

the CIC Revised Procedures, this notice addresses only the authorizations granted to ALM to export liquefied natural gas (LNG) to non-free trade agreement (non-FTA) countries in DOE/FE Order Nos. 3690 and 3877 (FE Docket Nos. 14–209–LNG and 16–33–LNG, respectively). If no interested person protests the change in control and DOE takes no action on its own motion, the change in control will be deemed granted 30 days after publication in the **Federal Register**. If one or more protests are submitted, DOE will review any motions to intervene, protests, and answers, and will issue a determination as to whether the proposed change in control has been demonstrated to render the underlying authorization inconsistent with the public interest.

Public Comment Procedures

Interested persons will be provided 15 days from the date of publication of this notice in the **Federal Register** in order to move to intervene, protest, and answer ALM's Notice. Protests, motions to intervene, notices of intervention, and written comments are invited in response to this notice only as to the change in control described in ALM's Notice, and only with respect to ALM's non-FTA authorizations in DOE/FE Order Nos. 3690 and 3877.⁵ All protests, comments, motions to intervene, or notices of intervention must meet the requirements specified by DOE's regulations in 10 CFR part 590.

Filings may be submitted using one of the following methods: (1) Preferred method: Emailing the filing to fergas@hq.doe.gov, with the individual FE Docket Number(s) in the title line, or American LNG Marketing Change in Control in the title line to include all applicable dockets in this notice; (2) mailing an original and three paper copies of the filing to the Office of Regulation and International Engagement at the address listed in **ADDRESSES**; or (3) hand delivering an original and three paper copies of the filing to the Office of Regulation and International Engagement at the address listed in **ADDRESSES**. All filings must include a reference to the individual FE Docket Number(s) in the title line, or American LNG Marketing Change in Control in the title line to include all applicable dockets in this notice. **Please Note:** If submitting a filing via email, please include all related documents and attachments (e.g., exhibits) in the original email correspondence. Please

do not include any active hyperlinks or password protection in any of the documents or attachments related to the filing. All electronic filings submitted to DOE must follow these guidelines to ensure that all documents are filed in a timely manner. Any hardcopy filing submitted greater in length than 50 pages must also include, at the time of the filing, a digital copy on disk of the entire submission.

ALM's Notice and any filed protests, motions to intervene, notices of intervention, and comments are available for inspection and copying in the Office of Regulation and International Engagement docket room, Room 3E–042, 1000 Independence Avenue SW, Washington, DC 20585. The docket room is open between the hours of 8:00 a.m. and 4:30 p.m., Monday through Friday, except Federal holidays.

The Notice and any filed protests, motions to intervene, notices of intervention, and comments will also be available electronically by going to the following DOE/FE web address: <http://www.fe.doe.gov/programs/gasregulation/index.html>.

Issued in Washington, DC, on March 13, 2018.

Robert J. Smith,

Deputy Assistant Secretary for Oil and Natural Gas (Acting), Office of Fossil Energy.
