### SUPPLEMENTARY INFORMATION:

#### Background

Section 101(a) of the MMPA (16 U.S.C. 1361 *et seq.*) establishes a moratorium on the taking and importation of marine mammals, along with exceptions to the moratorium. Section 102(a) of the MMPA prohibits, among other things, the taking of marine mammals and includes further exceptions to the prohibitions in certain circumstances. The MMPA defines the term "take" to mean to harass, hunt, capture, or kill, or attempt to harass, hunt, capture, or kill any marine mammal. Section 101(a)(3)(A) allows the Secretary of Commerce, as delegated to NMFS, to waive the requirements of section 101 and allow the taking of marine mammals under sections 101(a) and 102(a), provided consultation with the Marine Mammal Commission occurs and certain determinations are made.

On February 9, 2018, the Budget Act (Pub. L. 115-123) was enacted by Congress. Section 20201 in title II of the Budget Act directs the Secretary of Commerce to, within 120 days of enactment, issue a waiver pursuant to section 20201 and section 101(a)(3) of the MMPA for three projects included in the 2017 Louisiana Comprehensive Master Plan for a Sustainable Coast. Specifically, in Congress' recognition of their consistency with the findings and policy declarations in section 2(6) of the MMPA, the Budget Act directs the Secretary to issue a waiver for the Mid-Barataria Sediment Diversion, the Mid-Breton Sound Sediment Diversion, and the Calcasieu Ship Channel Salinity Control Measures projects from the requirements of sections 101(a) and 102(a) of the MMPA for the duration of the construction, operation, and maintenance of the projects. The Budget Act further indicates that no
