Abstract of Proposed Collection

Information collection instruments from the foreign mission community, to include the electronic data compilation (e-Gov), have been combined under one information collection request, collectively referred to as the “Foreign Diplomatic Services Applications.” These information collection instruments provide the Office of Foreign Missions and the Office of the Chief of Protocol with the information necessary to provide and administer an effective and efficient benefits, privileges, and immunities program by which foreign missions and eligible applicants may apply for benefits from the U.S. Department of State, to which they are entitled pursuant to the Foreign Missions Act or international agreement.

Methodology

Information may be received via Email, fax, or electronic submission through eGov at <https://egov.ofm.state.gov/>.
