RI 38-107 is designed for use by the Retirement Inspection Branch when OPM, for any reason, must verify that the entitled person is indeed receiving the monies payable. RI 38-147 collects the same information and is used by other groups within Retirement Operations. Failure to collect this information would cause OPM to pay monies absent the assurance of a correct payee.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-82834; File No. SR-CboeBZX-2018-015]

Self-Regulatory Organizations; Cboe BZX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Related to Transaction Fees

March 8, 2018.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on March 1, 2018, Cboe BZX Exchange, Inc. (the "Exchange" or "BZX") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II and III below, which Items have been prepared by the Exchange. The Exchange has designated the proposed rule change as one establishing or changing a member due, fee, or other charge imposed by the Exchange under Section 19(b)(3)(A)(ii) of the Act³ and Rule 19b-4(f)(2) thereunder,⁴ which renders the proposed rule change effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange filed a proposal to amend the fee schedule applicable to Members⁵ and non-Members of the

² 17 CFR 240.19b-4.

³ 15 U.S.C. 78s(b)(3)(A)(ii).

⁴ 17 CFR 240.19b-4(f)(2).

⁵ The term "Member" is defined as "any registered broker or dealer that has been admitted

Exchange pursuant to BZX Rules 15.1(a) and (c).

The text of the proposed rule change is available at the Exchange's website at www.markets.cboe.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend the fee schedule applicable to its equities trading platform ("BZX Equities") to add a second Step-Up Tier under footnote 2. The Exchange currently offers one Step-Up Tier that provides Members with an additional way to qualify for an enhanced rebate where they increase their liquidity each month over a predetermined baseline. Under the current Step-Up Tier, a Member receives a rebate of \$0.0030 per share for qualifying orders which yield fee codes B,⁶ V,⁷ or Y⁸ where their: (1) Step-Up Add TCV⁹ from April 2016 is equal to or greater than 0.15%; and (2) ADAV¹⁰

to membership in the Exchange." See Exchange Rule 1.5(n).

⁶ Fee code B is appended to displayed orders which add liquidity to Tape B and is provided a rebate of \$0.0025 per share.

⁷ Fee code V is appended to displayed orders which add liquidity to Tape A and is provided a rebate of \$0.0020 per share.

⁸ Fee code Y is appended to displayed orders which add liquidity to Tape C and is provided a rebate of \$0.0020 per share.

⁹ "Step-Up Add TCV" means ADAV as a percentage of TCV in the relevant baseline month subtracted from current ADAV as a percentage of TCV. See the BZX Equities fee schedule available at http://markets.cboe.com/us/equities/membership/fee_schedule/bzx/.

¹⁰ "ADAV" means average daily added volume calculated as the number of shares added per day and "ADV" means average daily volume calculated as the number of shares added or removed, combined, per day. ADAV and ADV are calculated on a monthly basis. *Id.*

as a percentage of TCV¹¹ is equal to or greater than 0.20%.

The Exchange now proposes to amend footnote 2 to add a second Step-Up Tier under which the volume measured to determine whether a Member qualifies is performed on a Member Participant Identifier ("MPID") by MPID basis.¹² Under the proposed Tier 2, a Member would receive a rebate of \$0.0031 per share for their qualifying orders which yield fee codes B, V, or Y where their individual MPID has: (1) A Step-Up Add TCV from January 2018 equal to or greater than 0.30%; and (2) an ADAV as a percentage of TCV equal to or greater than 0.45%. The Exchange proposes to implement this amendments to its fee schedule on March 1, 2018.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the objectives of Section 6 of the Act,¹³ in general, and furthers the objectives of Section 6(b)(4),¹⁴ in particular, as it is designed to provide for the equitable allocation of reasonable dues, fees and other charges among its Members and other persons using its facilities. The Exchange notes that it operates in a highly-competitive market in which market participants can readily direct order flow to competing venues if they deem fee levels at a particular venue to be excessive. The proposed rule change reflects a competitive pricing structure designed to incent market participants to direct their order flow to the Exchange. The Exchange believes that the proposed tier is equitable and non-discriminatory in it would apply uniformly to all Members.

