under which the claim arose for the sole purpose of allowing the consumer reporting agency to prepare a credit report.
