MSEP is a targeted recruitment and employment

partnership that connects American businesses with military spouses who possess essential 21st-century workforce skills and attributes and are seeking portable, fulfilling careers.

**DATES:** Comments will be accepted on or before April 18, 2018. This proposed action will be effective the date following the end of the comment period unless comments are received which result in a contrary determination.

**SUPPLEMENTARY INFORMATION:** The Office of the Secretary of Defense proposes to establish a new system of records subject to the Privacy Act of 1974, 5 U.S.C. 552a. The Military Spouse Employment Partnership (MSEP) Career Portal (DPR 47 DoD) is the sole web platform utilized to connect military spouses with companies seeking to hire military spouse employees.

Participating companies, called MSEP Partners, are vetted and approved participants in the MSEP Program and have pledged to recruit, hire, promote and retain military spouses in portable careers. MSEP is a targeted recruitment and employment partnership that connects American businesses with military spouses who possess essential 21st-century workforce skills and attributes and are seeking portable, fulfilling careers. The MSEP program is part of the overall Spouse Education and Career Opportunities (SECO)

program which falls under the auspices of the office of the Deputy Assistant Secretary of Defense for Military Community & Family Policy.

This program was developed in compliance with 10 U.S. Code 1784 Employment Opportunities for Military Spouses and DoDI 1342.22, Military Family Readiness.

Users may learn about this program in various ways including through the Military OneSource program, installation service providers, from other military spouses, from other MSEP Partners and via general online searches. Once aware of the program interested spouses may simply access by going online to the following URL: <https://msejobs.militaryonesource.mil/msep/>.

Military spouses register on the MSEP Career Portal to help connect them to MSEP Partner employers who are hiring. After arriving at the MSEP Career Portal, military spouses are able to review resources, conduct a job search or select to register. All of this information is available on the web portal where the registration process is also completed. Once the military spouse has registered they may choose to make their education and work experience visible to MSEP Partner employers as they are searching for candidates to fill available positions with their company. Prior to providing any information military spouses must first view the Privacy Act Statement and Agency Disclosure Notice. This information displays in a pop-up when a military spouse first clicks into a field on the registration form to provide information. The military spouse must review the information and click to close the pop-up before they can proceed with completing the form.

The Office of the Secretary of Defense notices for systems of records subject to the Privacy Act of 1974, as amended, have been published in the **Federal Register** and are available from the address in **FOR FURTHER INFORMATION CONTACT** or at the Defense Privacy, Civil Liberties, and Transparency Division website at <http://dpcl.d.defense.gov/>.