Volume-based rebates such as that proposed herein have been widely adopted by exchanges, including the Exchange, and are equitable because they are open to all Members on an equal basis and provide additional benefits or discounts that are reasonably related to: (i) The value to an exchange's market quality; (ii) associated higher levels of market activity, such as higher levels of liquidity provision and/or growth patterns; and (iii) introduction of higher volumes of orders into the price and volume discovery processes. The Exchange believes that the proposed tier is a reasonable, fair and equitable, and not unfairly discriminatory allocation of

¹¹ "TCV" means total consolidated volume calculated as the volume reported by all exchanges and trade reporting facilities to a consolidated transaction reporting plan for the month for which the fees apply. *Id.*

¹² The Exchange proposes to number the existing tier as Tier 1.

¹³ 15 U.S.C. 78f.

¹⁴ 15 U.S.C. 78f(b)(4).

fees and rebates because it will continue to provide Members with an incentive to reach certain thresholds on the Exchange.

In particular, the Exchange believes the proposed Step-Up Tier is a reasonable means to encourage Members to increase their liquidity on the Exchange based on increasing their volume above a predetermined baseline. The Exchange further believes that the proposed Step-Up Tier represents an equitable allocation of reasonable dues, fees, and other charges because the thresholds necessary to achieve the tier encourages Members to add increased liquidity to the BZX Book¹⁵ each month. The increased liquidity benefits all investors by deepening the Exchange's liquidity pool, offering additional flexibility for all investors to enjoy cost savings, supporting the quality of price discovery, promoting market transparency and improving investor protection. The Exchange also believes that proposed rebate is reasonable based on the difficulty of satisfying the tier's criteria as compared to the existing Step-Up Tier, which provides a lower rebate and less stringent criteria. By applying the tier on a single MPID rather than across a Member's entire trading activity, the Exchange is also allowing more Members to potentially receive the enhanced rebates for their trading activity related to that individual MPID's liquidity provisioning.

(B) Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe its proposed tier would impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange does not believe that the proposed tier represents a significant departure from previous pricing offered by the Exchange or pricing offered by the Exchange's competitors. Additionally, Members may opt to disfavor the Exchange's pricing if they believe that alternatives offer them better value. The Exchange does not believe that the proposed tier would burden competition, but instead, enhance competition, as it is intended to increase the competitiveness of and draw additional volume to the Exchange. The Exchange does not believe the proposed tier would burden intramarket competition as it would apply to all Members uniformly. Accordingly, the Exchange does not believe that the proposed change will impair the ability of Members or competing venues to

¹⁵ See Exchange Rule 1.5(e).

maintain their competitive standing in the financial markets.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from Members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁶ and paragraph (f) of Rule 19b-4 thereunder.¹⁷ At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

March 9, 2018.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 23, 2018, Nasdaq ISE, LLC ("ISE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II, below, which Items have been prepared by the Exchange. ² 17 CFR 240.19b-4.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to introduce its Acceptable Trade Range protection for orders that are routed to away markets pursuant to the Options Order Protection and Locked/Crossed Markets Plan.

The text of the proposed rule change is available on the Exchange's website at <http://ise.cchwallstreet.com/>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange offers an Acceptable Trade Range ("ATR") protection that prevents the execution of quotes and orders on the regular order book outside of set thresholds. The purpose of the proposed rule change is to enhance this ATR protection for orders that are routed to away markets pursuant to the Options Order Protection and Locked/Crossed Markets Plan ("Linkage Plan") instead of being executed immediately on the Exchange or resting on the regular order book.

As codified in Rule 714(b)(1), the Exchange's trading system calculates an Acceptable Trade Range to limit the range of prices at which an order or quote will be allowed to execute.³ The Acceptable Trade Range is calculated by taking the reference price, plus or minus a value to be determined by the Exchange (*i.e.*, the reference price - (x) for sell orders/quotes and the reference

³ The ATR protection is not available for Complex Orders that leg in to the regular order book, which are instead subject to the Price Level Protection pursuant to Rule 714(a)(4), or for All-or-None orders.
